

Special Business Notices.

TO THE BISHOPS AND PRESIDING ELDERS IN ALL THE SETTLEMENTS OF THE LATTER-DAY SAINTS.

DEAR BRETHREN: It is our desire to commence again to assist the scattered poor of God's people in gathering to Zion. To aid in the accomplishment of this purpose we request the Bishops and Presiding Elders in the various settlements to give especial attention to the collection of the debts due to the Perpetual Emigration Fund from those who have been assisted in past years. In view of the near approach of the season of the year when our emigration leaves the shores of Europe, we desire that our brethren give this matter their immediate attention, that we may be enabled to do as much good as possible this present year.

It is the duty of all the Saints who have the means to assist in the gathering of these of their brethren and sisters who are still scattered in Babylon, and we should be pleased to have the local authorities solicit donations from those who are not in debt to the P. E. Fund, and who are able and willing to do their part for the gathering of scattered Israel.

Your Brethren,
BRIGHAM YOUNG,
DANIEL H. WELLS

BY TELEGRAPH.

BERLIN, 9.—A fresh difficulty in the way of peace has arisen in Turkey: the Christian subjects of the Sultan have hitherto been exempt from military duty, and they now refuse to continue to pay the exemption tax, and offer, instead, to give their military services. The Christians justify their action on the promise contained in the Sultan's edict of full and perfect equality with the Mahomedans. The Sublime Porte refuses to accept, on the ground that Christians are not to be trusted in his army.

The Prussian Cross Gazette announces that the petition of Arnim's family to the Emperor for the Count's pardon has been refused.

PARIS, 9.—Specie in the Bank of France increased 27,705,000 francs the past week.

The French ministry has been definitely constituted as follows—M. Dufaure, vice-president of the council and minister of justice; M. Ricard, interior; M. Waddington, public instruction and worship; M. Christophle, public works; M. Teisserene de Dori, agriculture and commerce; M. Leon Say, finance; General De Cissy, war; Duc de Cases, foreign affairs. All the members of the new cabinet belong to the Left Centre. The ministry will communicate with the Chambers to-morrow, either by a written programme, or through a speech by M. Dufaure.

The Bois de Boulogne and the Isle St. Germain are partially submerged.

BOMBAY, 11.—The *Serapis*, with the Prince of Wales and suite, has sailed from here for England; after calling at Malta, where a series of grand receptions has been arranged, and also at Lisbon, the Prince of Wales will go direct for Portsmouth, reaching there about the 20th of April.

—It is said that five of the States have abolished the gallows.
