Now, I say that, if your Honor please, I would like to see the defendant released from prison. He is a man of excellent character, who has been in the service of the government for many years. He is a man of excellent character, who has been in the service of the government for many years.

here and not the Church. I represent the Government here, and there is no use of my disputing the fact that the defendant is a Mormon. The Government is not interested in the defendant's religion. The Government is interested in the defendant's crime. The Government is interested in the defendant's crime.
