SURPLUS WATERS DESTROY CROPS.
Salt Before Judge Rolapp to Determine Loss—Seven Feet of Land in Dispute.

PLEASURE RESORT PLANNED.
So Liquors to be Sold—Death of a Well Known Lady—Brother of Dead Man Located.

The following civil and probate matter came up for hearing before Judge Rolapp in the Second district court:

The case of D. H. Adams against Peter Jones to quiet title to seven feet of land right rods deep, situated on Morris avenue, and for damages for alleged improper holding of the land. The matter was settled by stipulation, the defendant agreeing to the plaintiff having a clear title to the property, but no damages or costs of suit.

The case of James C. Wansgard against Sylvester J. Groves was continued for a jury. The plaintiff claims damages for the destruction of his property by the defendant's negligence. Twelve witnesses were examined yesterday on the case, who testified that last spring the defendant caused certain water to be diverted from a ditch on land owned by plaintiff, thereby flooding the land and making it untenantable, thereby preventing plaintiff from being able to plant it and to harvest the crop. There are numerous other witnesses to be examined which will occupy all day today. The costs in the suit will amount to nearly as much as the damages prayed for.

ANOTHER PLEASURE RESORT.
Arrangements are being made by W. D. Gouley, proprietor of the "Unique" in Salt Lake, for the opening of the up-to-date vaudeville theater in Ogden this summer. The gentleman has recently completed the arrangements with the heirs of the D. H. Perry and E. Eldredge estates for the lease of one and a half acres of land facing Broadway street, just east of Washington avenue. The theater part of it is intended to face the street, and at the rear of it is the dancing pavilion.

Following all satisfactory arrangements can be completed, the work of building the buildings and laying out the grounds will be commenced as soon as the weather will permit, so that the place will be ready for opening when the summer season opens.

DEATH OF MRS. M. C. HANNIBAL.
Mrs. Marion C. Hannibal, wife of H. C. Hannibal of this city, died yesterday at the family residence, 221 Monroe avenue, after a three weeks' illness from pneumonia. The deceased was a sister of Erick Rasmussen of the Bishop's office, Salt Lake City, where she, with her husband and family, resided until about two years ago, when they removed to Ogden. The deceased was born at Norway 53 years ago. She leaves a husband, four children and many friends to mourn her death. The time of funeral has not been arranged, as one of her daughters is in California. The remains will be shipped to Salt Lake City for interment.

KAYSVILLE.
A PATRIARCH HONORED.

Elder John S. Smith Celebrates His 98th Birthday Anniversary—Wedding Bells.

Kaysville, March 11.—Last evening the relatives and friends of that staunch Patriarch, Elder John S. Smith of this place, celebrated his 98th birthday in an informal way at the family residence in West Kaysville. It was a happy gathering and many were the congratulations showered on the aged Patriarch.

Elder Smith is in sound health and good spirits, and has every prospect of living to reach the century mark, a blessing which hundreds of friends throughout Utah are wishing him.

Elder Smith enjoys the honor of being the oldest citizen in Davis stake, and in fact the oldest member of the Church. He recently sent in a voluntary donation to the L. D. S. university of \$500, and has always been on hand with an open purse for any worthy cause presented to him.

WEDDING BELLS.
Kaysville loses two of its highly respected citizens in the recent visit to the Salt Lake Temple of Miss Mabel Hyde and Mr. Frank K. Flint, who were married last Wednesday evening at the home of the bridegroom's parents, Mr. and Mrs. John Flint. A reception was given in honor of the event, nearly 100 relatives and friends of the young couple being present to offer congratulations. An excellent wedding supper was served and

a most pleasant evening was spent. Mr. and Mrs. Flint will take up their residence in West Layton, where they will make their home, much to the regret of Kaysville people, who will miss them in social and religious circles.

MANTI.
POLITICS ASSUMING INTEREST.
Republicans Divided, Democrats Smiling—News Items.

Special Correspondence.
Manti, March 11.—The friends of President Lewis Anderson will rejoice in his early recovery from a severe cold, which confined him to his room.

The political cauldron is beginning to boil and parties are generally lining up for action. A few days ago W. D. Livingston, who had heretofore been regarded as having his eye on a place on the ticket, announced that he would enter the race for the judgeship.

Judge Johnson and County Attorney Christensen have been out for the nomination for several weeks before.

This action will of course create a settlement in Livingston's favor against Judge Johnson, and there is no mistake, there is going to be a lively time in Sanctions, when it is time for nominations.

With three candidates for the judgeship of the Seventh Judicial district from this county on the Republican side, and W. K. Reid of this place, William H. Price of Price, T. E. Woods of Castle Dale as candidates for district attorney, there is apt to be some wrestling going on.

PARAGRAPHS.
Mr. N. H. Felt, our grocer, and proprietor of the opera house, is in Salt Lake City, looking up booking dates for his next tour.

An infant child of Mr. and Mrs. Andrew Merriam of this city passed away Tuesday night, having been ill only a short time. Funeral services will be held at the residence tomorrow.

There is considerable sickness in this city at the present time, especially among the little folks. Mr. and Mrs. Nympha Larson of this city have a very sick child at their home.

SANTAQUIN.
August Lindholm, Another Aged Citizen, Passes Away—Spring Weather.

Special Correspondence.
Santaquin, Utah, March 10, 1904.—This afternoon the remains of Elder August Lindholm, an old and respected citizen of this ward, were laid to rest in the cemetery. This place, founded by his aged wife, his son and a host of friends. The deceased was born in Westmansland, Sweden, on the 2nd of April, 1826.

In 1844 he landed here, where his home he emigrated from Stockholm, Sweden, on the 17th of July, 1865, became a member of the Church of Jesus Christ of Latter-day Saints in July, 1866, in one of the eastern stakes. As he was passing through Santaquin, he was settled in this town in 1869, where he has resided ever since. He was regarded as an honest man, and was a member of the high priests quorum in the Nebo stake of Zion.

"SUNSHINE AND SHADOW."
We are having the ever changeable weather of this day. We have a snow, another rain, with a little sun, shine mixed in, but most all the time it is too muddy to get on to the farms, and the farmers are beginning to feel they would rather have a little sun, with out any misgivings, but it is said that things come to those who wait, and maybe it will, if while waiting we also keep on digging.

HYRUM.
THE FINAL CALL MADE.

David Benson, a Well Known Citizen, Dies—Funeral Services.

Special Correspondence.
Hyrum, Cache Co., March 10.—On the 8th inst, David Benson responded to the final summons from pneumonia and old age. The deceased was born June 4, 1832, at Rockville, Jackson county, Ind.; baptized June 1, 1853, by Solomon Hancock; united with the general body of the Saints at Jackson county, Mo., in 1852, and passed through all the mobbing and drivings of the latter part of the 1850s, which place he left for Utah in 1852, and located at Springville, where he took active part in the Indian war. In 1854 he landed here, where his home has been since; his wife died some 12 years ago, and she with five children, will greet him over yonder, while three sisters, one brother, four children and a host of grand children greet his departure. In 1846 he was ordained a Seventy by O. P. Rockwood and at his death held the office of a High Priest and was a consistent and devout Latter-day Saint. Funeral services over the remains were held at the stake building yesterday, where appropriate remarks were made by President Parkman, Elders J. Unsworth, C. C. Shaw, A. A. Allen and Geo. C. Allen.

HUNTINGTON.
THE CITIZENS IMPOSED ON.

Rules Promulgated by the Government Ignored—How Reserve is Unreserved.

Special Correspondence.
Huntington, March 10.—It seems that the Sanpete sheep and cattle owners are imposing on their neighbors, at least in this locality. The number of sheep asked to be permitted to go on the reserve, viz., 547,852 (more have been asked for since those figures were obtained), include the expected increase in lambing at the department had and that a lamb is a sheep, so that sheep-men have asked for permits for thousands of sheep more than they own, and the cause is that they expect to double their flock with lambs. The figures and allotments given on our petition are official, direct from Washington, and they show a discrimination against the gentry that causes distrust, falling fair, and finally baldness, so that with the cause gone the effect cannot remain. Stops falling hair at once and a new growth starts. Sold by leading druggists. Send line in stamps for sample to The Herpicide Co., Detroit, Mich. Z. C. M. I. Drug Co., Special Agents.

GOT HIS HAIR BACK.
Was Perfectly Bald When He Started to Use Newbald's Herpicide.

Frederick Manuelli, Maryland block, Butte, Mont., bought a bottle of Newbald's Herpicide, April 28, '93, and began to use it for entire baldness. The hair follicles in his scalp were not dead and in 20 days he had hair all over his head. On July 2 he writes, and today my hair is as thick and luxuriant as any one could wish. Newbald's Herpicide works on an old principle and with a new discovery—destroy the cause and you remove the effect. Herpicide destroys the germ that causes the hair falling fair, and finally baldness, so that with the cause gone the effect cannot remain. Stops falling hair at once and a new growth starts. Sold by leading druggists. Send line in stamps for sample to The Herpicide Co., Detroit, Mich. Z. C. M. I. Drug Co., Special Agents.

LEWISVILLE, IDAHO.
Byron Warner Called Hence—A Noble Character.

Special Correspondence.
Lewisville, Utah, March 11.—Among the many that were called upon to eulogize the noble character of Byron Warner, who died at Lewisville, Ida., Feb. 13, 1904, Mr. Warner was born in Chaudron county, New York, Feb. 1, 1833. He remembers the Prophet Joseph Smith, and was a partaker in many of the bitter persecutions that were waged against the Saints in and around the Gospel's birth place.

After immigrating to Utah he was called upon by President Young in 1866 to return to the Missouri river with an ox team to help an immigrant train out to Utah; then again in '98 was called to go to Laramie City for the same purpose.

In Fillmore, Millard Co., he served as sheriff for two or three terms and those who knew Mr. Warner best have only words of praise to load upon his unblemished character, therefore those many monuments of good deeds shall ever stand as a lasting memorial to his noble life, and his name for good shall ever remain written on the tablets of memory by those who knew and loved him.
