Lights-Sports of All Kinds-Interesting Program Carried Out.

Independence day was celebrated in a most enthusiastic manner by the cluzens of Sandy and the immediate vicinity, the scene of the gathering being at Alsop's grove. Trains brought in large crowds from nearby towns and from Salt Lake, the Manufacturing and Merchants' association joining the people of the south end of the county in the event of the day, and the roads inevery direction were thronged with vehicles of every kind and description. The day was one long to be remembered by the people who participated, and the exercises were of the old time order, just the kind that old and young enjoy

Sandy has just installed an electric lighting system, and in the evening the town was ablaze with various hued lights, which, with the spiendid display of bunting and the Stars and Stripes inst floated so numerously, made the stene a delightful one to look upon.

During the day there were sports of all kinds, with races and baseball. About midday an interesting program was carried out. Col. George B. Squires was crater of the day, and he delivered one of his characteristic stirring speeches, replete with sentiments of pa-triotism and devotion to the flag, and the colonel struck a responsive chord in the hearts of the hundreds of people who met to listen to him. The remainder of the program was as follows:

"WILL" OTTINGER AT REST. Functal of Young Photographer Held Yesterday From Twentieth Ward.

The mortal remains of William M. Ottinger were laid to rest in the city cemelery yesterday afternoon, after funeral services held in the Twentleth ward annex, commencing at 2 o'clock. Many friends met with the relatives of the deceased to pay a tribute of respect

to his memory. William Russell, as soloists, and the ward choir furnished music for the occasion, and many beautiful flowers and floral emblems were laid upon the bier. Bishop James Weatherspoon, William Salmon, Jr., and Charles J. Ross of Ogden, and John F. Bennett, B. F. Nes-

len and Bishop George Romney of this city, spoke words appropriate to the occasion. Elders George F. Gibbs and Joseph F. Simmons offered the opening and closing prayers, respectively, and the grave was dedicated by Levi W. Richards.

Will^o Ottinger had many noble traits of character, and a host of warm friends, and they sympathize deeply with the wife and child and numerous relatives who mourn the death of their loved one at a time when his life and prospects were more promising than ever before,

Foley's Honey and Tar has cured many cases of asthma that were considered hopeless Mrs. Adolph Buesing, 701 West Third St. Davenport, lowa, writes: "A severe cold contracted twelve years ago was neglected until it finally grew into asthma.
