

seemed to be filled with the power of the Holy Spirit. At the opening of the Conference I requested that the prayer of faith should ascend on high that the Spirit of the Almighty might dictate and control those who spoke, that we might be edified by the power of the Almighty. Our prayer has been heard, and we can now go away from this Conference to the different parts of the Territory, or to our several missions abroad, wherever we are called, with a united faith and confidence that we shall be better men, and that we shall more truly and faithfully perform our duties than we have done before.

The blessings of Israel's God be upon you all, and may we all be faithful in the performance of our several duties, exercising faith before God to deliver us from our enemies, and cause that the Lamanites may be peaceable in our midst; for I will assure you, brethren, that if you want the Lamanites to be peaceable towards you, you must cultivate peaceable feelings in your hearts towards them, and never desire to shed their blood.

The peace of God be upon you all, in the name of Jesus, Amen.
