

EVENING NEWS.

Thursday, April 29, 1899.

LOCAL AND OTHER MATTERS.

Priesthood Meeting.—There will be a meeting of the Priesthood of this Stake at 11 o'clock on Saturday morning, May 1st, in the Salt Lake Assembly Hall.

High Council.—The members of the High Council are requested to meet at the Council House on Wednesday evening, May 2nd, at 7 o'clock sharp.

An Insane Inducement.—A wag in Provo says that the capital of Utah County is the best place for the insane asylum, inasmuch as a fish diet is considered good for the brain, and the canyon streams down there are "alive with the fishy tribe." Now, Bear Lake, in your place and swamp us all together.

Fined for Burglary.—Case Continued.—Nephew Vaughan, the fellow who stole the pistol from Day & Co.'s window, yesterday morning, was examined in the afternoon, before Justice Pyper and fined \$50, which he will liquidate by working on the public streets.

Quick Voyage.—Samuel Roskelly and party of 33 missionaries, who left here on the 13th inst., and embarked from New York on the 20th, arrived in Liverpool this morning. The steamship *Arizona*, having made the ocean passage in 7 days and 22 hours. This is what might be called a quick voyage. The fastest transatlantic time on record, is 7 days, 8 hours and 5 minutes, made by this same vessel, the *Arizona* of the Union Line.

Completed the Tour.—The evangelists returned last evening from Utah County, having finished their tour in quest of a site for the Territorial retreat for the insane. They were shown several fine localities in our sister county south, and were offered good inducements to locate the institution there. An adjournment has been taken by the board, until the first day of June, by which time, it is expected they will have arrived at a decision respecting the most desirable place for the asylum to be erected.

From the North.—We had a pleasant call this morning from Brother Robert S. Spence, of Lake Town, Bear Lake, who is at present practicing law at that thriving town. He is also the clerk of the Bear Lake Stake, and is well known as an able correspondent to several newspapers, over the euphonious and delectable of "G. R. Spence, his mark." He is in town on business and pleasure combined, and will return north tomorrow. Glad to have made his acquaintance.

The Last Appeal.—The watermaster makes one more appeal to the property owners of the city, in regard to cleaning out the ditches in front of their premises, so that the water may be turned in for irrigation purposes. The late ordinance places this incumbent upon every citizen who owns real estate within the corporate limits. The watermaster has been very lenient so far, as he does not desire to bring anyone into trouble, but the accomplishment of his duty will compel him to use stronger measures, if citizens will not heed a kindly notification intended for their benefit.

Another Fire.—About 1 o'clock this morning, the alarm of fire was sounded from the City Hall, and the brigade summoned to the scene of the supposed conflagration, on Main St., nearly opposite the *Herald* office. It was then discovered that it was only an industrious baker making bread with the moon shone, and the smoke of his furnace was what originated the alarm of fire. Of course the firemen were delighted, as it is usual in such cases, at being roused from slumber at such an hour, to see a baker make bread. Courage, boys; such things can't always last.

Another Happy Match.—This morning the ceremony was performed which wedded for time and eternity two more estimable young people of our community. The bride was Miss Sarah E. Brown, daughter of Elder John H. Brown, one of the 7th Ward bishop's counselors, and the bridegroom Mr. William A. Needham, a son of Elder James Needham of the 7th Ward, and an employee at the popular establishment of Mr. S. P. Teasdel. The wedding rites were solemnized at the Endowment House, Elder Joseph F. Smith officiating. In common with a host of friends, we present our earnest congratulations to the young and happy couple, bid them a fair and prosperous voyage over the sea of time, and a safe anchorage in the heavenly port beyond.

The Verdict.—The inquest held at Mill Creek, yesterday, over the body of Carlos N. Gillett, found dead there that morning, was to the effect that the deceased came to his death by his own hand. A knife was found near the body covered with blood, which he had no doubt used to inflict the wound in his neck, from which he bled to death.

The supposition is that the unfortunate man, started for home in Rockport, for which purpose he would have to traverse Parley's Canyon, lost his way, and finding himself caught out in the storm, with all his troubles crowding upon him, was induced to end his own life. His wife and children have been sent for, and are expected in this evening. The body is at the residence of the mother of the deceased, in the 9th ward, where the funeral will probably be held tomorrow. We deeply sympathize with the friends and relatives in their bereavement.

Birthday Party.—Last Monday evening, a very pleasant, and long to be remembered entertainment was provided for our venerable and estimable sister, Emma Toone, President of the Primary Association of the 20th Ward, by the brothers and sisters, who met in a social party at her residence, the occasion being her 61st birthday. A feast of the season's luxuries was spread out in elegant style by Sisters Mary Lauff and E. Willes, aided by others, and was much enjoyed by all present.

At the Commencement.—Elder Wm. Willes presented to Sister Toone, in the name of the company, an original autograph in manuscript, beautifully adorned with wreaths and flowers, framed and glazed, the verses suggesting the leading features of her useful and praiseworthy efforts in behalf of the young. After an expression of gratitude from Sister Toone, at being thus kindly remembered by her friends, the remainder of the evening was spent in singing, dancing, and other amusements, conducted by Elder G. Lauff, until the hour of midnight, when the company separated, wishing Sister Toone many happy returns of the day.

A Genuine Surprise.—Bishop Thomas Taylor, on entering the 14th Ward Assembly Rooms last evening, found a large assembly of the Saints who had met, as he supposed, to receive the president of the Y. M. M. I. Association, but, glancing towards the hall, his eyes met the motto, "God Bless our Bishop," which at once revealed to him the secret of the occasion. The party immediately commenced, and after an opening song, a large and beautiful silver vase was presented to Bishop Taylor, as a token of the love and esteem in which he was cherished by the Saints of his Ward. He briefly replied, after which the company present partook of a feast prepared for the occasion.

President John Taylor and Elder Wilford Woodruff of the Twelve, who were present, then addressed the assembly, expressing their regard for, and appreciation of Brother Taylor's efficient labors as bishop of the ward, as well as in other places. Afterwards the benches were removed from the hall, and dancing was the order of the evening, interspersed with appropriate songs furnished by the choir. The object of the meeting was accomplished, the evening very pleasantly spent, and the hearty "amen" followed the remarks of Pres. Taylor, wherein he said, "God bless you, Bishop Taylor," truly evincing the appreciation of the Saints of the 14th Ward for their worthy bishop.

Silk Meeting.—By request we will give the following from the *Enquirer* of the 28th:

"A meeting of the officers of the Silk Association of Utah Stake was held at President Smoot's residence on Friday evening last. It was recommended that, in consequence of the Quarterly Conference not falling place until the end of May, Brother Givens give information to all those interested of what should be done, as the time is now drawing high for the manipulation of the silk worms for the season."

First—Those needing eggs should immediately procure them before the warm weather sets in and keep them in a cellar or other cool place where the thermometer does not range above 55°, but to do so gradually, so as not to precipitate them too suddenly from cold to heat, and not before the eggs have begun to put forth their heads and the atmosphere has settled. When they begin to hatch out the air of the room should not be less than 65° to 67°.

My treatise on sericulture will be ready in a few days, from which useful information on that subject can be obtained; 40 pages, and price 25 cents. A few eggs left, for sale, at 14 per ounce.

There is a prospect of a good remuneration being given this year for all the cocoons that may be raised. The price will be from \$1.50 to \$2.00 per pound, given by the Silk Manufacturing Company in Salt Lake City.

"Enquirer" Notes.—Rufus Taylor, the young man who accidentally shot himself in the head and who has been living in a grove and under Dr. Pike's treatment for three months, has returned to his home in just County, yesterday morning. On Saturday morning last the examination of V. L. Thomas, charged with an assault with a deadly weapon on Dr. McCarahan, took place before Justice Booth. The evidence presented agreed precisely with the statement of Mr. Norman Taylor to the effect that the deceased was bound over in the sum of \$500 to await the action of the grand jury. The members of the American Folk Dramatic Association and choir gave a variety of entertainments at the meeting house on Friday and Saturday evenings last, the object being to assist Brother William Webb who had been called to go on a mission to the Sandwich Islands. The Saturday night's performance a few of those who took part in the proceedings, with a number of Sunday School children, and a large number of the residents of the ward, presented a play with \$157.15, the result of the entertainment, and donations from a few friends.

The Stabbing Case.—The examination of George Channing, charged with stabbing F. H. Freeman at the house of the latter in the 10th Ward last Monday night, is proceeding in the police court this afternoon. The defense is represented by Messrs. W. W. Wells and F. Hoffman. Judge Z. Snow is conducting the prosecution.

The Parker Murder.—Tuesday evening we published a special from Toquerville, Kane County, which announced that an atrocious murder had been committed near Springdale in that county. Mary Parker, an old lady aged 82 years having been enticed away from her home the Friday before and found on Monday, with her throat cut, a mile or two from home. It also said that a young man named Dalton, against whom there was strong circumstantial evidence, was suspected of the crime, and would be examined that same day. Another special which arrived last night, states that the investigation in the case closed last evening, and that Jared Dalton, of Rockville, was committed to the county jail to await the action of the grand jury.

The following was received from the telegraph office at half past 2 o'clock this afternoon:

TOQUERVILLE, April 29, 1899.
Editors Deseret News:

Mary E. Parker, when found, had a cut on the nose and two cuts in the forehead. The back of her head was crushed, and she had other evidences of a cruel death.

At 3.35 p. m. the following came over the wires:

TOQUERVILLE, April 29, 1899.
On the day of the murder of Mary Parker, the deceased was in Rockville, and being told by the prisoner (Dalton) that her son had come home, started to visit him. The prisoner was seen with her, and the horses tracks and man's tracks at the scene of the murder, correspond with his and his horses' tracks. Her son has not been seen by anyone. No cause assigned for the deed.
