It is said that a minister in a county kirk in Scotland stopped in the course of his sermon to ask a member who was deat: "Are ye hearing John?" "Oh, aye" was the response, "I am hearing, but to ver-ra little purpose."

A Sacramento girl was guilty of a mean trick the other day, the relation of which will cause the blood of every mother in the land to curdle with horror. She eloped with her objectionable lover the same day her mother was enameled, and, as the latter was compelled to remain shut up three days or else crack all over, the couple managed to get away without pursuit.
