EXECUTIVE CLEMENCY DENIED

State Board of Pardons Passes Upon a Number of Applications.

No Pardon was Granted. However, Two are Released, as Also are Two.

The State Board of pardons, Governor White presiding, held its regular monthly meeting today. A number of applications for executive clemency were passed, many of which were acted upon favorably.

The application for pardon of Youth Douce, convicted at Provo in 1902 of murder in the second degree, and sentenced to six months' imprisonment, was the first to receive attention. Pardon was denied. Douce, about a man named Stephens, from the effects of which the latter died. The affair occurred at a small point near the Nevada line in southern Utah, the trouble occurring over a disputed title to water.

Thomas Lewis, sentenced in September, 1904, to two years for grand larceny, Provo, during which he escaped from the prison that institution, was considered at a small point near the Nevada line in southern Utah, the trouble occurring over a disputed title to water.

There was a good attendance assembled at the congregational church last evening to listen to the discussion of the question of the proposed Utah State Constitution. The speaker was Mr. J. W. Cannon, president of the Utah State Bar Association.

Garfield Wins. There was a good attendance assembled at the congregational church last evening to listen to the discussion of the question of the proposed Utah State Constitution. The speaker was Mr. J. W. Cannon, president of the Utah State Bar Association.

Work of King and Cliff. Congressman King and Cliff, Mormon, did good work at the latter's office in Cuba, and now another Mormon, in the interest of Senator Cannon, has been equally successful in a tour through Hawaii.

Utah Man's Opinion. In the Denver Field and Farm 11, W. H. Haight of Farmington, Utah, says: "The money for stockmen in the future will be made by continuing farming and stockraising. This combination will have to take place in time, as the cowboys are being so universally cut up in this section of the United States."

Sheep in Excellent Condition. Brigham City News: From Orson Hudson we learn that sheep ranged in the western part of the county have never done better than the past winter. The losses have been very slight. He does not anticipate that the present snow storm will do any damage as it is not probable that much snow will fall out there, and the lambs are well and prospering for some time yet. Mr. Hudson's sheep are ranging toward the north end of Salt Lake and he expects to get out soon to take charge of them.
