WEATHER ITEM.—The highest point reached by the thermometer to-day was 34.

LOCAL AND OTHER MATTERS.

THEATRE.—Mr. McWade appeared in his specialty of Rip Van Winkle again last night. His assumption of the character is excellent, well worth seeing more than once. It is not boisterous, nor vigorous, is more of a subdued tone, as one might expect from such a henpecked husband as Rip is written. But the part is full of mild humor of the quaintest kind, merging into the tenderest pathos on occasions such as his last "shworing off" at home, his farewell on being driven out, and many other instances. The tenderest scene—the mutual recognition of father and daughter, were especially good and affecting to a high degree. A little more vigor in action and a louder tone of voice would doubtless enhance the appreciation of Mr. McWade's representation by the major part of the audience. As for us, we were very well satisfied with him. The role, as delineated by him, is full of quiet beauties, and abundantly repays a visit to the temple of the drama. To-night Mr. McWade takes his farewell benedt, and he should have a good house.

THE MASS MEETING POSTPONED.—Owing to the unfavorable state of the weather, the committee have resolved to postpone the adjourned Mass Meeting, in regard to the Chicago Fire, which was to have been held this evening before the Salt Lake House. The meeting may be held to-morrow evening if the weather be propitious, but due notice will be given of the time which shall be finally appointed.

It is a pleasure to learn, as we do from a member of the committee, that the call for subscriptions was being liberally responded to to-day by the citizens.

THE ABEL LOOM.—We understand that President Young is in negotiation with Mr. Clark, representative of the firm which manufacture the Abel Loom, for the right for this Territory.

THERE YOU ARE AGAIN.—The San Francisco Medical Society have been discussing that fruitful topic, the "social evil," and they have unanimously adopted the following resolution—

Resolved, as the sense of this society, that all laws which license, and therefore sanction, prostitution, with the design of restraining disease or licentiousness, are unsound in principle, derogatory to private and public morals, and incapable of accomplishing what they attempt.

That is what we have said all the time. The idea of licensing the most awful crimes, morally and often physically speaking, is so instinctively repulsive to every virtuous mind that it is always a wonder to such how men can ever be brought to agree to it, to suggest it, or even to think of it for one moment. Only a wicked and adulterous generation ever would think of it. Utah has no "social evil," never had any, only such as is imported from afar, and that against the heartfelt, well-known, and emphatically expressed sentiments of the community. There has been much interest excited in a number of cities of late, but there does not appear to be much progress made towards abolishing the evil. We could give an infallible recipe for the cure of the evil, and we will if anybody wishes it.

SNOW STORM.—At Alta, 2:50 p.m., a fierce snow storm was raging, having commenced at 2 a.m. Snow sixteen inches deep on the level. All out-door work suspended for the present.

Minutes of Committee Meeting.

The following minutes of a meeting of the committee appointed by the Mass Meeting yesterday, have been handed in for publication:

SALT LAKE CITY, Oct. 11, 1871.

The committee appointed by the mass meeting to-day, to solicit donations on behalf of the suffering people of Chicago, held their first meeting at five o'clock this evening, at the office of Messrs. Fitch & Mann.

On motion, Warren Hussey, Esq., was elected Chairman and John T. Caine, Secretary.

On motion it was

Resolved, That a mass meeting be held in front of the Salt Lake House, on Thursday evening, Oct. 12th, at 7 o'clock, for the purpose of more fully considering the destitute condition of the suffering people of Chicago, when subscription lists will be opened and donations received.

Resolved, that several prominent citizens be invited to address the meeting, and the Camp Douglas military band, Captain Croxall's brass band, Captain Croft's Tenth Ward band and Captain Beazley's martial band be invited to lend their assistance on the occasion.

On motion the following gentlemen were respectfully requested to act as committees in their respective districts, to adopt such measures as they may deem best to carry out the object of rendering prompt assistance to the sufferers, to receive donations and forward the same to Warren Hussey, Esq., the chairman of the committee: Captain Lloyd Rawlings, Bingham; Charles Read, Esq., of Clasby & Read, Little Cottonwood; W. T. Barbee, Esq., Ophir; C. E. Nichols, Homansville; and W. W. Rocktill, Esq., Diamond City, Tintic.

On motion the secretary was requested to notify these gentlemen of their appointments, and to furnish the proceedings of the meeting to the daily papers for publication.

On motion the committee adjourned, to meet at the office of Fitch & Mann on Thursday morning, at 10 o'clock, when arrangements will be immediately entered upon for personally soliciting donations from the principal business houses and the citizens generally during the day.

JOHN T. CAINE,
Secretary of Committee.

Thursday morning.

According to the arrangement of last evening a meeting of the committe was held this morning. The principal items of business transacted were the dividing of the City into four districts and appointing two of the committee to each district to solicit subscriptions—the canvassing to be done to-day. The appointments were as follows: North-east portion of the city, Col. D. E. Buell and John T. Caine, Esq.; south-east, Hon. Wm. Jennings and Warren H. Hussey, Esq.; north-west, Hon. S. A. Mann and Theo. McKean, Esq.; south-west, Sharp Walker and Wm. Calder, Esqrs.

Owing to the doubtful state of the weather, it was arranged that it be left until afternoon before deciding whether the proposed MASS MEETING be held in front of the Salt Lake House to-night, and that the evening papers be notified in time to publish the decision of the committee in the matter.

A HANDSOME SLAB.—Mr. George Chandler, the well-known butcher, has lately imported, from California, a handsome marble slab, weighing 600 pounds. It is beautifully polished and makes an excellent top for the front counter of George's stall. The other fittings of the stall are correspondingly tasteful.

PROF. BENJ. SILLIMAN, there is a dispatch for you at the office of the W. U. T.

RAIN.—There was considerable rain, with an occasional sprinkling of hail, last night, which continued with intermissions more or less during to-day. In consequence, mud is not difficult to find on the streets.

OGDEN ITEMS.—The following are from the *Junction* of yesterday:

"The 'Star of the West,' tin mine, three miles east of this city, has been bonded to Gov. Woods, A. C. Gould & Son and Dr. Graf, for $101,500, which is a small sum for it, the richness and extent of the mine being well substantiated. $1,500 has been paid down. There are more like it."

"On Monday evening last, a boy 12 years of age, named Thornton, was standing on the platform of a U. C. R. R. car, while the train was switching at Farmington, and by a sudden jerk was thrown between the cars, his leg was badly hurt, but no bones were broken."

CURTIS MODELS—PRICES REDUCED TO MEET THE TIMES!—The merits of this system for Cutting all kinds of garments worn by Ladies, Gentlemen and Children are known by scores of ladies in this City and Territory; but the sure way is to prove it for one's self which may be done without charge. This system removes all anxiety regarding the FIT of garments, as all its directions are absolutely positive. There will be no slipping—no taking upon or letting out, which not only injures the material but destroys the proportions and often ruins the garment. The system is very simple and can be learned in a few hours.
