New York, 4.—Specie shipped for

the week \$381,919.

Albany special notice the arrival of

a large crowd of telegraph and

skaters. It is understood that the

message of Gov. Dix, also that of Mayor

Havemeyer, were a reduction in the

number of commissioners, of the salaries

of commissioners, and other im-

portant economical matters. The

message of the Mayor's message recom-

mends a change in the city govern-

ment so as to render the chief magis-

trate the responsible head of all the de-

partments. The message adverts to the

municipal revolution and the bene-

fit it had conferred on the city in the

case of reform. It is also said that

Havemeyer avows his intention to ad-

minister his office in the interest of

the whole people of the city, and not

for the benefit of any class or party.

The sheriff at the court of Gov. and

Terminer to-day brutally assaulted a

reporter who sought admission to the

court to witness Stokes' trial.

WASHINGTON.—The President to-

day pardoned David B. Bannan and Cal-

ifornia Humboldt, both of whom were

convicted of murder in the case of

Albany penitentiary for Ku-

kluxing.

PHILADELPHIA.—The case of Cath-

erine C. Taylor, city editor of Forney's

Press, convicted of libel, has been pos-

toponed till Friday next when motion

for a new trial will be argued.

NEW YORK.—Tramways closed his

argument in defense of Stokes at one

o'clock to-day. There was a large

plaque from the audience upon the

court of his address, which was sup-

pressed by the judge.

first degree. Judge Boardman deferred

the trial until Monday.

The satisfaction that the verdict

would be given some time tonight

created much interest in many places

throughout the city. It was hardly ex-

pected, however, that the verdict would

be reached so soon. During the latter

days of the trial some apprehensions

awakened among the friends of the

prisoner at the pertinacity and skill

with which the testimony for the pro-

secution was given. Still the feeling

existed among many that conviction of

murder in the first degree would not be

found, and that if there were no dis-

agreements of the jury the verdict

would be either instant homicide or

manslaughter in the third degree. The

prisoner's counsel will doubtless now

apply for a new trial, as they took

many exceptions in the progress of the

case.

Demand was made upon Henry C.

Byrnes, of the Brooklyn Union to-day

by a lawyer representing the Tribune for

retraction of the alleged libel appearing

in the Tribune which was subse-

quently copied into the Tribune of this

city, concerning the ownership and the

circulation of the Tribune. The Brook-

lyn Union this evening in its editorial

expressed its knowledge of its own and

has none now in relation to the matter

complained of, that its informant ob-

tained his knowledge from hearsay tes-

timony.

Forty deaths from smallpox

during the week. A few and some

smallpox hospital will be finished

within six days on the site of the one

recently burned.

In Senate to-day a bill was offered

to annex to the city of Boston all the

territory now comprised in the limits

of West Roxbury, Brookline, Brighton,

Waterbury, Belmont, Charlestown,

Cambridge, Somerville, Everett, and

Chelsea. It increases the board of al-

dermen and the common council, the

number of wards being 60. The bill

cannot take effect unless accepted by a

majority of all the voters in the several

places.

WASHINGTON.—Private advices from

New Orleans state that there is no fear

of violence or disorder on the day fixed

for the inauguration of the Governor, al-

though each party will go through the cere-

mony of inaugurating its candidate. It is

said that the purpose of the function is

to save the legal point which might

have appeared to be waived by the

omission of the ceremony.

TERRE HAUTE, Ind.—The fine resi-

dence of Hon. Frank Sannan has been

destroyed by fire.

WASHINGTON.—The following ex-

tract from official correspondence be-

tween the German Ambassador Schol-

ten, Secretary of State, Berlin, Jan. 2,

1873, is published, explaining the posi-

tion of the German government in relation

to emigration to this country:

"The German Ambassador says there

was a time when it is Germany had

attained such proportions

numerically that the government found

itself obliged to favor emigration in

every way.
