"By letter from Elder A. Galloway, we learn that he 'visited South Church, and held two excellocal preachers were amongst the number. One of them was bap-tized the following night. The gent young lady, whose demise is other I visited at his house on the meetings at Stockton, the night meeting was well attended by ly enforcing the ordinance against selves very much interested in the doctrines advanced. On the 12th I went to Middlesbro', and held four meetings there. On Sunday even-ing had a few strangers, three or four are on the eve of being baptiz-ed, indeed one was baptized en Sated, indeed one was baptized en Sat-urday night. There is some linter-est manifested in the Gospel by quite a number in this place. I ar-rived in Hartlepool on the 19th, and had a similar meeting, some strang-ers were present; here also I held quite a chat with them afterward. During the last eighteen days amongst the Saints and friends, I have met with a good reception, hence I take great pleasure in my

Correspondence.

SALT LAKE CITY, March 16, 1877.

Editor Deseret News: Every tiller of the soil knows that may be very good for light loamy soil, but for gravelly and rocky land, of which there is much hereland, of which there is much hereabout, experience teaches me that
three tines are plenty, and they not
cramped too closely together, but the
outside tines as far apart as those
are in the four or five tined forks.
One of the best digging forks that I
have had, and I have had many,
was a good five-tined fork, two of
the tines of which I had cut out,
leaving the centre and two outside
tines to dig with. That was an extines to dig with. That was an ex-cellent implement for rocky land, and would have lasted me many

congregation to take a more active part therein than is usual. There is something remarkably inspiring in congregational singing, especially when led by a good choir, and therefore we think it would be beneficial to have that kind of twoman. Early in the coming in the coming of the coming and pleasing to like it is not be spiring in the coming of the

ORGANS

of such instruments!

from which the following is an extract:—
"THE MASON & HAMLIN ORGAN
OO.'S exhibit of Reed Organs and Harmoniums shows instruments of the FIRST RANK
IN THE SEVERAL REQUISITES OF
INSTRUMENTS OF THE CLASS, viz:
Smoothness and equal distribution of tone,
scope of expression, resonance and singing
quality, freedom and quickness in action of
keys and belious, with thoroughness of workmanship, combined with simplicity of action."

(Signed by all the Judges.)
The Mason and Hamlin Organs are thus de clared to rank first, not in one or two respects only, but in the SEVERAL REQUISTITES of such instruments, and they are the Oriy ones assigned this rank. This triumph was not unexpected, for the Mason & Hamlin Cabinet Organs have unformly been awarded the highest honors in competitions in America, there having been scarcely six exceptions in hundreds of competitions. They were awarded highest honors and
