LOCAL AND OTHER MATTERS

* Home Missionaries.-The Home Missionaries of the Stake will meet in the Council House this evening

High Council.-The members of the High Council will meet at halflast six o'clock to-morrow, (Thursday) evening instead of 7 o'clock, the hour to which they adjourned. WILLIAM W. TAYLOR,

At the Theatre. - The members f the City Council, after last night's session, on invitation from the Home Dramatic Club, attended the Theatre in a body to witness the closing performance of "Pique."

Get Tickets.-Reserved seats for the "Banker's Daughter," on New) ear's, may be secured at the Theatre box office, to-morrow morning,at 10 o'clock. Nogextra charge. Get tickets early, before the best seats

Children's Tune Book .- The Tune Book, compiled by Sister Eliza R. Snow, a companion work to the ('hildren's Hymn Book lately published, is now from the press and for -ale at this office, the Exponent office and the office of the Juvenile Instructor. The price is 40 cents.

Firemen's Dress Ball.-The NEWS acknowledges the receipt of an invitation to the Firemen's grand ball. which comes off New Year's Eve, in the Theatre. The boys of the Fire Department appear in uniform and to them only applies the term "dress." The other participants are expected to be dressed, but nothing "fancy" is wanted. A good time may be expected.

Not Always Irreverent. - It is generally supposed that theatrical audiences are irreverent. This may be so, as a rule, but those who take this view should have heard the lery-applaud the scene in the second act of "Pique" last night, attending to family prayers. It was really refreshing to observe how the audience appreciated the religious street, and recommended that favorably and recommended that the Street Supervisor attend to the large on the hair and

Masonic Concert and Ball .- We have received an invitation to attend the grand concert and ball, to be given in the Theatre to-morrow (Thursday) evening, under the auspices and for the benefit of the Masonic Library. We are assured by the committee, that it will be the grandest affair of the season, and withal very select. The work of laying the floor and decorating the interior has already commenced and the arrangements will be as complete as the design is extensive. The best of music will be in attendance. The fine programme for the concert may be seen in another column. Read it.

Second Performance.-We have before us the programme for the second performance of the Scandinavian Dramatic Association, which will be given on New Year's night in the 12th Ward Meeting house. The dramatic part of the entertainment consists of two pieces, both home productions. Mr. John C Sauberg, who seems to be one of the leading spirits of the enterprise, is the author of the opening play, one of four acts entitled" Nytaarsrevnen for 1880," which from the cast we would suppose to be not only very amusing but full of local hits. A song by Agnes. Olsen will follow the play, after which a farce in one act "Skandinaverne i Amerika" will be presented to conclude the evening's performance. It will begin at So'clock.

Utah Eastern.-Bishop R. T. Burton returned on Saturday from a month's absence at the Park where the went to lend the influence of his presence and efforts towards the building of the Utah Eastern, which is now completed to Park City. Coal in sufficient quantities to supply all present demands is being delivered at Park City and Kimball's. The weather has been very cold out there, the month of November having been more severe than any previous November known. The men on the railroad worked faithfully, day and night, to put the track through and have succeeded. Several of the boys were pretty severely frozen, but worked like heroes nevertheless. There has probably been no other railroading done in Utah, and accomplished so successfully, where such arduous labor has been performed.

popularity of "Pique" was well sttested, and a high compliment paid to the Home Dramatic Club, last evening, by the presence of a good-sized audience, including numbers who had witnessed the play before, but had braved the inauspicious state of the weather for the purpose of attending its fourth and last presentation. The play passed off smoothly, as usual, and nothing noticeable happened to marits success. Some of the performers played better than ever—of these Mr. Le Clair when the junior partner saw him Some of the performers played better than ever—of these Mr. Le Clair should be noticed for his marked improvement—while all of the others sustained themselves at their former creditable standard. The black dress worn by Miss Colebrook, agreeable to suggestion, improved her appearance in the last act, which was really played better than at any of the previous times. "Pique" has been an unqualified success from the beginning, and is a fresh laurel in the wreath of the Home Dramatic Club.

CITY COUNCIL.

Proceedings at the City Council on Tuesday evening, December 28 1880, Mayor Little-presiding:

Wm. Pinney petitioned that a tagnant pool of water near his residence in the Nineteenth Ward be filled up, as the effluvia arising therefrom were not only extremely obnoxious, but likewise very un-healthy to his and neighboring fame ilies. Petition received and super-visor instructed to abate the nuisance by filling up the pond referred to, in the order of business.

C. S. Watson petitioned the Coun cil for a license for a term of six days to sell Erasive Pearl Soap and give presents for the purpose of advertising his business—to sell on the street from a carriage or in a building, as the weather might permit. Petition received and laid on the table, it being considered in contravention to municipal ordinances to

grant the prayer thereof. H. E. Phelps petitioned for the re-turn of eight months' unearned license, unavoidable circumstances having compelled him to close his business on the 17th inst. Referred to the committee on licenses. The Salt Lake Power, Light and Heating Company, by its pre-sident, Mr. G. S. Erb, in pursuthe Council, submitted the draft of a resolution embracing the privileges desired by them in the franchise to

be conferred by the city. The resolution was read and its provisions discussed. Upon consideration it was considered by the Council that the draft presented was incomplete in its provisions and it was ordered that the company be conferred with and their requirements be more

definitely ascertained. A communication was submitted from the managers of the Home Dramatic Club asking the Council to be present at the final performance of "Pique." The communication was received, the invitation ac-

cepted and courtesy acknowledged.
The committee on water works reported that they had examined the quarterly report of the superintend-ent of water works, and found the same correct. They therefore re-commended that the balance\$4,751.-It due the water works' account be appropriated. Adopted. The committee on streets and al-

eys to whom was referred the two petitions of George Q. Cannon and Brigham Young, Trustees of the Estate of Brigham Young, deceased, asking the council to make appropriations in the respective sums of \$300 and \$250 for the purchase of certain land belonging to said estate and now included in Fruit and Garden Streets, reported adversely to audience-even to the topmost gal- the granting of the prayer of said

Coming to Zion.-Brother Tru-

man Frink and wife, of Elyria, Lorain County, Ohio, who have been members of this Church for about nine years, are on the point of emigrating to Utah. They write under date of the 23d inst., that they will probably reach here in the early part of next April. Sister Frink is a sister of Elder John Gleason, of Farmington, and she and her husband visited Utah eight or nine ears ago, and while here joined the Church, They returned home to their farm in Amherst Township, near Elyria, and have endeavored ever since to sell their property and remove to Utah. Until recently they have been unsuccessful in their efforts to dispose of their farm, but at last Providence has answered their prayers in this respect. For years their house has been a home for the elders traveling in Northern Ohio, who have always been welcomed with eagerness and joy beneath that hospitable roof. The writer of this speaks from experience, having been treated with every kindness by Bro. and Sister Frink, during his mission to the States in 1877-3. We are pleased to learn that our friends are coming to Zion, and shall take pleasure in the expectation of soon meeting and taking them by the hand. Their letter states that two of our elders are stopping there just now, viz. William M. Palmer and D. treated with every kindness by Bro viz., William M. Palmer and D.

E. Harris. Also, that guite a number of people in that vicinity are investigating "Mormonism. Sister Margaret Frink, a sister-inlaw of Brother Frink, and the first person baptized by the writer while there in 1877, is also anxious to come to Utah, but has no opportunity at present. She has been desetted by her husband on account of her joining this Church, and, according to our correspondent, he (the husband) writes that if she will "forsake her religion" (calling it very bad names) she can come where he is, She, however, does not consider the inducement of sufficient importance to justify her becoming a traitor to her God, and remains true and faithful to the gospel she has espoused.
We trust that she and others will soon be blessed with the privilege of gathering with the Saints.
