calling their especial attention to the value, the usefulness, and we Literary Association of that Ward. may say the direct profit, of supplying themselves, the present year, with one of the cheaped, as well as the most valuable, Journals issued in this country. It costs hardly half a cent a day, a sum easily saved, while its practical hints and suggestions will be most likely to b ing back that amount many times over. The 500 to 600 beautiful, instructive Engravings, are alone worth many times the cost of the paper. We refer to the American Agricu'turist, so called because started 35 years ago as a Rural Journal, but now enlarged and improved to suit the wants of every family in Country, Village, and City. It is packed full of good things, Each number contains 44 large (double octavo), page, beautifully printed. It has much for instructing and pleasing Housekeepers and Children, and Farmers, Mechanic, Marchanic, useful, reliable, and instructive. with Engravings and particulars as to cost, and the common-sense directions, are worth more than many costly architectural works. Its constant, persistent, fearless exposure of humbugs and swindling schemes, is of great value to the whole country and service out. try and to every individual. In short, it is full of good things for everybody, and we advise everybody to take it this year. It will turned lately from a mission to the he specially valuable in this Cen- East, has presented a small block tennial year. Its circulation, which of encrinital marble, taken from
