Enough to Go Around.

The Salt Palace management found out

last night how many people the big sauc-

crowding. The people expected a great race, and turned out to see it in larger

proportions than at any previous time in

the saucer's history. After filling up the

reserved section they flowed over into the

bleachers that aren't reserved, and half

thronging into the inclosury. Before the

lyn four runs in the first inning today, giving them a victory over Hoston, 4 to 1. The game was interrupted by a small rior which occurred when the police made two arrests for aileged gambling in the first base bleachers. The crowd get our upon the field, and the players left the game to waitch the exertions of the po-lice, who tried to beat off many of the would-be rescurers on the way to the gate. This action on the part of the po-lice is the result of a recent crusade against betting at the local basedull games. Rames.
