H. C. Williams lectured last night in the "New Thought" lecture series on the development of idealism in the hu-man mind. In the course of his re-marks he said that the subjective marks he said that the subjective forms of disease or pain were curable through the imagination, and that the success of the magnetic or religious healers and of Christian Solentists and other operators on the mind, lay solely in their ability to change the keynote of perception from one abnormally af-fected to a different one and that are fected to a different one, and that any-thing that would do this would effect a cure,

abounds with high class specialties that will be given by Pat White, the Ved-mars, Ferguson and Watson, Bisseit and Scott, Adams and Swinburn, Jeanette Martella, Grace Dean and others of equal merit The chorus con-taining thirty singing and dancing girls, culled from the forces of Anna Held and Weber and Fields' compa-nies, will be seen and heard to advan-tage. The scenery and electrical ef-Zion's Savings Bank and Trust Com-pany was organized in 1873; has opened over 43,000 savings accounts, and now opens an average of more than 10 new accounts every day.
