

LOCAL AND OTHER MATTERS.

**THEATRICAL.**—There was a very good house last night to greet the first appearance of Miss Annie Lockhart. The lady has a sweet voice and good figure. She played "Parthenia" with great natural feeling, yet in her scenes with "Ingomar" she manifested a charming piquancy that gave effect to her performance. Her acting was subdued and chaste, yet she showed the possession of force which can be brought out with effect. We have no doubt but she will rapidly grow in favor with our theatre-going public, for she possesses the qualities and experience of a capital actress. Mr. Hardieson, "Ingomar," astonished the audience by his excellent interpretation of the part. He never appeared to better advantage. Mr. Lindsay gave the character of "Polydor" effectively. The rest of the characters were creditably enacted.

This evening Miss Lockhart appears as "Camille," supported by a powerful cast. The part of "Camille" is well calculated to display the abilities of any actress, and will enable us to form a better estimate of her mental than we could seeing her as "Parthenia."

**DIED.**—Sarah Ella, infant daughter of Elder Joseph F. and Sarah Ellen Smith, aged six days, died this morning at 8 o'clock, of spasms. The funeral will take place to-morrow at 2 p. m. from Bro. Smith's residence in the 16th ward.

This morning, at 10 minutes to 11, Mrs. Eliza Ann Showell, formerly Miss Nunn, well known to our public for her musical abilities, died from inflammation of the bowels. She was married March 31st, 1858, to Mr. George Showell. Six weeks and two days ago she was confined of a fine boy. Yesterday week she went out and caught cold, which produced the inflammation that resulted in her death. Her parents embraced the gospel in England, when she was a child, and she was reared in the church. She was true to the principles of truth till her death. The evening before going out she sang her last song, "Scenes that are bright." Her infant boy lives.

The funeral will take place to-morrow at 2 p. m., from her husband's residence in the 7th ward.

**CALLED.**—We had a call to-day from J. M. Carter, Esq., firm of Marshall & Carter, who arrived yesterday afternoon from the west side of the Promontory. The grading is being prosecuted with vigor, and is progressing rapidly. Mr. Carter wishes to engage a hundred men, such as choppers and hewers, and would prefer those who will keep steadily at work, and are not liable to be taken away with mining or similar excitement. He would also like to have contracts for getting out lime. His camp, he says, is pleasantly located, and with no snow near it, and grain can be raised from California, almost as cheap as in this valley.

**POLICE.**—P. W. Fisher was fined \$15 for drunkenness and disturbing the peace.

Pat Sullivan was fined \$12.50 for drunkenness.

Wm. Speckman paid \$5 for being drunk. A couple of gamblers were each fined \$100 for playing their "little game."

SALT LAKE CITY, Feb. 10th, 1899.

**EDITOR NEWS.**—Dear Sir, pure seed peas fetched \$12 per bushel to-day. I have been selling white sugar at 3 lbs. for one dollar for more than a week, although I am not one of the leading merchants. Respectfully,

JOSEPH SILVER.

Mr. Cluff presented an act for the establishment of a Normal School, which was read and referred, and ordered printed. Mr. Murdock presented a petition of Jas. Low and eighty-eight others, citizens of Beaver County, asking the Legislative Assembly to appropriate one thousand dollars to assist in building a bridge across the Beaver river, which was read and referred. A special committee of two were appointed to act in conjunction with a like committee from the Council, to examine all bills, after they are engrossed, to see that they are true copies of the original bills. Messrs. Thurber and Snow were appointed said committee.

The act in relation to Interest was read the second time. The act providing Rules for working mines, involving easements, drainage and other necessary developments, was taken up on its second reading and referred. The act for General Incorporations was read the first time.

F. 18), "An act supplementary to an act entitled 'An act regulating the mode of proceedings in civil cases in the Courts in the Territory of Utah,' and asking the concurrence of the Council. The bills were read the first time and laid on the table to come up in their order.

Mr. Haight presented the financial report of Davis county, which was read and referred to committee on Revenue. Mr. Woodruff, chairman of the committee on Agriculture, etc., to whom was referred (C. F. 3), "An act in relation to the manner of assessing and collecting taxes," reported the same back amended, and recommended its passage be amended.

Council adjourned till 2 p. m.

**HOUSE.**—The petition of Hans Nielsen for relief was read and referred.

The committee on Roads, etc., brought in a substitute bill for the act further defining the duties of the Superintendent of the Salt Lake City and Washup wagon road, which was read and referred.

Said committee on Roads, etc., recommended that \$300 be inserted in the Territorial appropriation bill to be paid the Superintendent of the Salt Lake City and Washup wagon road, as the balance due him for services for the year 1898.

The Council notified the House that Councilors Hyde and E. Snow were appointed to act with the committee of the House on the examination of engrossed bills.

Mr. Young presented a substitute bill, entitled "An act in relation to interest on money," which passed.

House took a recess until 2 p. m.
