XVIII CONGRESS.
SENATE.
WASHINGTON, 6. The following bills
were reported, favorably with amend-
ments, by the committee on foreign relations,
by Miller of California, a bill
to provide for the execution of treaty stipulations
relating to the Chinese.
Bills introduced and referred.
By Logan, to increase the efficiency
of the army.
The Chair (Sherman) laid before the
Senate the unfinished business of yesterday,
being the Mexican and Grant
titles bill. This was debated at great
length, and several amendments were
proposed and rejected.
The amendment offered by Coke was
agreed to after the fourth reading. The
provision in regard to three years
within which claims have to be pre-
sented by all miners, hacendados, and
persons non compos mentis. With-
out action, the Senate went into
executive session and then adjourned.

HOUSE.
This introduced and referred.
By Thomas authorizing the purchase
of naval harbors for disabled seamen.
By Curtin, for the establishment of a
hospital house for disabled seamen in
one of the Western States.
Belmont, from committee on foreign
affairs, reported a resolution to in-
vestigate the President to transmit to the
House copies of all correspondence
between the President and the British
Government respecting fugitives from justice
since December 23rd, 1876, when a
treaty of 1843 had been resumed, and
that the correspondence be accompanied
by the original documents and a copy of
the treaty submitted by either government
to the other since the suspension in
1876. Adopted.
Clement, from the same committee,
reported calling on the secretary of
the Treasury for information as to the
foreign ministers, consuls or
agents of the United States have been
detained from duty since the outbreak of
January, 1882, the length of absence, and
whether their salaries had been paid.
The House went into committee of the
whole, on the bill, on the report of the
committee on the bill.
Latham strongly opposed the bill as
being one of the vast interests of the
country, and that it would be a
disgrace to the United States to have
its name associated with such a bill.
He took a similar position in op-
position to the bill, and that it would
be a disgrace to the United States to have
its name associated with such a bill.
He took a similar position in op-
position to the bill, and that it would
be a disgrace to the United States to have
its name associated with such a bill.
