the course of his remarks, said that during the eight months he had been here he had met with nothing but cordiality and kindness, and he wisqued to accept the others convicted were sentenced to different terms of imprisonment. The adulteration of food in Russia has sent state legislatures had also paid him the highest honors. He wished to proclaim Ireland's indebtedness to the press of America. He then spoke very highly of John Fitzgerald, president of the Irish National League; and said, in conclusion, he would convey to Ireland the message from the American people that so long as the Iri-h show the spirit of men, so long as they are determined to secure their freedom, so long will they receive the sympathy and support of the American people.

Beeches were also made by Governors Green of New Jersey, Lounsbury of Connecticut, and Biggs of Delaware and ex-Postmaster-General Jumes. Hon. Charles A. Dana and others expressed sympathy for Ireland. Resolutions in favor of Home Rule, denouncing coercion and endorsing Gladstone and Paruell were passed.

Williage Burned.

One of them was deprived of his civil rights and banished to Siberia for life, the others convicted were sentenced to different terms of imprisonment. The adulteration of food in Russia has assumed alarming proportions and is constantly increasing.

Chicago, May 25.—A special to the Daily News from Brunswick, Missouri, says: William Miller saw his wife and John Morgan sitting together in the depot today. Miller had reason to suspect his wife and Morgan, and drawing a revolver fired two shots, one of which pierced the woman's breast. She is mortally wounded. Turning the weapon on Morgan, Miller shot him through the head, killing him.

Miller surrendered himself.

A Fistient Remeasurer.

New York, May 25.—Brokers H. B. Hollins and W. L. Breese came to be the description of the president of the others convicted were sentenced to different terms of imprisonment. The adulteration of food in Russia has assumed alarming proportions and is constantly increasi Harvard Boys of the Freshman Class

WASHINGTON

The Senate Deliberating in Secret the Fisheries Treaty Bill. WASHINGTON, May 25 .- The Senate pent several hours again today in secret session ostensibly discussing the motion of Senator Sherman to preced motion of Senator Sherman to preced to the consideration of the fisheries treaty with open doors, but in reality debating the merits of the treaty itself. Senator Morgan was the principal speaker. The afternoon session is reported to have been remarkably dult as a general thing, but it is said the collection of the senators and Morgan in regard to the things the President is likely to do if the Senate does not ratify the treaty would be read with interest if made public. man, agreed with him that under the Senate resolution appointing the committee, it was only empowered to investigate the workings of the civil service law under the present administration, and could not go back to any previous administration.

D. E. Moore, assistant appraiser and member of Tammany Hall, testified that appraiser McMullen went to Washington to see the secretary of the Washington to see the secretary of the treasury. McMullen told him the secretary of the treasury gave him a list of men to be removed. Although he was told the men were good and COMMITTEE ON FINANCE.

ilst of men to be removed. Aithough he was told the men were good and efficient the secretary

INSISTED ON THEIR REMOVAL.

Witness had a conversation with Assistant Secretary Maynard in February, 1887, in which he told Maynard if he was going to remove men for beplacing of a number of new articles on the free list, but beyond this point, if s expected the sub-comm TREASURY REPORT.

The United States treasurer has paid were removed were competent men.
When asked why he recommended
their removal he said it was because
Secretary Maynard had suggested to
him he should do so. He knew of The United States treasurer has paid \$12,5000,000 during the present month on account of pensions alone. Not-withstanding this fact, the excess of receipts over expenditures during the month is nearly \$7,000,000. The treasury surplus, which fell to \$96,000,000 at one time during the month, has again risen to \$101,000,000.

for their removal. A letter from Fair-childs, netifying McMullen of the removal of Shirrer and three others, and suggesting that he recommend the reinstatement of McElrea, who had been discharged for drunkenness, was read. Witness adopted the suggestion and he was re-appointed. Subsequently Civil Service Commissioner Oberly gave notice that the re-appointment was illegal, as no certificate of eligibility had been given by the civil ANOTHER DEPARTMENT. The conferees on the part of the House of Representatives on O'Neill's bill creating a department of labor, have reached an agreement by accepting the Senate amendments, which were merely formal.

Sheridan's Illness Washington, May 25. - General Sheridan's condition this afterneon is reported to be much better. General Sheridan is a very sick man and his physicians are in constant at-tendance upon him. His trouble is vascular affection of the heart and he vascular affection of the heart and be has had severat aiscoing sinking spells, from which he railied with difficulty, the last one being the most severe of all. The failure of the heart's action has brought him near to death's door several times and the fear is that a recurrence of the trouble may take him away suddenly at any moment. A consultation was held tonight. At its conclusion the following statement, which is concurred in by all the physicians, was given to the press:

which is concurred in by all the physicians, was given to the press:

8:30 p. m.—A consultation was held by Drs. Matthews, Yarrow and O'Reil ly. The patient is sitting up. His voice is strong. He is bright, cheeriul and hopeful. The criema of the legs is diminished. Pulse 110, his normal pulse rate being 106, firm and regular; the heart sounds are iclearer; Respiration 30 and regular. Has had no nausea and has taken sufficient nourishment. Tongue clearer. Condition in general improved since the morning visit.

The house is closed and no fuller information with regard to the patient will be given until tomorrow morning. At 11 o'clock Dr. Yarrow said to a reporter: "I felt quite uneasy this morning about General Sheridan, but when I saw him in the afternoon I noticed a change for the better. He was improved tonight when I left him. He is cheerful, walks up and down his room, and Lifeel assured the danger point has passed. fluence that caused McElrea's reinstatement. Witness said he was a democrat in the third generation of democrats. He said in conclusion that Assistant Secretary Maynard and he had a general conversation about the number of democrats in the appraiser's department. At present from forty to fifty per cent of those in the department are democrats. In 1885 there were no democrats except himself in the department.

They sold their cabins and cattle and gave him their coin and he decamped, but was caught by the negroes, tied to a tree and fatally

WILL SUPPORT ALGER. DETROIT; May 25.—It is stated on excellent authority that Alger's recent visit to Harrisburg was the result of an invitation from Simon Cameron. The veteran republican leader told Alger he had studied his record as a soldier and governor. He thought Alger the man for the Presidency, and would support him to the extent of his sbility.

NEW YORK, May 25—Henry George is to be expelled from the Twenty-third Assembly District Association of the United Labor party.

Democratic.

Washington, May 25.—There has been no little rejoicing among the democrate in Congress over the result of the Harrisburg convention. The endorsement of President Cleveland and tariff reform is hailed as a good owen. Chairman Mills was in an unusually happy mood yesterday morning and rubbed his hands together gleefully. "We are knocking them out," he said, "all along the line. Taik about passing this bill, why it will go to the minth centennary of the conversion of Russia to Christianity, said: "I sincerely wish that this jubile will not be disturbed by warlike events. All my sforts are directed to securing the peace of Russia."

It is reported that at the last meeting of the Slav Benevolent Society at St. Petersburg on Wednesday, at which ter and all the Russian ministers were present, in addition to four thousand persons belonging to the highest class of Russian society, General Richard in the world united under one faith, in the world united under one faith, speaking one tongue and forming one nation.

Confederate Measurement. out," he said, "all along the line. Talk about passing this bill, why it will go through like a breeze and scarcely without an amendment too."

Congressman Randall was the centre of a group of democrata. When approached by your correspondent and asked his opinion on the result of the Harrisburg convention he replied tartly: "Harrisburg don't bother me at all. If I thought for a moment that the convention voted the sentiments of the great body of the democratic voters in Pennsylvania, I should be bothered. But it does not. It does voice, however, the sentiments of the great body of Pennsylvania democratic office holders. Therefore I say Harrisburg don't bother me at all. Having heard from the office holders, wait a bit and hear from the voters on election day." approached by your correspondent and asked his opinion on the result of the One and a half blocks East of Theatre. Telephone No. 10.

ALBANY, May 25.—Dr. Bichard D. Taylon and Albert R. Berbesch.

Hollins and W. L. Breese came to plows this morning on the annex ferry boat. The encounter was slight, but the cause was interesting, dating back to W. K. Vanderbilt's great lesses in the Eric pool in 1884, when Hollins was Vanderbilt's broker and was giv-ing out sure tips to friends, of which Breese was one.

A Horrible Scene. VIROQUA, Wis., May 25 .- Information was received here today of the murder of four persons last night in

murder of four persons last night in the town of Kickapoo. Mr. and Mrs. Reuben Drake, an old couple, were shot dead in their own house by unknown parties, and the throats of their two little grandchildren were cut from ear to ear. Their lifeless bodies were found this morning when the neighbors made an investigation because of the unusual quiet about the house. The old couple lay on the floor and the children were stretched in their beds. Everything was turned upside down in the house, and it is supposed the murder was the result of an attempt at robbery. No clue to the perpetrators. Footbardy Freshies Boston, May 25 .- Frank Mills of

alifornia, a sub-freshman at Harvard College, 18 years old, died tonight Do you want to Buy a Home or Farm? It from the effects of excessive use of oppum smoking. Mills, with two companions, obtained some pipes and on Thursday night indulged in the vice. It is said Mills smoked several pipes full in succession. He was made very ill and died tonight. His two companions are reported as dangerously sick. Their names are not made pub-

FIFTIETH CONGRESS. SENATE.

WASHINGTON, May 25 .- The Senate proceeded to the consideration of the supply the deficiency in the appropriation for the expenses of collecting the revenue from customs.

Allison, having charge of the bill, explained in answer to questions put by Edmunds, the causes of the deficiency. Hejascribed it entirely to the legislation of 1874 repealing the molety system, and said that since then the reseipts from fines, penalties and for ieltures had been constantly falling off, while the expenses of collecting the revenue had been constantly increasing.

Edmunds suggested sarcastically that while there might have been extravagance in the collection of revenue under former administrations, there could not of course have been any under the present administration.

The amendment reported by the committee on appropriations to strike out the clause repealing the law making a permanent annual appropriation of \$5,500,000 for the expense of collecting the revenue from customs, was

of \$5,000,000 for the expense of collecting the revenue from customs, was agreed to.

Other amendments reported were also agreed to, and the bill was passed.

The Senate then proceeded to the consideration of executive business, and when the doors were reopened adjourned till Monday. MOUSE.

WASHINGTON, May 25 .- The House rivate business having been laid side, the House went into committee OH of the whole on the legislative, execuof the whole on the legislative, execu-tive and judicial appropriation bill, which was read by paragraphs for amendments.

The greater part of the afternoon was consumed in a dreary political discussion upon the proposed increase of salary for the House employes and in tedious debates on points of order. No material changes were made in the hill.

McComas (Md.), offered amendment increasing the circical force of the civil service commission. l'ending a vots upon the amendment the committee rose.

On motion of McKenna (California), the Senate bill was passed increasing by \$50,000 the appropriation for the erection of a public building at Sacramento.
The House then took a recess unti

The House at its evening session passed fifty private pension bills and at 10:30 adjourned.

BRIEF TELEGRAMS. Washington dispatch: 1Bond offers, \$47,800. The Treasury accepted \$10,500. Paris dispatch: The Senate commit-tee has approved the Panama canal loan.

Jackson, Ill., dispatch: Information from Tongaloo proves the report of a fiet there to be unfounded. London dispatch: The Quakers, Uni-tarians and Free Christians are now all on record against the Government's Irish policy. London dispatch: The stock-ex-change committee resterday resolved to establish a special department for the registration of American shares.

Marshal, Mo., dispatch: Jacob Boat-right (colored) was sold at auction to-day for a term of six mouths for \$6.50. He had been convicted of vagrancy. The Boston common council has been at a deadlock over the appropriation bill since May 1st, the proposition being to pay \$450,000 for wages of the paving department.

A New York dispatch says: Rev. Dr. Lyman Abbott was tonight elected permanent pastor of the Plymouth Church of Brooklyn and the first regu-lar successor of Henry Ward Beccher. Athens dispatch: A desperate con-fict occurred here today between large parties of Greek and Italian fishermen. Thirty of the participants were wound-ed, and many boats, with a quantity of fishing tackie, were destroyed.

The California first union has begun direct shipments to New York City. The first apricots from Sar Jose appeared yesterday. S eady consignments may now be expected. The opening price was \$5 per box of ten pounds.

Paris dispatch: The Senate today adopted the clauses of the military bill fix ng the duration of service at three years in the active army, six and one-half years in the reserve, six years in the territorial force and nine and one-half years in the territorial reserve. men. Its presentation was unexpected, not having been amounted in the programme. The laying of the corner stone with Masonic ceremonies closed the exercises of the day.

ALBANY, May 25.—Dr. Richard D. Dayton and Albert D. Roraback were sentenced to state prison for two process of the general opinion is the acheme will prove a failure.

ALBANY, May 25.—Dr. Richard D. Dayton and Albert D. Roraback were sentenced to state prison for two process of the general opinion is the acheme will prove a failure.

ALBANY, May 25.—Dr. Richard D. Taylor and Albert D. Roraback were sentenced to state prison for two process of the general opinion is the acheme will prove a failure.

Paris dispatch: The group of the right held a meeting tonight and re-affirmed the necessity of a revision of the constitution and the dissolution of Parliament. It was decided to give a banquet to the members of the party and journalists supporting them on the occasion of the issue of the pronunciamento. A committee was appointed to organize agitation throughout the country in favor of dissolution.

Worth Anowing. Mr. W. H. Morgan, merchant, Lake City, Fia., was taken with a severe Cold, attended with a distressing Cough and running into Consumption in its first stages. He tried many so-called popular cough remedies and steadily grew worse. Was reduced in flesh, had difficulty in breathing and was unable to sleep. Finally tried Dr. King's New Discovery for Consumption and found immediate relief, and after using about a half dozen bottles found himself well and has had no return of the disease. No other remedy can show so grand a record of cures, as Dr. King's New Discovery for Consumption. Guaranteed to do just what is claimed for it.—Trial bottle free at A. C. Smith & Co's Drug Store. (4) Mr. W. H. Morgan, merchant, Lake

Senews Her Youth. Mrs. Phosbe Chesley, Peterson, Clay Co., Iowa, tells the following remarkable story, the truth of which is vouched for by the residents of the town: "I am 73 years old, have been troubled with kidney complaint and lameness for many years; could not dress myself without help. Now I am free from all pain and soreness, and am able to do all my own housework. I owe my thanks to Electric Bitters for naving renewed my youth, and re-moved completely all disease and vain." Try a bottle, 50c. and \$1, at A. IC. Smith & Cle's Drug Stere. (4)
