

## STORM SEWER IS NEXT ON PROGRAM

Scheme for Half a Million Dollar  
Undertaking is Launched  
By City Council.

### ENGINEER PREPARES PLANS

Taxes to be Levied Upon the Property  
Benefitted According to Opinion  
Delivered by City Attorney.

Plans for a "storm sewer" system to cost at least half a million dollars are being considered by the city administration, for the disposal of the mud and rubbish which accumulate to a surprising degree every time a heavy rainstorm floods the northeastern hills. The streets and lawns north and east of Main street are the principal sufferers from the damage wrought by excessive rainfall, especially South Temple and a portion of South street, but the rest of the streets, too, are poorly provided with means for drainage at times of deluge.

The city engineer at its session last evening instructed City Engineer Louis C. Kelsey to prepare plans and estimates of cost for a storm sewer system for this city. The city attorney has given an opinion to the council to the effect that there is sufficient warrant in the city ordinances to authorize the council to proceed with the erection of such a system, raising means to pay for the same by levying taxes upon the "property benefited." To sufficient funds are not to be had in this way, another bond issue is not among the improbabilities.

The city engineer has roughly estimated the cost of such a system to be about half a million dollars. To get out plans for such an undertaking will occupy the engineer's force several months, according to calculations, to install a system would require from one to two years to complete.

**PERSTROM ABSENT.**  
There were five absentees from the council meeting last evening. It had been rather expected that Councilman Perstrom would again take up the matter of brewery-owned saloons at last evening's session, but Perstrom was not present. Other members not answering the roll call were Councilmen Perry, O'Donnell, Stewart and Wood. Had Mr. Perstrom been present the minority would have been in the majority, with unheard of opportunities for accomplishing things.

One of the measures adopted was the reference to the engineering committee of a communication, which stated that the "white bridge" across "an river at Temple street, was in a dangerous condition. The committee will examine the bridge and will report at the next meeting in favor of immediate erection of a new bridge across the river at that point.

### FREE PHONES.

The Rocky Mountain Bell Telephone company informed the council it had been now ready to furnish 50 free phones to the city, called for by the recent ordinance passed by the council regulating the telephone companies in this city. Of the number of phones provided, City Engineer Kelsey was given one, for the trunk line in his office, and the other 49 were to be distributed at the discretion of the council. The council also made a present of a free phone to his residence, for his convenience.

On motion of Councilman Black, the proprietors of the new building being constructed on State street between First and Second South streets, were ordered to construct a walk around the boards which obstructed the sidewalk in front of the building. The chief of police and building inspector are to see that this is done.

### A LUND NOT APPROVED.

The chief of police did not look favorably upon the nomination of A. Lund as special policeman in the neighborhood of Union avenue, as it is customary, according to the chief, to be given the subject to secure the names of all the people in the neighborhood when a special policeman is to be appointed. Lund's appointment is therefore still in statu quo.

Estimates of cost of a street pavement repairing plant were submitted to the council and referred to the finance and street committees.

The matter of placing 12-inch water mains on Fifth East street, from Second to Third South streets, at an estimated cost of \$2,748.11, was postponed for another week.

### WATER FOR PRESIDENT'S GRAVE.

A petition from the Young association for rebate of water rates for service supply at the site of Brigham Young's grave was reported adversely upon by the water committee, but upon motion of Councilman Hall, the matter was held open for another week, on account of the absence from the city of Councilman O'Donnell, chairman of the waterworks committee.

### REBATES IN ORDER.

On motion of Councilman Hall, the property owners who have paid the first assessment on sidewalk extension No. 108, made prior to the completion of arrangements for the improvement, will receive the amount paid into the city treasury back again. The treasurer will make up a list of those who have not yet received their rebate and the same will be approved and the moneys ordered paid by the city auditor.

The petition of Principal Eaton of the High school for the construction of a cross walk at First North and Second West streets was acted upon favorably.

Payrolls aggregating \$12,466.47 for the first two weeks in October were approved by the council.

The Wolf House Moving company was assessed \$25 for damage done to streets and sidewalks in transporting houses, and were required to deposit a bond of \$250 to indemnify the city against further damage before being permitted to move any more buildings.

After being in session just one hour, the table was cleared and the council adjourned.

### SCHOOL STANDS HIGH.

Salt Lake Holds Its Own With Any High Schools in Country.

According to statistics compiled by City Supt. D. H. Christensen, the Salt Lake High school stands high in the ranks of similar schools in the country. Supt. Christensen wrote letters to 75 schools in different parts of the country in regard to the status of their high schools and the number of students to each teacher, and received replies from 41 of the leading schools in the United States. Salt Lake is shown to be fully abreast of the foremost, in fact is only equalled in this respect by a few of the number replying. The average number of pupils to a teacher among these schools is 24, while that of Salt Lake is 21. The schools responding and the figures given by each are as follows:

Spokane, Wash., 30; Helena, Mont., 22; Salem, Mass., 38; Fargo, N. D., 25;

**ROYAL BAKING POWDER**

Why these grapes? Because from the healthful grape comes the chief ingredient of Royal Baking Powder, Royal Grape Cream of Tartar.

Alum-phosphate powders are made with harsh mineral acids and must be avoided.

Pueblo, Colo., 23; Kansas City, Mo., 29 and 22; Lincoln, Neb., 22; Stockton, Cal., 27; Cheyenne, Wyo., 22; Winona, Minn., 27; Pierre, S. D., 22; Madison, Wis., 23; Baton Rouge, La., 21; Hartford, Conn., 21; Baltimore, Md., 21; New Haven, Conn., 20; Washington, D. C., 23; Little Rock, Ark., 22; Springfield, Mass., 22; Atlanta, Ga., 23; Nashville, Tenn., 16; Richmond, Va., 31; Portland, Ore., 30; Detroit, Mich., 23; Guthrie, Okla., 23; Frankfort, Ky., 27; Los Angeles, Cal., 29; Columbia, S. C., 24; Rutland, Vt., 30; Austin, Tex., 32; Des Moines, Ia., 22; Buffalo, N. Y., 26; Denver, Colo., 25; Raleigh, N. C., 28; Newark, N. J., 25; Topeka, Kan., 30; Duluth, Minn., 28; Bangor, Me., 30; Salt Lake City, 21.

Charles Potts enjoyed his breakfast better than ever because his wife served him Folger's Golden Gate Coffee, ground just before using.

## TO CONVEGE AT MANTI

Federation of Women's Clubs Meet in Convention Tomorrow at County Seat of Sangre.

Tomorrow morning at 7:30 o'clock a large number of Salt Lake women leave on the Rio Grande railway for Manti, Mo., to attend the annual convention of the Federation of Women's Clubs. The list to include the delegates from the various local clubs and a number of others. The Women's clubs throughout Utah will send delegates, and alternates. The following is a list of most of them:

Ladies' Literary—Mrs. A. J. Gorham, delegate; Miss Ethel Paul, Mrs. L. M. Bailey, Mrs. G. E. Hancock, Mrs. W. Watson, Mrs. Rachel Miller, Mrs. W. Watson, Mrs. C. Hawhurst, delegate; Mrs. J. J. Thomas, Mrs. DeLoach, Mrs. Oliver, Mrs. McClaury, Mrs. Seaborn.

Woman's League—Mrs. A. T. Moon, Mrs. P. A. Simpkins, Mrs. C. H. McManis, Mrs. A. L. Young, Mrs. G. H. Raybould.

College Club—Mrs. Ballard, delegate; Miss Florence Jennings, Miss Lena Hogue, Miss Helena Chize, Mrs. W. W. Riter, delegate; Mrs. Richard Lyman, Mrs. C. F. Wilcox, Mrs. Crismon.

Bay View Reading—Mrs. Lafayette Hanchett, delegate; Mrs. L. P. Peaslee, Mrs. A. E. Gibson.

Society Club—Mrs. N. P. Owens, delegate; Mrs. J. J. Beless, Mrs. J. J. Beless, Mrs. W. H. Booth, delegate; Mrs. Selden I. Clawson, Mrs. W. W. Riter, delegate; Mrs. J. L. Bowman, Press Club—Mrs. Jensen, delegate; Mrs. J. Q. Crilow, Mrs. Johnson, Monday Night Club—Mrs. A. S. Mar-

## G. A. R. CONVENTION RATES A PROBLEM

Hinted That There is a Hitch in  
Proposed National Encampment Next Year.

### RAILROADS ARE HOLDING OUT

Commander in Chief Nevius Writes to  
The Commercial Club Here  
On the Subject.

The board of governors of the Commercial club met yesterday afternoon and plans were considerably advanced for the 1909 national encampment of the G. A. R., and arrangements were made for the entertainment of Commander in Chief Nevius and his staff. But a letter was read from Gen. Nevius stating that unless satisfactory arrangements could be made with the railroads for excursion rates from all parts of the country, during the encampment, the attendance would be small. In this connection Manager Harris of the club makes the following statement:

"The statement, or rather the suggestion, that Salt Lake City is likely to lose the forty-third encampment of the G. A. R. because of adverse action in the matter of railroad rates is absurd. The encampment will be held here next August, you may depend upon that, and the railroads have not yet been asked to name the rates to be in effect at that time either by the Commercial club or the officials of the G. A. R."

"Some time in the month of December of this year, Commander-in-Chief Nevius and his staff will be the guests of the Commercial club, and at that time they will be given abundant and satisfactory evidence of the ability of the city to care for the guests of the encampment. The attendance will quite naturally depend upon the railroad rates, but what those rates will be cannot be determined until the railroads have been officially consulted."

"That has not been done yet, but assurances already have been received that warrant me in saying that they will be satisfactory when announced. In the meantime the work of preparation as far as the club is concerned is well in hand and Salt Lake City will without question have the distinction of handling one of the most notable reunions in the history of Grand Army events."

### TRIOUBLE WITH RAILROADS.

In this connection, the following dispatch from Ogden is of special interest: "It may be that Utah will not secure the national encampment of the G. A. R. next year, although Salt Lake City was named as the next place for the convention after a hard fight by the delegates from that state."

"William M. Bostaph, chairman of the American party central committee, who was one of the delegates attending the recent G. A. R. encampment in Toledo, O., has received word from a friend at Pittsburgh that trouble is being encountered with the railroads in the matter of arranging rates to Salt Lake. Unless the railroad companies will agree upon a reduction in the regular fare and establish a uniform rate, it is hardly probable that another location for the 1909 encampment more centrally located in the United States will be selected."

The Commercial club will give the visiting G. A. R. officials a banquet on their arrival here in December.

### SCANDINAVIAN MEETINGS.

The Scandinavian meetings in the Salt Lake Stake will be resumed again next week. A meeting will be held in the Fourteenth Ward meetinghouse in the basement, on Thursday, Oct. 29, commencing at 8:30 p. m., and then every Thursday, until the remodeling of the meetinghouse is completed, when the meetings will convene in the main hall, as formerly. Scandinavian services will be held in the Assembly Hall on Sunday, the 29th inst., commencing at 10 o'clock a. m. All interested are cordially invited.

"Respectfully,"

"J. WARREN BELESS,  
Northwestern College of Pharmacy,  
Lake and Dearborn Streets, Chicago, Ill."

### INDIAN TOWED TO PORT.

Wash. a fat Shoshone Indian, was towed to police headquarters with some difficulty by Patrolman Davidson last night. Wash had manifested antagonism to the temperance propaganda and the result was that he became boisterous and slippery as to foot. He will be charged with drunkenness and an effort will be made to find out where he obtained his "brewery."

"Respectfully,"

"J. WARREN BELESS,  
Northwestern College of Pharmacy,  
Lake and Dearborn Streets, Chicago, Ill."

### MAN CRUSHED TO DEATH

Jeff Farris Instantly Killed at Garfield  
By Large Wheel Falling  
On Him.

While working as a steamfitter at the plant of the American Smelting and Refining company, Garfield, Jeff Farris was instantly killed yesterday afternoon. A large wheel, weighing at least 500 pounds, broke from its fastenings and fell upon Farris, striking him in the back and crushing the life out of him. It was but a few minutes before the wheel was lifted by fellowworkmen, but life was extinct.

Farris was 43 years of age and a widower. Some time ago a legal separation took place between himself and wife, and the latter removed to Montana after remarrying. With her she took six of the seven children. The other one, Mrs. William Finley, still residing in this city.

Mr. Farris was a man much respected by his friends and acquaintances. He resided at the home of Mrs. Mary L. Williams, and about a week ago a number of his friends met in a social way to honor his birthday. The remains are at Evans' undertaking establishment awaiting arrangements for the funeral.

### HAD A CLOSE CALL.

Mrs. Ada L. Croom, the widely known proprietor of the Croom Hotel, Vaalinn, Miss., says: "For several months I have suffered with a severe cough, and consumption seemed to have its grip on me, when a friend recommended Dr. King's New Discovery. I began taking it, and three bottles affected a complete cure. The fame of this life-saving cough and cold remedy, and lung and throat healer is world wide. Sold at Z. C. M. I. drug store, 112-114 Main St. 50c and \$1.00. Trial bottle free."

### IS A DEAD LETTER.

Curfew Ordinance is Not Enforced  
Declares the Women's League.

At the Woman's league meeting yesterday the ordinance committee reported that the curfew ordinance is not being enforced, and that a notice, particularly the case of children attending the moving picture shows after 9 o'clock.

Frank B. Stephens addressed the league on the "Des Moines Plan of Civic Government."

Later the reports of the standing committee were given, and a report on the detention home was presented by Mrs. A. T. Moon.

**A HEALTHY FAMILY.**  
"Our whole family has enjoyed good health since we began using Dr. King's New Discovery, three years ago," says L. A. Bartlett, of Rural Route 1, Guilford, Maine. They cleanse and tone the system in a gentle way that does good. Sold at Z. C. M. I. drug store, 112-114 Main St.

### SOCIAL AND PERSONAL.

A great surprise to their many friends was the announcement of the marriage of Miss Georgiada Moore and Bernard Hanson of this city, which took place secretly at Brigham City on June 4. The ceremony was performed by the mayor of that place at noon and the young couple returned to the city in the evening, and immediately announced their marriage to their parents. A consultation was held and the young people advised to keep the affair quiet for at least a year. To this they consented; but in some way intimate friends of the pair learned of the secret, and the news spread to such an extent that it was deemed advisable by the parents of the young people to make the affair public.

The bride is the daughter of Mr. and Mrs. George C. Moore, and a niece of Samuel Newhouse. The groom is the son of Mrs. F. W. Hanson of this city. Both are 19 years of age. On account of their youth and the fact that the groom is about to enter the university, and at present is not able to maintain a household, the announcement has been deferred. The young couple are immensely popular in their set and the affair has occasioned something like a sensation.

Mrs. Seth W. Morrison entertained at a delightful luncheon yesterday at the University club in honor of Mrs. W. C. Hall, the diningroom being beautifully decorated in palms, ferns, pink roses and violets, and the lights shaded in pink. Covers were laid for 17.

Mrs. E. F. Holmes has issued invitations for a large card party for next Tuesday.

Miss Jean Odell was guest of honor at a bridge tea yesterday given by Mrs. W. H. Bird, the decorations being in white and yellow, and about four tables played. Prizes were won by Mrs. W. H. Hunt and Miss Beth Critchlow, and assisting the hostess were Mrs. Porter Sinclair and Misses Marie Odell and Grace Bird.

Mrs. E. L. Oswald entertains at a bridge tea on next Wednesday.

Miss Barbara Kinnerley will be hostess at a luncheon on Friday in honor of Miss Jean Odell and Mrs. W. H. Hunt.

Mrs. H. L. Charles entertains this afternoon at a bridge tea.

Miss Florence Davis has gone to Pocatello as a hospital nurse.
