JOCKEY JARRETT IS SUSPENDED

Deliberately Fouls Horse in Fourth Race and Punishment Quickly Follows—First Event Bad.

There was some crooked work at the race track yesterday afternoon and how the person or persons involved in the raw deal expected to "get away" with it is a mystery. It was so palpable that a child could see it, and as a result of the jobbery Jockey Jarrett was suspended by the judges. The incident was in the fourth race in which there was a field of fast starters. It included Booger Red, Blagg, Fore, Meddling Hannah and Marburg.

Jarrett was riding Booger Red. The race was at five furlongs, and it looked like a cinch for Fore. Fore opened at 3 to 1, and closed at 5 to 1. Blagg opened at 4 to 1, but this lasted only a few minutes as he was immediately made the odds-on favorite. Everybody became suspicious and the judges concluded that Meddling Hannah should have a chance at the money. Thomas was taken down and Peak took the mount.

For four furlongs the horse Fore led all the way and looked like an easy winner, with Booger Red close up. On the turn coming into the stretch Jarrett turned the Brannon horse into Fore crushing that horse against the rail and Sullivan had to pull up to avoid a serious accident. Booger Red was delayed by the foul and Meddling Hannah rushed by and won the race.

The first race was another that had a bad look. Buna, a horse that has twice started and never yet came even close to the money, won the race.

After the fourth race Judge P. P. Pomeroy promptly suspended Jarrett and later Associate Judge Jay Davidson issued the following statement:

STATEMENT OF JUDGES.

"Jockey Jarrett was set down because of his dirty foul of Fore in the turn into the stretch. His foul appeared to be deliberate and inexcusable. His ride of Booger Red in the race was very unsatisfactory, and this in spite of his use of whip and spur in apparently endeavoring to outrun Fore in the stretch after he had lost the race through the delay caused by fouling Fore.

"Jarrett's record at this meet is bad. He has been constantly intoxicated, and this was considered by the judges in his case, although, of course, his suspension was because of his work in the saddle. He was refused permission to accept any mounts other than those of J. H. Brannon, by whom he is employed, because of an unsatisfactory ride on Galvanic early in the meet."

A summary of the events follows:

Buna, 7 to 2, won.

SALT LAKE AND BOISE PLAY TODAY

After Series of Five Games Hammond's Team Returns for Three Weeks On Home Grounds.

One week from today and a big percentage of Salt Lake's citizens will forget all about horse racing, the floods and Pat Moran's contracts, for on that day we will have the Salt Lake ball team back for a three weeks' engagement on the home grounds, and again the fans will be happy.

Today Hammond's team opens a five-day engagement at Boise with the Irrigators and hopes to land a big majority of the games. The team has done fairly well so far but has been somewhat handicapped by Slim Halls' poor condition. The Salt Lakers have out-hit the other teams but bad fielding caused the loss of some games.

The series with Boise will not be a walk-away for Salt Lake as the team has been considerably strengthened since the fans began to say things about Con Strouthers. There are some additions also to the Skyscrapers, and Manager Farnsworth has signed McQuaid, a fast infielder, and an outfielder named Kelly, and who is said to be a good one. Slim Hall's lame arm is improving and it is expected he will be all right by the time the team returns.

FAST GAME OF BALL PLAYED AT DRAPER

Saturday the Z. C. M. I. baseball team journeyed down to Draper and took the measure of the Draperites by a score of 4 to 3, in one of the fastest and most interesting games that has been played in Draper for a long time. Barber, for the "Big Store" team, pitched gilt edge ball and had the boys from Draper guessing all the time; and with the fast, snappy playing of his team mates but six Draper players reached first base; and out of the first 15 men that faced Barber but two reached the infield sack. A feature—and incidentally the only error the Z. C. M. I. boys made, and which netted Draper two runs, occurred in the seventh inning when Barber hit Stokes and the next man up hit to Gunn, who fumbled the ball and then picked it up and tried to knock the flag off the flag pole, and came very near doing it, for before the ball could be recovered both men had scored. The fielding feature of the game was a pretty running catch of a long fly by Brain.

The lineup:

Men past middle life have found comfort and relief in Foley's Kidney Remedy, especially for enlarged prostate gland, which is very common among elderly men. L. E. Morris, Dexter, Ky., writes: "Up to a year ago my father suffered from kidney and bladder trouble and several physicians pronounced it enlargement of the prostate gland and advised an operation. On account of his age we were afraid he could not stand it and I recommended Foley's Kidney Remedy, and the first bottle relieved him, and after taking the second bottle he was no longer troubled with this complaint.—F. PLAYED SUNDAY BALL.

And Then Officials Were Hauled Into Court and Fined.

Atlantic City, N. J., June 7.—Charged with violating an ordinance which prohibits all Sunday amusement, Edward Bader, secretary of the Atlantic City Athletic club, under whose auspices the Philadelphia American league team and the Reading Tri-State leaguers played a baseball game here yesterday, was summoned into police court today and fined $200. Yesterday's game was the first Sunday exhibition of the sort here and was played despite the protests of the Sabbath alliance, the Good Citizens' league and the pastors of different churches. Bader was summoned into court on information made by Chief of Police Woodruff.

A THRILLING RESCUE.

How Bert R. Lean, of Cheny, Wash., was saved from a frightful death is a story to thrill the world. "A hard cold," he writes, "brought on a desperate lung trouble that baffled an expert doctor here. Then I paid $10 to $15 a visit to a lung specialist in Spokane, who did not help me. Then I went to California, but without benefit. At last I used Dr. King's New Discovery, which completely cured me and now I am as well as ever." SAN FRANCISCO SHIPS CARS HERE

Factories Overworked and Some Dealers Can Get No More Until Fall—What Model 17 Did.

Few Salt Lakers realize the immense demand in this city for automobiles, from the $500 runabout to the big $4,500 touring cars. Practically every auto agency in the city has exhausted its supply and many of them will not get another consignment directly from the factories until the fall. As fast as the cars arrive they are disposed of.

The Studebaker company received some weeks ago its last shipment directly from the factory, all that were promised, but there is a bare chance that the company will get more but it is not at all probable. With practically everything gone, an appeal was sent to the San Francisco agency and as a result three big cars have just been received, much to the joy of Manager Read of the automobile department. One of the machines is a big 40 touring car and the others are 30 suburbans. These cars are of the $4,500 variety.

AUTO GETS GOOD TEST.

The Buick model 17, which was received at the store of the Consolidated Wagon & Machine company last week and purchased by Daniel C. Mackay, was given a test the other day and within five minutes after the test the machine was sold. This car was run to Fort Douglas and then to the cemetery, and was driven at a 39-mile per hour clip on the high gear. This is the auto that won an official race and made the remarkable record of going 103 miles in the time of 105 minutes.

Fushed with victories won at the Yale, Bridgeport and Giant's Despair hill climbs, Bobby Burman and Louis Chevrolet of the Buick teams, returned from the east during the week and are now on the Cobe trophy course near Chicago, practising hard for the big road events which start June 17 and 18.

George DeWitt and Lewis Strang, the other members of the Buick team, are also on the ground at the Buick headquarters at Crown Point, Ind.

PEANUT SINCLAIR IN FAKE BOXING BOUT

The program of four-round boxing bouts and a battle royal at the Auditorium last night under the auspices of the St. Regis club, was a good one and greatly pleased the large crowd present, that is, all but one feature and this was the bout between Peanut Sinclair and Tommy Fitzgerald. The latter is said to have a name in the boxing fraternity that is none too good and this was strongly indicated last night, when he deliberately faked with Sinclair. The action of the latter in entering into such a frame-up was a great surprise to those present. Sinclair tried on numerous occasions to lose on a foul and Fitzgerald tried his best to get away with the deal. Referee Pete Sullivan, however, saw through the flimsy trick, called all bets off and called the affair no contest.

DEAFNESS CANNOT BE CURED.

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

Race Horses For Sale

For sale, thoroughbred horses; sound and in training and ready to race. As business interests require my attention elsewhere, I have decided to sell my entire racing stable. The horses are all in good order and capable of winning out their purchase price before the end of the present Salt Lake City meeting, and as another meeting will probably be held at Ogden, later followed by several minor meetings, they surely look like good business investments. There are eight in number, ranging from two to six years old. Call or address Dr. H. E. Rowell, the Bransford hotel, or at the Fair Grounds track, where the horses can be seen.

When you are thirsty these days you must be careful about what you drink.

Our soda fountain (Iceless) serves sterilized absolutely pure drinks. Non-intoxicating and healthful.
