BARON DE BARRAL TALKS.

Representative and Manager of a Fa-

mous French Wine Company

Visits Salt Lake Today.

A. Meyer, Baron de Barral, of Paris,

France, is among the a rivals at the

Knutsford from the Pacific coast.

The baron has been in America for

twelve weeks, having landed at New

York and made the trip to California

via New Orleans. He is now en route

to Parls which he expects to reach in

another three weeks. The baron is

well acquainted with the United States,

having made an extended trip here four

years ago. Baron de Barral is the manager o

A BATTLESHIP.

HOPES THEY'LL CO-OPERATE

In Bringing About a Settlement of Postollice Question-Torkish Minister to Batify Convention.

Constantinople, May 16 .- The foreign embassies have received a note from the porte in connection with the recent versy regarding the foreign post ces in Constantinople regretting that "susceptibilities" of the embassies vere wounded by the previous notes and hoping that the embassies will coerate in bringing about a settlement f the question in accordance with the lesires of the porte.

CONVENTION ORDERED RATI-FIED.

May 16 .- "It is reported from Constantinople," says the Vienna London, condent of the Standard, "that the porte has ordered the Turkish minter in Washington to ratify the international postal convention concluded at the postal congress held in Washigion several years ago. If this reort be true it shows that Turkey rets having started a conflict with the

## Big Salmon Combine Off.

San Francisco, May 16,-The Chroni-

on combine is off so fat Alaska Packers' association is well After days of negotiation a the promoters of the Pacific g and Navigation company and association's officers a halt was d and the promoters, T. B. McGov. of New York and Roland Onnfroy n, Washington, left last rtland, Ore, President Fort A Vice President Hirsch of the Packers' association say that have refused to sell to the pro except for cash and that not ered they terminated the no Promoter McGovern said be took the train for Portland had offered the association a amount in cash, but that the emanded was so high they con-a leave the field. In an inter-

overn said: shall put this combine through Alaska Packers' associahad figured that with the op. we have, if we could secure the ation we would control practical-the salmon in the world. There speaking, 3,200,000 cases of packed every year. Of this total

aska people put out about a cases. We now have options pearly a score of companies, inpractically all those with indeterritory, and leaving out the oncern, can control about 2. cases a year. A conservative es of the tangible assets to be red is at least \$8,000,000. The lue of the pack for the last four ars has averaged \$15,600,600 a year."

# Don't Grab at Shadows!

If you do, you will surely lose substances. Don't try this thing and that thing and every thing you see advertised as a cough medicine. You will be simply running after shadows.

Grasp at once the real substance, - a bottle of Ayer's Cherry Pectoral. For sixty years it has been curing asthma, bronchitis, croup, whooping-cough, hoarseness, loss of voice, la grippe, weak throat, soreness in the chest, and even consumption itself.

Shadows cannot do this. It takes solid merit.

"I have used Ayer's Cherry Pectoral since early in 1853. And I have used it a great deal in my family. I have always found it to be the very best of romedies for coughs, colds, and all throat and lung troubles." J. O'NEILL, Pittsburg, Pa.

I can obserfully and most sincerely endorse | become more deeply I can cheerfully and most sincerely endorse the your specific as a cure for Eczema, the most irritating and annoying disease. I think, that fiesh is heir to. I was troubled with it for twenty-five years, and tried many remedies a short time I think I am entirely relieved. You can give this statement any publicity you may desire, as it is voluniarily made, more for those afflicted than notoriety for myself. Very respectfully. Bill West Central, Wichita, Kans.

clogged up by this treatment that the poisonous matter thrown off by the blood cannot pass out of the system, and settles on the lungs, heart or some other vital

To purify and build up the polluted blood is the right treatment for skin diseases, and for this purpose no other medicine is so deservedly popular as S. S. S. It is a perfect antidate for all blood humors, and when taken into the circulation, gently but thoroughly eliminates all impurities and puts the blood in a healthy, normal state. The skin can't remain in an irritated, diseased condition when nomished with rich, new blood. S. S. S. is the only guaranteed purely vegetable remedy, and the safest and best skin beautifier. Write our physicians if you have any blood or skin disease, and they will cheerfully advise you without charge. THE SWIFT SPECIFIC COMPANY, ATLANTA, GA.

And we're on time as usual with a goodly variety of newest styles for men, boys and children.

# & FOR MEN &

Our display of men's straw hats represents the skill of New York fashion for Salt Lake has never seen such an array of entirely new crea-

tons at one time.

There are dozens of new styles here in rough and smooth straws of the Fedora and straight-brim shapes. Becoming shapes for all men, 50c to \$2.56.

# & & BOYS & &

Many of the same styles as the men's are here in boys' sizes, be-sides a plenty of exclusive shapes for boys. We've Fedoras and straight brim styles with plain and fancy bands.

New shapes anywhere between 25c and \$1,75.

THE CHILDREN'S HATS

Are a stock of themselves. We show Mexican hats and sailor shapes enough to overstock two or three ordinary stores. There are Mexican bats with every imaginable style of band, and all kinds of sallor shapes at prices from 25c to \$1.75.

# Sacred Heart Convent Purchase.

New York, May 16.-The farm of Thomas Allen, in Metuchen, N. J., has been bought for \$30,000 by the order of the Sacred Heart convent, which has schools in Louislana and Missouri. Brother Isidore is president of the or A large boarding college will be built on the property to accommodate one-third of the seventeen hundred students. Buildings will be put up, al erations made this summer, and in the fall the school will be opened. Work is to be begun in June, The order, having a school in the

MARINE OFFICERS' ROW.

#### Col. H. C. Cochrane and Lt. Col. Goodrell Have an Altercation.

Manila, May 15 .- An unhappy situation has developed at the headquar ters of the marines in Caivte. Co Col Henry C. Cochrane was recently or dered home and Lieut. Col. Mancil C Goodrell, formerly commander under Col. Cochrane at Clongapo, was ordered to relieve him. When Lieut, Col. Goodrell arrived to succeed Col. Cochrane, the two officers had an alterea-tion which resulted in Lieut, Col. Good rell's denouncing alleged acts of Col. Cochrane in connection with the Olongapo command.

Col. Cochrane reported to Rear Ad-miral Kempfi that Lieut. Col. Goodrell was intoxicated, and that night he arrested him, ostensibly on the authority of Rear Admiral Kempff. The latter lisclaimed having given such an order and reported the situation to Washington, with the result that Lieut, Col Goodrell remains in custody and Lieut. Col. Allen C. Kelton has been placed in command at Cavite, relieving Col. Cochrane. All are now awaiting the

Cochrane. All are now awaiting the result of the court of inquiry. Previous to this incident Col. Coch-rane had imprisoned Maj. and Assist-Theorem C. Prince Quartermaster Thomas C. Prince alleged disobedience in reference to equisitions, but Maj. Prince was unan-acusiy vindicate by the court and ontinues his duties as assistant quar-rmaster. Col. Cochrane also com-ained of Maj. said in response to a question, "All Frenchmen do. It is a matter of honor to resent an insult and among a people who have oven brought up to consider that the correct way out of a personal difficulty it is cowardly not to resent an insult that way. I have been in four

James Cummock, the fourteen-yearold son of Deputy Sheriff John B. Cummock, had his right foot badly crushed last evening in the elevator of the D. F. Walker building. He was in charge of the elevator and was ascending rap-

idly from the basement. In a quick ef-fort to slacken the speed of the eleva-tor he thrust his foot too far forward and it' enught between the floor and the house of the state of the floor and the bottom of the cage. His toes were planned in the crevice and the pain he suffered was something dreadful. He shricked with agony and people passing the entrance of the building the ough that it was an intoxicated man cutting up high jinks. Finally his cries at-tracted James Lynch and others, but in the meantime the plucky lad had in the meantime the plucky lad had lowered the cage to release his foot, and lowered the cage to release his foot, and raised it again to the level of the first floor. Lynch tried to stanch the flow of blood by binding the foot with a towel. Some one summoned Dr. Mc-Eiroy, who suggested that the boy be taken up in George Lawrence's law office. While some of the men were discussing the best means to take him up, James told them to get in the cage, he would run them up. On reaching the third floor the lad was carried into the office and sitting up in a chair he watched the doctor dress his mutilated foot. He exhibited a perfect coolness

foot. He exhibited a perfect coolness under a test that would have made many a strong man break down. He \* was particularly anxious about his mother finding it out, and charged a
