

THE BEST FRIENDS OF

PE-RU-NA ARE THE MOTHERS AND CHILDREN.

When Sickness Comes to the Little Ones.

It is the Mother who Chiefly Suffers.

she suffers even more than the child who happens to be sick. Her sympathy is deeper than that of any other member of the family.

The mothers look forward with dread to the torrid heat of summer, thinking of their children and the many liabilities to disease that are before them. Spring and summer are sure to bring ailments, especially among the little folks.

It does not take a mother very long to discover that Peruna is the best friend she has in times of illness among the children.

The doctors may come and go with their different theories and constant change of remedies.

The doctor of years ago gave entirely different remedies than he does today. Each year finds some change in his prescriptions and in the drugs he relies upon.

A Great Multitude of Mothers.

Have discovered that Peruna is the stand-by, and that in all the ailments of spring and summer to which the children are subjected, Peruna is the remedy that will most quickly relieve.

Whether it is spring fever or stomach derangement, whether it is indigestion or bowel disease, a catarrhal congestion of the mucous surfaces is the cause.

Peruna quickly relieves this condition of the mucous membranes. Its operation is prompt, the children do not dislike to take the medicine, it has no deleterious effects in any part of the body.

It simply removes the cause of the disagreeable symptoms and restores the health.

Peruna is not a physic. Peruna is not a nerve tonic or a narcotic. Peruna does not produce any drug habit, however long it may be taken. Peruna is not a stimulant.

Peruna is a specific remedy for all catarrhal ailments of winter and summer, acute or chronic.

The mothers all over the United States are the best friends that Peruna has.

The Mothers Hold Pe-ru-na in High Esteem.

Not only because it has cured them of their various ailments, but because it always restores the children from the troubles and grief of catarrhal diseases.

We have in our files hundreds of testimonials from mothers whose children have been cured by Peruna. However, the large majority of mothers who use Peruna never hear from them.

But we do hear from a great number of mothers who are so overjoyed at some special good they have received from Peruna that they cannot restrain their enthusiasm. They are anxious to share these benefits with other mothers.

The Benefit Which the Children of the United States Have Received From Peruna Can Never Be Put Into Words.

The chronic ailments it has prevented, the suffering it has mitigated, will never be fully recorded.

But at least this much can be said that the coming generation owes a great debt to Peruna, for it is in the tender years youth that ailments are liable to develop into lasting diseases, thus blasting the whole career of the individual.

The mothers who are bringing up their children today to believe in Peruna are doing a great work for humanity.

These children brought up to believe in Peruna from the start, will, when grown, become heads of families themselves, use Peruna with unquestioning faith.

MRS. THRESA ROOKE, MOTHER AND CHILD, 258 N. Ashland Ave., Chicago, Ill.

Mrs. Thresa Rooke, 258 N. Ashland Ave., Chicago, Ill., Treasurer Ladies' of the Macabees, writes: "In our home Peruna is the only medicine we have. Grandmother, mother, father and child, all have used Peruna. It is our great remedy for catarrh of the stomach and head, colds and female complaints of which it has cured me. "We find it of great value when my husband becomes worn out or catches cold. A couple of doses cure him. "If the baby has colic, or any stomach disorders, a dose or two cures her. "I consider Peruna finer than any doctor's medicine that I have ever tried, and I know that as long as we have it in the house, we will all be able to keep in good health."—Thresa Rooke.

Mrs. John Hollingsworth, Prescott, Ont., Can., writes: "I am pleased to testify to the value of Peruna as a household remedy. My husband has used it for colds and I have found it very beneficial for indigestion. I find it especially valuable for my children. My two daughters, seven and nine years old, have taken it for colds, and it cures in a day or two. They have been cured in an hour from cramps and colic, and whenever they have felt bad, nervous or irritable, or have lost their appetite or sleep, a dose or two of Peruna would invariably cure them."—Mrs. John Hollingsworth.

Mr. G. H. Farmer, New Martinsville, W. Va., writes: "Our little son, Harry, is well and healthy now, and we think if we do as you direct, he will keep his health and grow strong. "We know that our little son's life was saved by your wonderful medicine, Peruna, and we shall always praise Peruna and use it in our family when needed. "Should we have any more catarrhal trouble in our family, we shall always write to you for treatment."—G. H. Farmer.

Pe-ru-na Protects The Little Ones.

e-ru-na Should be Kept in Every Household

Where There Are Little Children.

Peruna should be kept in the house all the time. Don't wait until the child is sick, then send to a drug store. But, have Peruna on hand—accept no substitute.

Children are especially liable to acute catarrh. Indeed, most of the afflictions of childhood are catarrh.

All forms of sore throat, quinsy, croup, hoarseness, laryngitis, etc., are but different phases of catarrh.

Mr. Howard Andrew Sterner, Muddy Creek, Pa., writes: "I have Peruna in my house all the time and won't be without it. It is the greatest catarrh remedy that was ever manufactured. It is good for children when they take cold or croup. It cured my baby boy of croup. I have introduced Peruna into six families since I received your last letter, and four have seen relief already."—Howard Andrew Sterner.

Mrs. J. H. Russell, 25 Horton Ave., Detroit, Mich., writes: "Peruna certainly did wonders for our little son, Arthur, as he has kept the picture of health all summer. He has taken four bottles of Peruna, and I have followed your directions as carefully as I could. I am very happy with the results. I thank you very much for your interest in his case."—Mrs. J. H. Russell.

Pe-ru-na Protects the Entire Household Against Catarrhal Diseases.

As soon as the value of Peruna is appreciated by every household, both as a preventive and cure, tens of thousands of lives will be saved, hundreds of thousands of chronic, lingering cases of catarrh will be prevented, Peruna is a household safeguard.

Mrs. S. Miles, Stoughton, Wis., writes: "When my baby, Evelyn, was quite young I noticed that she had catarrh. This worried me so much that I took her to a doctor and he prescribed for it. I cured her, but I am glad I took hold of this trouble while she was young and before it had secured too strong a hold on her system. I keep it on hand now and give her a few doses when she has a cold, and it always takes effect and keeps her well and strong."—Mrs. S. Miles.

Mrs. Mary E. Connor, 724 23rd St., San Francisco, Cal., writes: "Peruna has been a blessing to my home. I am especially thankful to you for what Peruna has done for Leo and Francis, my two oldest boys. They had been troubled with catarrh and Peruna cured them within a few weeks."—Mary E. Connor.

"I am the mother of six boys, and whenever any of the family is sick with a cold, cramps or indigestion, a few doses of Peruna restores them. I am especially thankful to you for what Peruna has done for Leo and Francis, my two oldest boys. They had been troubled with catarrh and Peruna cured them within a few weeks."—Mary E. Connor.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving full statement of your case. It cures colds in a day or two, relieves cramps immediately, cures lung troubles and the various stomach disorders."

SAME OLD STORY, SALT LAKE LOST.

Local Fans Are Beginning to Get A Little "Sore" About It.

SOME MORE GINGER IS NEEDED.

Indians Take Fourth Game of Series By Reason of Better Ball Playing—Ross Beats Unfried.

There is not much to say about yesterday afternoon's game between Spokane and Salt Lake. The least said about it, probably the better.

It is the same old story, Salt Lake lost. With the exception of one or two incidents, the game was slow, featureless and uninteresting. Essick pitched a good game for the locals, but pitchers cannot always win games. His support was miserable. The pitchers are not to blame, it is the slow hitting, poor batting and a general lack of ginger.

There is no use trying to hide the fact that Salt Lake fans are getting "sore." They believe the home team can do better, and they wonder why it doesn't. We have had thirteen games and Salt Lake won on four and lost nine. Look at the above table.

Of course, some team must be at the bottom of the column, but why should it be Salt Lake all the time? It is proper for the fans to support and encourage the team as much as possible, but it is also proper for the team to do its best all the time.

For this reason you should get promptly in every case of headache, backache, stomach ache, sciatica, rheumatism, neuralgia, toothache, and all other pains.

Dr. Miles' Anti-Pain Pills will relieve pain almost instantly, because they act in a natural and harmless manner upon the nerve tissues, and relieve the conditions which cause the pain.

While very prompt and effective in their action, they do not affect the bowels in the least, are perfectly harmless, and leave no disagreeable after-effects.

Delicate women who suffer from headache, bearing-down and periodical pains, can use them with impunity. You may also give them to children with the assurance that while they will relieve, they cannot possibly harm.

"Dr. Miles' Anti-Pain Pills never fail to cure headache, pain in back of neck, cold pains, neuralgia, or in fact any pain. I have taken them with best results, and have given them to others; they never disappoint."—GILBERT R. ROUSE, Milford Center, Ohio.
