

A Strange Romance.
Place have been laid for the presentation of a drama of love and life, the line of which has been laid out with one story, on the same stage or in real life. The drama of the play will be the marriage of a man and a woman who have been married and who are now in the same position as when they were first married. Catarrh
It is a constitutional and not a local disease, and therefore it cannot be cured by local applications. It requires a constitutional remedy. Hood's Sarsaparilla, which works through the blood, eradicates the impurity which causes and produces the disease, and cures a permanent cure. Thousands of people testify to the success of Hood's Sarsaparilla as a remedy for catarrh when other preparations had failed.

"August Flower"

"I inherit some tendency to Pre-petia from my mother. I suffered two years in this way. I consulted a number of doctors. They did me no good. I then used your August Flower and it was just two days when I felt great relief. I soon got so that I could sleep and eat, and I felt that I was well. That was three years ago, and I am still first-class. I am never without a bottle, and if I feel constipated the least particle a dose or two of August Flower does the work. The beauty of the medicine is, that you can stop the use of it without any bad effects on the system."

WHAT IS A GUARANTEE?

Many merchants and workmen are in the habit of indifferently "guaranteeing" their work with no thought of being called upon to make the "guarantee" good. It is a guarantee and should be made with knowledge of the meaning of the word and a set purpose to carry out the terms of the guarantee. On the tools the makers intend us to warrant, and we replace any tool found imperfect in use.

We have used our best judgment, acquired by a considerable experience, in selecting the following items for our stock and sell them to our customers with an absolute guarantee that if they do not prove to be all that we represent them, we will refund the purchase money in full.

"Jewel" Steel Hangers. A finished article, perfectly proportioned, made of the best material. Don't fail to see it. It will pay you.

"Quick Heat" No Generator, Evaporator. Light it as you go. No smoke. No smell. No danger. No complication. Every appliance in the use of a lifetime there done away with. Think of the discomfort caused in summer by heating the heat of a big kitchen range.

"Superior" Cooks and Ranges. Superior as makers. Superior in economy of fuel. Superior in design. Superior in construction. Superior in everything that goes to make a perfect cooking apparatus. The "Poodle Refrigerator." An ice saver. A health promoter. Cellular case lined. What is that? Investigate it. It will surprise you.

Our stock of Builders' Hardware, House Furnishings, Garden Hose, Lawn Sprinklers, Lawn Mowers, etc., is complete in every detail.
