## THE SUIT AGAINST THE ESTATE.

THE answers of President John the scruples of immediate relatives, Taylor and the executors of the nor the distates of common pruestate of the late President Brig- dence but rashly rushes into court over. ham Young to the completnt made with a cause which has no intringainst them, were filed yesterday sic merits and which promises to in the Third District Court and be profitable only to lawyers and to the House resolution for the fi-published in full in last evening's court officials. This course is great- ment fixing the time at 5 o'clock NEWS. They are complete and to ly to be regretted, but we believe the point, reaching every allegation that good will grow out of the ap-made in the complaint. \* parent evil.

In addition to the answers filed 83 to 65. It will be seen on examination of this matter that this suit, entered in this case, a demurrer has been by one of the heirs of the estate, entered to the complaint, with a , does not proceed against the Presi- motion to dissolve the injunction does not proceed against the Presi-dent of the Church of Jesus Christ of Latter-day Sainty, nor sgainst the Trustee-in-Trust for that Church, but personally against John Taylor. That gentlemen in his private capacity as a citizen has nothing whatever to do with the all who read the "Answers" hope of a break in the democratic case in action. He only becomes and are at all acquainted a party to the suit from his official with the facts will feel some position as Trustee. Under these astonishment at the summary issua party to the suit from his official position as Trustee. Under these atoniahment at the sammary issu-circumstances he way not in duty bound to make any specific answer to the allegations made in the complainant, and the secresy with ment of receivers, the acceptance of a bond of only \$1,000 from the complainant, and the secresy with thing open and above board, President in goes neared, the defendants not have to a great extent in greated the request of the plaint. Traylor has given a square and ample explanation of his transacted, the defendants not have ing been served with any notice of the affair until after the Court had granted the request of the plaint. The affair is now to a great extent is observed to the church. From this it appears that consistent to be hoped that, those who have sons that most Church members anything to say about it will ex-
