NO INVESTIGATION OF RAILWAY WRECK

Both Victims of Castle Rock Disaster Were to Have Been Married Soon.

DEATH OF MRS. LEWIS CARVER.

Two Industrials Escape—Wife Murderer Seeks Pardon—Foreman John Stuhler Honored.

Ogden, April 2.—In railway circles it is reported that both of the victims of the wreck on the Union Pacific at Castle Rock, Wednesday morning, were to have been married in a few weeks. From Evanston it is learned that the marriage of the late S. G. Lowman, first man of the ill-fated train and an Evanston girl was to take place within a few weeks. The wife of C. J. Gordon, the baggage man who was killed, died more than a year ago and it is reported that he was to marry a Denver lady in June.

The funeral of Lowman, to be held in Evanston, will be attended by a delegation from the lodge of Locomotive Firemen from this city and other towns along the line of the Union Pacific. Three of the Lowman family have met death in the employ of the Union Pacific and it is stated that two brothers of the dead fireman are in the employ of the company.

There will be no formal board of inquiry to investigate the wreck which was caused by a landslide and is classified as "unavoidable." All signs of the wreck have been cleared up and it is believed so that a few charred timbers is all that remains as evidence of the terrible disaster.

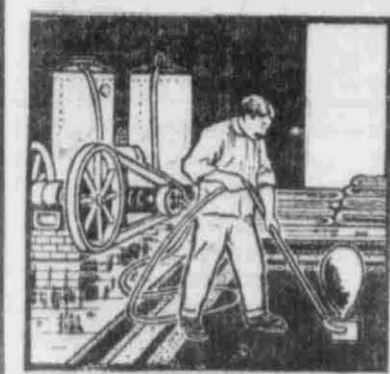

DEATH OF MRS. LEWIS CARVER.

Mrs. Ella J. Skoen-Carver, wife of Lewis H. Carver and daughter of Lyman Skoen, died at the family residence early yesterday morning from blood-poisoning. A child was born to Mrs. Carver last Monday but it died shortly after its birth. Mrs. Carver was taken ill with blood-poisoning which brought the second death in the family within the week. The mother and child will both be buried in the same casket.

Mrs. Carver was born in Plain City, Feb. 31, 1875, and was one of the most beloved women of that town. She leaves a husband and four young children, the oldest 10 years of age and the youngest 3 years old. She is also survived by her father, mother, eight brothers and six sisters. Funeral services will be held in Plain City, Sunday afternoon.

Constipation

Should not be neglected. It leads to more serious troubles. It shows that the important functions of the liver are imperfectly performed. The best medicine to take for it is the mild, gentle and purely vegetable cathartic, Hood's Pills, which act on the liver and bowels, cure biliousness, constipation, morning and sick headaches, break up colds, relieve uncomfortable fullness after dinner.

Hood's Pills

Are prepared by C. I. HOOD CO., Lowell, Mass. Sold by all druggists and sent by mail. Price, 25c.

Inmates of the State Industrial school effected their escape from the institution yesterday afternoon. The boys had been employed at the barn and when the guards left them for a minute the boys took a hurried departure and have not as yet been apprehended. Both have escaped from the institution before being captured and brought back. The two boys, Sherill and Wills, who escaped Wednesday evening, have thus far eluded their captors.

WIFE MURDERER SEEKS PARDON.

A number of the residents of Hunteville and Ogden have signed a petition which has been presented to Gov. Sny to secure the pardon or parole of John D. Douglas, who killed his wife near their home in Ogden valley 11 years ago. Douglas has written to many old friends in Ogden appealing for mercy. It is very probable that the petition in Douglas' behalf will be acted upon April 10 by the state board of pardons.

ROADBED TO HERMITAGE COMPLETED.

Yesterday afternoon the grade of the Ogden Rapid Transit company through Ogden canyon was practically completed as far as the Hermitage. More than 200 men have been engaged in the work and have made splendid headway. Unless unforeseen difficulties are encountered the road bed will soon be ready for the ties and steel.

FOREMAN STUHLER HONORED.

John Stuhler, foreman of the Southern Pacific car shops, on Wednesday evening was the recipient of a beautiful 75 piece silver service and a gold mounted pipe from the men of the shops. The presentation was made on the evening in which Mr. Stuhler severed his connection with the shops after many years of continuous service. Before deciding what business he will enter into Mr. Stuhler will take a well-deserved rest.

JUNCTION CITY BRIEFS.

Suit for Damages—Anna Butler, guardian ad litem of John E. Butler, a minor, has brought suit in the district court against the Rio Grande Western Railway company to recover \$1,000 damages alleged to be due for injuries sustained while in the defendant's employ as a car cleaner.

Suit for Value of Check—S. H. Elwood has brought suit in the district court against Frank Graz to recover damages in the sum of \$125, together with interest and costs. The plaintiff alleges that on or about October 1, 1908, the defendant gave him a check on the Commercial National bank for \$125 and that when he went to the bank to get it cashed, payment had been ordered stopped by Graz. He asks for the amount of the check together with interest and costs.

Big Conference Traffic—Indications point to the heaviest conference travel from Ogden to Salt Lake that has occurred in a number of years. It is very probable that on Saturday and Sunday about 6,000 people will visit Salt Lake city from this city and county alone. The railroad companies are making extensive preparations to handle this great increase in traffic.

Warren-Poulson Nuptials—A marriage license was issued yesterday afternoon at the county clerk's office to George A. Poulson of Plain City and Julia A. Knight of Warren.

Dance at Academy—The lyceum bureau of the Weber academy give a dance this evening at the academy auditorium in honor of the patrons of the lecture course.

Admiral Evans is an orator as well as a hero. Follow the crowds tomorrow night to the Tabernacle and hear him in his famous lecture.

LITIGATION OVER WATER.

Utah Lake Association Collecting Data For Use in Big Damage Suit.

Special Correspondence.

Provo, April 2.—At a meeting of the Utah Lake association it was decided to employ attorneys to look after the interests of the association, which consists of land owners on the shores of Utah lake. There has been litigation and threatened litigation for years between the Utah county land owners and Salt Lake City, and the Salt Lake Canal companies, taking water from Utah lake by reason of the impeded outflow of water through the Jordan river by reason of the dam of the canal companies. Some months ago the association removed the Lamson dam, after receiving permission from L. L. Nunn, the owner, to do so. They were, however, served with a notice from the Salt Lake Canal companies to replace the dam, and in case they did not do so, to be held liable for damages. They will not replace the dam, and in this phase of the case are on the defensive. But they have been collecting data of the losses from overflow of water on lands bordering on Utah lake in this county, and suit will be brought against the Salt Lake interests for the amount, which is about \$200,000. In this the Salt Lake parties in interest will be on the defensive, and the light promises to be a very pretty one.

ward, died Wednesday at the home of Mr. and Mrs. O. P. Olsen, 750 West First South street, after a lingering illness. The deceased was born in Dronningburg, Denmark, Sept. 12, 1825, and came to Utah in 1870. Since then she has lived in Provo. She is survived by one son, N. C. Larsen, of this city. Funeral services will be held Friday at 1 o'clock, at the second ward meetinghouse.

DEATH OF HANS ANDERSEN.

Hans Andersen, of Vineyard, an unmarried man about 35 years of age, who was committed to the State Mental hospital from the infirmary a few days ago, suffering from epilepsy, died Tuesday. The burial was from Graceland at noon.

BAD ROADS ON RESERVATION.

The roads in the reservation country are said to be well nigh impassable on account of the spring thaws and the high water in the streams.

HELD IN \$2,000 BAIL.

Ernest Whitby, of Alpine, the young

man accused of a criminal assault, waived preliminary examination in Judge Noyes' court, yesterday, and was held in \$2,000 bail to await the action of the district court. In default of bonds he is held in the county jail.

BIG IRRIGATION PROJECT.

It is reported here that an irrigation project intended to reclaim 37,000 acres of land, is about to be launched at Provo on the Utah reservation. It will be financed by Denver capitalists.

DISTRICT COURT BUSINESS.

The suit of Elizabeth H. Chesey administratrix vs. L. Holbrook et al. is now being heard in the Fourth district court. The suit is for an accounting by L. Holbrook of stocks and moneys alleged to have been received by him from the Tularide Power company, while he was acting as trustee for Don B. Coray, now deceased, and W. B. Scarle.

Suit for divorce has been commenced in the Fourth district court by Leon Buchanan against Henrietta Buchanan on the ground of desertion. The par-

ties were married in this city Dec. 15, 1897. Defendant has entered voluntary appearance.

William J. Dean, for 25 years clerk of the Provo district office, has resigned. His services ceased yesterday and Bishop Ralph Bondin of the Sixth ward who has been appointed his successor, took charge yesterday. Mr. Dean's services have been highly appreciated by all concerned and the bishop under whose direction the office has been conducted were loath to have him leave, but his personal business demanded his attention, and he felt that he needed a rest from clerical work. His successor is a well known business man and well qualified for the position.

WEDDING BELLS.

Marriage licenses have been issued to the following couples:

Levi Benson and Jennie Richards, both of Provo.

John A. Boulier and Annette S. Hardy, both of Pleasant Grove.

COUNTY ATTORNEY ILL.

County Atty. Evans underwent an

operation at the Provo general hospital yesterday. He is progressing as well as possible.

The Lloyd family announce that they will be pleased to meet any of all the friends of the family at the office of the Engle Knitting Works, 32 Richards street, on Monday, April 5th, at 4 p. m., to get acquainted and trace family connections. L. T. Lloyd.

The biggest attraction in the city during conference will be "Fighting Bob" at the Tabernacle tomorrow night. Follow the crowd.
