THE SEMI-WEEKLY NEWS

REGULATION OF
THE DANCE HALLS.

City Council Committee Now Has
Two Ordinances Before It for
Consideration.

MR. BAMBERGER'S FRANCHISE.

THE GREAT
COUNTRY PAPER
OF THE WEST

Is Issued Mondays and Thursdays and contains all the cream of the Daily and Saturday News

LOCAL BRIEFS.

A special meeting will be held tomorrow evening by the Women's Relief Corps of the James B. McLean post, and an attractive program has been arranged.

Brown and family left yesterday on a two months' absence in southern California and Catalina Island. Mr. Brown is engaged in building operations in Los Angeles.

The George B. Maxwell Post No. 5, and Women's Relief Corps attached to that post, will entertain their friends at a character ball and card party in their Federation building hall on Thursday evening next.

The city of Bingham Canyon will celebrate its first birthday, tomorrow evening, in the local opera house with a grand musical program. The incorporation actually occurred Feb. 29, so that the actual birthday occurs but once in four years.

Local people formerly from Wisconsin have received word from that state saying that the snows were so deep and that it is so stormy and cold that a great fuel famine is on, and that unless the weather modifies shortly there will be a great deal of serious suffering.

Peter Fisher, who was given a preliminary hearing in Judge Diehl's court yesterday afternoon on the charge of robbery, was released on \$1,000 bail. Fisher, of the Western Express company, will have to stand trial in the district court. The court ordered him held to await the action of that tribunal.

The friends of Thomas E. Giles have completed arrangements for the testimonial concert to be given the young man in the Eighteenth ward chapel on Wednesday evening at 8:30. A diet by Messrs. Arthur Shepherd and J. J. McClellan, violin solo by Mr. Weitzel and other strong features will go to make up a fine program.

Irwin and Mrs. A. Stewart, who were married as to their names yesterday afternoon before Judge Armstrong by County Physician Whitney and Dr. W. Brown Ewing, were both ordered committed to the state mental hospital at Provo. Mrs. Hunter was taken to Provo yesterday afternoon, and Mr. Stewart will be taken today.

Mrs. Louise Barnes, daughter of Councilman A. F. Barnes, last evening, at her home, 147 north First West Street, Salt Lake City, was company, and Miss Lillie Price, in behalf of the choir, presented her with a bunch cloth made of drawn work, on which each member of the choir had written his or her name, to be embroidered later. The evening was spent in games, music and dancing, followed by refreshments.

T. F. Marnane leaves today for a visit to his old home in Tipperary, County Cork, where he will dream over the scenes of his innocent youth when he was a "little 'un." He will be returning to the council last night for the reason that Attorney La Grand Young is making some changes in the proposed franchise in compliance with suggestions made by the mayor and members of the council.

THE NEWHOUSE PROPOSITION. The proposition of Samuel Newhouse to construct a modern electric light plant for the city under certain conditions was received by the council, and upon the advice of H. C. Hartstein, was referred to the committee of the whole. No date has been set for the meeting of the committee to consider the matter, and it is not thought, therefore, that it will be considered for several weeks at any rate.

PETITION NOT PRESENTED.

The petition of the Utah Light & Railway company for an extension of its franchise to 50 years was not presented to the council last night for the reason that Attorney La Grand Young is making some changes in the proposed franchise in compliance with suggestions made by the mayor and members of the council.

BAUMBERGER FRANCHISE. The Salt Lake & Ogden Railway company, by Simon Bamberger, president, petitioned the council to take some action on the company's petition for a franchise for an electric line over certain streets in the city, which was submitted to the council on April 11, 1902, and which has been cached away in a pigeonhole ever since that time. The new petition states that the required deposit of \$200 accompanied the former petition for the franchise, and that the franchise was granted for the amount of \$10,000 for the equipment for equipping its entire line from this city to Ogden with electric appliances, suitable for a modern interurban electric line, and it therefore asks that some action be taken in regard to its application for a franchise. The route over which it asks a franchise is as follows: From South Temple to 1st West Street, thence west, thence south to Market, thence east to Main, thence north to South Temple, thence west to the place of beginning. The petition was referred to the committee on municipal laws and streets for consideration.

INDEPENDENT SEEKS RELIEF. The Utah Independent Telephone company submitted a petition asking that sections 396, 397 and 398 of the Revised Ordinances of the city be repealed. The sections referred to provide that a tax of 12½ cents be levied on each telephone installed in the city by the telephone companies. In its franchise the independent company agreed to pay 12½ cents per month on gross earnings each year, and also to furnish the city 40 free telephones. The remains were referred to the committee on municipal laws and streets for consideration.

We pay 4 per cent interest per annum on \$1 to \$5,000. Zion's Savings Bank & Trust Co., Joseph F. Smith, President; George M. Cannon, Cashier.

C. S. MARTIN COAL CO. Rock Springs, Cumberland, Castle Gate and Clear Creek lump, cut and slack.

MUST PAY PENALTY.

Young Men Who Shot Electric Insulators to Answer for Offense.

Andrew Jensen and "Bud" Tripp of Taylorsville, the two gay Nimbros who thought it was real good fun to use the insulators of the Telluride Power company, as targets, and the speakers of the occasion were W. C. A. Simplot, Job Hemsley, James McGhee and James R. Smith, all old time friends of the deceased. Music was furnished by the combined choirs of Sugar and Emerson wards, and the services were conducted by the Tabernacle choir. The tabernacles were members of the quartet to which the deceased belonged and the grave was dedicated by Elder Le Grand Young.

PIRATING FOLEY'S HONEY AND TAX. Foley & Co., Chicago, originated Honey and Tax as a hair tonic and hair tonics, and on account of the great merit and popularity of Foley's Honey and Tax many imitations are offered for the genuine. Ask for FOLEY'S Honey and Tax and you are ensured of the genuine. No other preparation will give the same satisfaction. It is mildly laxative. It contains no opiates and is safest for children and old persons. For sale by F. J. Hill Drug Co.

AT CHRISTENSEN'S. Washington's Birthday matinee and ball at 4 and 8:30.

Washington's Birthday matinee and ball at 4 and 8:30.

DESERET EVENING NEWS, TUESDAY, FEBRUARY 21, 1905.

adopted the report of the committee on public grounds, recommending that the Warm Springs property be leased to Maxwell B. Brothers for a term of 10 years at a rental of \$250 per month. The lessee agrees to expend \$10,000 in improving the place. The mayor and recorder were authorized to enter into a lease with Mr. Brothers at once.

EAST TEMPLE GRADE.

H. J. Armstrong presented a communication asking that outside expert testimony be taken in regard to the grade on north East Temple street rather than the testimony of engineers of this city who might be influenced by persons or corporations anxious to get a very low grade. He is anxious to erect a \$5,000 home on his property at the corner of Center and Curran street but does not care to do so until the grade question is settled. The matter was referred to the committee on streets.

PAVING BILL ALLOWED.

By a vote of 8 to 5 the council appropriated \$4,750 to the City Street Improvement company, being the amount of penalty withheld by the city for the failure of the company to complete the paving of Temple street within the contract time. The city attorney held that the city was liable for the amount to the paving company and it was upon his recommendation that the appropriation was made. Black, A. J. Davis, E. H. Davis, Dean, Hobday, Martin, Preece and Wood voted in favor of the appropriation. Farnstrom, Hartenstein, Tuddenham, Wells and Hewlett voted against the proposition. The reason that larger amounts of the available property owners had protested against the money being paid to the company. Later in the evening Preece gave notice that he would move for a reconsideration of the matter on next Monday evening.

The reason that larger amounts of the available property owners had protested against the money being paid to the company. Later in the evening Preece gave notice that he would move for a reconsideration of the matter on next Monday evening.

HARTENSTEIN'S ORDINANCE.

At last night's meeting of the council Hartenstein introduced another dance hall ordinance. It provides that the license of \$1 per annum shall be charged each dance hall provided, however, that licenses may be issued free to religious or charitable organizations upon the recommendation of the mayor. The ordinance also provides that no license shall be issued for any hall unless the same is approved by the mayor by his endorsement on the application for the license. All dance halls are to file a bill of fare with the city hall board and shall collect 25 cents for each permit. It also requires that a bond of \$5,000 shall be furnished the city by the bill-board companies as a protection against actions for damages which might be brought against the city for injuries sustained by reason of the bill-boards.

EXHIBITION DRILL.

Chief Brewster invited the members of the council and their wives to witness an exhibition drill of the fire department to be given at central station on Wednesday afternoon at 2 o'clock. The invitation was accepted.

Afraid of Strong Medicines.

Many people suffer for years from rheumatic pains, and prefer to do so rather than take the strong medicines usually given for rheumatism, not knowing that such medicines can not be had without applying Chamomile Pain Balm and without taking pain. Rev. Amos Parker of Magnolia, North, has suffered from rheumatic pains for a long time, and has been permanently cured by the free application of Chamomile's Pain Balm. For sale by all druggists.

UNLAWFUL DISCRIMINATION.

Mark said that that would simply mean that the proprietor of the Utahna dance hall could not get a license at all. He said that Mr. Gourlay had offered to comply with any regulations the mayor and chief of police would suggest if allowed to put his hall and has also offered to pay for the services of a regular notary to attend the business and see that everything was run right. This offer was rejected by the mayor, said Mr. Martin, and the place was not allowed to open. He thought that Mr. Gourlay should be given the same privilege as other men who run dance halls and should not be discriminated against. At the conclusion of the argument Mr. Hartenstein's ordinance was also referred to the municipal laws and license committee with the city attorney associated.

THE NEWHOUSE PROPOSITION.
