STILL ROASTING PREST. ROOSEVELT

Cook. Republican, of Colorado, Denounces Him in Unmeasured Terms.

NOT ALLOWED TO PROCEED.

(larged Chief Executive With Thinking Himself the Government and His Ipse Dixit the Law.

Washington, Feb. 25.-During the onsideration of the sundry give bill the house today, Mr. Bennett's amendment, striking out the provision mouting the field of operations of the secret services was rejected by a vote

nast by Mr. Bennett (New York). striking out the provision, limiting the neld of operations of the secret ser-A similar paragraph in the last appropriation bill is what gave ries to the president's criticism of congress.

Mr. Bennett strongly defended the secret service detectives.

Mr. Smith repited that one of the readsites of a detective was that he should be a "common har" is specially seen the interior department even though occasionally they might have to do some detective work, but he asserted, "the idea that some \$\frac{1}{2}\$ or \$\frac{4}{2}\$ a day man who is willing to be a common detective, can familiarie himself with all the laws and therefore become more useful than a specialist, is simply absurd."

The only president assassmated times the secret service men were detailed to watch the president," said Mr. Smith, "was when President Mr. Smith, "was

Mr. Cook, Republican, Colorado, also mensed the provision and referred to be president as follows:

DENOUNCED THE PRESIDENT. "It is unfortunate, not only for Presi-

ent Rosseveit, but for the count y, hat he has not a legal mind and no quipouse of reason, riding through and round the arena of political action on is broncho of arrogant, egotistical imrise pretending to throw his lariat of cecution at the heeds and broad arms capital, for the delectation of vot-g labor and ending the scene with e canning eatch of a praice woif a gopher."

o denunctatory of the president was Cook that he was decied the priv-e of continuing his remarks after had spoken but a few minutes. In Colorado in a certi i alleged land and case, one of whom, he stated,

This veto includes are made from the impulsive and ignorant information of his cabinet clerks, and the vacilating attorney-general is a weak legal reed of the rough rider's depoidence, who even recently gave a tike statement to the president upon the joint resolution passed by Congress, determining the question of the houndary line balween the state of Courady and Oktabuma and the recentory of New Oktalenna and the recentory of New Mexico."

The amendment of Mr. Bennett was rejected, 41 to 153.

MOB ATTACKS MOTORMAN.

New York, Feb. 26.-An angry mod seeking to average the death of a 5-year-old boy who was killed by a Madi-son avenue street cay in Harlem last evening, attacked the motorman and conductor, smashed the windows of the car and were threatening a lynch-ling when the roller reserves a served ing when the police reserves arrived and charged with their night sticks and revolvers. The victim was Na-than Sadak, who was struck while attempting to cross the truck in front of his father's store. When the mo-terman and the conductor had been arrested on a technical charge of homi-cide, a jeering crowd followed them al the way to the police station.

UNION OF CHICAGO CHARITIES. Chicago, Feb. 26.-The union of Chioago's two great private charities—the Relief and Ald society and the bu-reau of charities—which for some time has been under consideration, is a fact. The new organization is to be known

as the United Charities of Chicago.

The union, it is announced, will make possible the collection of in-

differ in every respect from all others. They are more uniform, more economical, as it requires but a small quantity to impart the desired flavor. They are true to nature, as they are made from the |

formation from the various charities of the city, and will constitute a clear-less house whereby duplication and imposition may be prevented. Through this consolidation, it is said, exclain economies of administration will be effected and a great gain will be made in the efficiency and unity of the work.

SCARE ARGUMENTS FOR POSTAL SAVINGS BANKS

Philingo. Feb. 25.—Large some of money are being sent out of the United States annually to the postal savings hanks of Europe as a result of the singular of washington, who is in Chicago. Mr. Keern emphasizes the urgent need for the establishment of postal savings banks in this country.

Tunnignants who come here from countries where there are postal banks in not feel inclined to put their money in any other kind of a banking insultation," he says. "When they find there are no postal banks here, they deposit their savings in one of the ordinary banks and have them forwarded to one of the pastal banks of the land

of the postal banks of the lan from which they came

DOG SAVES MASTER FROM MADDENED BULL

Escondido, Cal., Feb. 26 -Toss by his hoofs. R. B. Borden ther, would have been crushed to the but for the bravery of his dos The attack was so audden and vigor-ous that Borden had no chance to have himself and almost before he chew it he was caught on the boil's norm and flung high late the ab. He struck the ground with a thump and was partly stunned, instantly the bull has on him stamping him with hoofs

was partly stunned. Instantly the bull was on him, stamping him with hoofs and butting with his head.

Wholly at the mercy of the beast, Borden yelled for help. The dog heard his master and came running to his assistance. There was a moment of struggle, in which the buil tried in vain to reach his new enemy, who snapped and tore madly. Then the buil gave up and retired, leaving Boden hardly able to crawl to his house.

THE ROSE OF THE RANCHO.

AMERICAN CITIES

S. S. McClure, of McClure Publishing Co., Says Saloon-Keepers Cause of It.

NOT MEN OF FINE FEELING.

Movement Against Whisky is Not Temporary: Gathering Force And Will Continue,

Los Angeles, Cal., Feb. 26 - Saloonkeepers have degraded American cities and American civilization, as could only be expected.

S. S. Mcchare, head of the McClure Publishing company of New York, aingus the sellers of liquo

There are several phases to the iquor question," continued Mr. Mc Clure. "Among them are the detrimer to men's physiques, retoriarrien their earning expanity and the loss moral character. It is for all of the

moral character. It is for all of these that the temperance people are making their fight against the liquer mean. Men selling liquer also themselves with semi-criminal characters are combine with them to degrade city government. This is especially true of Pittsburg, San Francisco and New York where in many cases aaloom keepers combine with capitalists who want franchises to dominate manicipal affairs. Thus the liquer men and their allies are allowed to violate the laws and are granted special privileges, and the result is that the people are given a salloon government.

"Who are the saloon-keepers". No man of fine feelings would be one, so the more profits the seller of liquer obtains the more be degrades his fellow man and in most cases breaks the lows.

ment by salonus and the liquor buseous in general, the most terrile atmes, like murder, are of ten thus the frequency in America that the are in Europe.

"The movement against liquor is not a movement against liquor is not a movement against liquor in movement."

temperary; it is gathering force and will continue. I find in traveling over the country that the liquor question is one of the two conspicuous issues now in existence. The other is municipal government."

Glasses and Poker Chips.

New York, Feb. 26.—Whisky glasses and poker chips are included in the inventory of the equipment of a railroad filed yesterday in the chancery court at Newark, N. J. The road, which is known as the Council City and Silomon City railroad runs two months a year from Shomon City to Huby creek, in Alaska. It is now in the hands of a receiver who filed the inventory, which included among other articles if poker chips, 26 cocktall glasses, 21 wine glasses, 26 whisky glasses, one brandy shaker, one pinch shaker and one pair of oil-ckin trousers.

NEGROES PETITION FOR LIBERIAN COMMISSION

criment is an American institution and that the civilization of the Liberians is in keeping with American thought and customs.

"As for as ascertained," says the committee, "the cutive colored population of the United States approve of the appointment of the posposed commission and the relations of the United States to Liberia make it an imperitave duty for us to help the little republic which is struggling against such adverse conditions."
