BUYERS WERE MORE CONFIDENT

They Soon Imparted a Good Degree of Strength to the Entire Market.

OPENING RATHER IRREGULAR.

After Middy Buying for Both Accounts Was Extensive, Volume of Business Being Large.

New York, May 12.—The opening in stocks was slightly irregular, but the declines were few. The principal gains were in the industrial and speculative. The Pittsburg coal stocks were up 1/4 for the common and 1/4 for the preferred.

Although Manager Jackling of the Utah Copper company expected to select some person as chief mechanical engineer yesterday, it was stated during the day that no final decision was reached on the matter.

Negotiations are still pending between the Mammoth Mining company of Tintic and several tenants on the matter of the removal of the abode of the latter with indication that the late difficulty will soon be overcome.

J. B. Jensen of the U. S. Smelting company of Salt Lake, was a visitor in the camp yesterday. He is looking up business for his company, he also put in considerable time studying the situation with a view of selecting this district as the proper place for the erection of a large smelting plant—Goldfield Review.
