Last Night's Dispatches.

FORTY-FIFTH CONGRESS.

HOUSE.

WASHINGTON, 14.—The Senate bill authorizing the issuing of diplomatic registered bonds stolen from the Manhattan Savings Institution, New York, passed.

to the latter of all officers dropped from the active list.

Tobacco Tax.

The eastern tobacco manufacturers, who, last year, opposed the growers' proposition of reducing the tobacco tax from 24 to 16 cents per pound, now unite with the growers in favoring a reduction to 20 cents. The chances are that this legislation will be adopted if any legislation is had.

The Foster Committee.

It has been determined, finally, by the democratic members of the Foster Committee, that they will not use notice of intention to terminate the contract with the eastern tobacco manufacturers, unless ordered to do so by the House of Representatives. Republicans will doubtless treat this as a confession of judgment against the so-called Tilden party, and, in consequence, were nonconcurring in it.

Philip's, from the committee on appropriations, reported the Indian bill which was made the special order for Wednesday next.

Durham, from the same committee, reported the military academy appropriation bill with the Senate bill, which had been introduced with a trial exception.

Sparks', from the committee on appropriations, submitted a resolution respecting the state raids in Kansas and Nebraska, and the capture of marauders, and calling on the Secretary of the Interior for information.

The Indian bill was made the special order for Wednesday next.

Compensation for Loss of Slave.

An extraordinary session has been called by the Foster Committee of Representatives in behalf of the slaves of the District of Columbia, to meet on January 2d, 1879, and the act of Congress of 1865, which provided for the emancipation of slaves in the District of Columbia, is to be considered.

Compensation for Loss of Slave.

A bill authorizing the payment of compensation for the loss of slaves in the District of Columbia, was introduced by Mr. Wm. H. Seward, of New York, on January 2d, 1879, and the bill was referred to the Committee on Compensation.
