ventions—Governor Patti-

Ferdinand Tries to Play Toby  
to the Sultan, But is Eady Subberd.

CONSTANTINOPLE, August 24.—The  
Porte has telegraphed Prince Ferdi-  
nand that it disapproves his entry into  
Bulgaria without the sanction of the  
powers.

M. Vukovitch, the Bulgarian agent,  
has handed the Porte a telegram from  
Prince Ferdinand expressing his op-  
position to the Sultan and asking per-  
mission to come to Constantinople to  
pay his homage in person. The prime  
minister will reply informing the  
Prince that the Sultan cannot accede to  
the proposition.

Distinguished Invalids.  
SAN FRANCISCO, August 24.—Gov.  
Bartlett has been resting easy to-day,  
and seems to have revived somewhat  
from yesterday's paralytic stroke.

There is little if any reason to hope  
for his recovery, yet his death may not  
occur for several days.

WEEKS, N. H. August 24.—General  
Black, commissioner of pensions, is  
reported quite ill with indigestion,  
rheumatism, at his residence at Stel-  
son.

The Great Tory Blunder.  
DUBLIN, August 24.—The Irish board  
of guardians has adopted an official  
resolution defying the government's  
proclamation against the National  
League.

LOXPOW, August 24.—Mr. Gladstone,  
Sir William Vernon Harcourt and  
others had a long conference this  
morning in reference to the procla-  
mation of the National League.

An open air meeting was held at  
Westminster this evening for the  
purpose of denouncing the government's  
action in proclaiming the league. Sir  
William Vernon Harcourt addressed  
the meeting. He quoted Chamber-  
lain's statements of Saturday to the  
effect that Ireland was

FREE FROM CRIME.  
"And yet," continued the speaker,  
"Messrs. Chamberlain and Collins,  
who were opposed to coercion after the  
Phoenix Park murder, countenance  
coercion now when Ireland is free  
from crime."

Mr. Chamberlain seems to like the  
principle but not the application of  
coercion. He ought to have known  
that to give the Tories a coercion act  
with the advice not to use it would be  
giving them a case with a man  
and enjoining it not to use the  
man. The government used the un-  
ionist's law to pass the coercion  
bill, and now they treat their advice  
with contempt and threaten to dissolve  
Parliament and annihilate the party  
if they withdraw their support of the  
government.

Referring to Lord Hartington, he  
said he would regret to hear that  
his absorption  
by the Tory party had already been  
arranged for, but hoped Lord Hartington  
would be warned in time of the sad  
fate of Mr. Goschen.
