

JOHN M. CHAPMAN
WAS THE STARRode in His Old Time Form Last
Evening.

DEFEATED CLEM TURVILLE.

He Also Won the First Heat and
Final of the One Mile Handicap Professional.

John M. Chapman, the one time King of the Saddle, was the scintillating star of the bicycle races last night and demonstrated to the spectators assembled at the track that he still possesses that wonderful talent that won for him fame and glory a couple of years ago.

In as pretty races as one would care to see, he carried off the first heat of the one mile handicap professional and the final, and also the ten mile match race, motor paced, from Clem Turville. He sprang right into the hearts of the people, who were as tickled as a boy with a new toy. His riding was of the warlike order, and those who witnessed the performance missed a good deal. In the ten mile race he was paced by his own motor manipulated by John and Gusie Lawson, and they gave him such pace that Turville's big legs were unable to pull. Clem Turville had the pole in the first heat and retained it until the seventh mile when he asked for more speed. It was given him and the next moment the crowd was filled with anticipation at the sight of him shooting around the track. It was a pretty burst of speed, but was not his best by any means.

Up to that time the race was not so fast as it might have been, but when the two mile match race was over, the crowd was more excited. Around the track they flew striking the turns with a bump that fairly made the audience gasp with apprehension. Several times Turville dropped back for a moment and each time the people would exclaim "Chapman is going to win," but they were agreeably surprised each time for the Atlanta boy refused to be beaten. On the last two laps Chapman made his supreme effort, but Turville was equal to the fight and kept the lead crossing the tape a good way ahead of Turville.

The incident he dismounted from his wheel, Chapman he shouted out to him and said: "I will bet you \$100 a side that I can beat you in a ten mile race." The claim was snapped up with a readiness that made Turville stare after him. The two mile amateur lap race was very interesting. It was run in half mile heats to qualify. The first went to Dick Grames in 1:04-5; the second to Leo Bowers in 1:04-5; and the third to Eddie Smith in 1:04-5. Bowers played wise in the final and held back until the last when he forged ahead and won in a close finish with Bowers second.

THE PENNANT NOT WON.
It is Yet Possible for the Salt Lakes to Get It.

Regarding the pennant race in the intermountain league, Manager Griffin, of the Salt Lakes, says there is a wrong impression out. Ogden will have to win one more game to secure the coveted prize. If the Salt Lakes win all their remaining games, the team will be tied with Ogden. The fourth of July festival games were not counted out but the matter was allowed to rest with the understanding that in the event the teams came closer together President Boardley would set a day for the game to be played. The locals, therefore, still have a slim chance for the pennant. The question of second place is not settled yet either, and it is possible for Lagoon to gain that position.

With abouts of Jay the White winged damascus bounded up another notch yesterday afternoon by wrenching an important game from the noble crustaceans who dwell with "Ancient Buck" Weaver out at Lagoon.

Until the fourth inning there was nothing doing save a little strike out contest between Messrs. Hawley and Newmeyer. It was a most interesting little affair and pleased the fans immensely. At the beginning of the fourth inning one intimated that it was about time to get off a bunch of pyrotechnics. Griffin's pole took the cue.

The first man to walk the plank was Taylor, going out on a fly to third. Newmeyer gave Hawley a walk and Williams smote out a single. Cope was given full transportation and each base point was occupied. Little Asbury hit one that sizzled down to Stoney for a second. WON THE SILVER CUP.
The L. D. S. College Boys Were the Champions.

The Latterday Saints College (now the L. D. S. University) baseball nine has been awarded the silver cup for the championship of Utah in the intercollegiate games of the spring and summer.

The college nine had a run of victories quite unusual in the successes they achieved. They played, in all, fifteen games. Of these they lost but three, winning the other twelve.

They were, therefore, awarded the championship of the state for intercollegiate baseball. Hardware company, of this city, had offered a beautiful silver cup to the champion school nine of the state. It is a goblet with two handles; is about ten inches high and five inches in extreme width.

On one side is a laurel wreath and a pair of baseball bats crossed under it, leaning against the goblet. Above is the inscription: "1901 championship of Utah. Salt Lake Hardware cup. Scholastic baseball."

The other side of the goblet bears this inscription: "Won by L. D. S. University team, Freeman Barrett, Mgr.; Will Douglas, Capt.; Mark Thomas, Taylor, Stewart, Clayton, Lund, Christy, McCluskey, Murdock."

The cup was brought up to the University and placed alongside the silver goblet similarly won this year by the college basketball girls.

LIPTON'S DEPARTURE.

Received a Great Send Off From His Neighbors.

New York, Aug. 14.—Commenting upon the departure of Sir Thomas Lipton, the London correspondent of the Tribune says:

Sir Thomas Lipton received a send off which seemed to imply that the cup was already as good as won. His neighbors joined in a demonstration of friendly feeling when he left Southampton, and the platform at Euston station was crowded with a mob of admirers, cheering and singing wildly. A brother of Sir Francis Knolly's was present to say good-bye and flower girls with a costly model of the challenger in chrysanthemums, asters, chambracks and thistles, proved a pretty bit of stage business. Sir Thomas had a long quarter of an hour in which to share his confidence with a swarm of reporters and scattered compliments far and wide, Americans not being neglected.

The scenes enacted when he started for the previous contest were repeated for a larger crowd with more fervid enthusiasm. Sir Thomas made a hearty speech, and was flinging his arms about excitedly when the train trundled out of the station while the crowd cheered lustily. Talkative, as he was, his train theme was the advantage of seventeen minutes figured out for the second over the first Shamrock and the thousand feet of additional sail. Lipton will win the cup if money and the best English expert talent can do it, and nothing less than a gearage will be the reward from the king.

RACES AT BUFFALO.

Fight for Championship is Narrowed Down—Yer is In.

Buffalo, N. Y., Aug. 14.—There was only one final at the Grand Circuit meeting of the National Cycling association at the Pan-American stadium today. It was the half-mile amateur, and was won by P. W. Brown of Pittsburgh. The next morning the grand semi-finals and finals tomorrow brought out some good contests and some surprises, especially in the Pan-American circuit championship. The fight for the money in this event has narrowed down to Kramer, Fisher, Lawson and Owen Kimble. Tom Cooper of Detroit failed to get a place in the first trial heat.

The English rider did better work today. Jack Greer won the first heat of the one-mile 210 class professional, and getting a place in the semi-finals, won the right to compete in the grand semi-final tomorrow. Besides Greer, Bowler and Newkirk of Chicago, and Otto Crabb of Erie, have qualified in this event.

San Francisco, Aug. 15.—News of the death of Otto Crabb, the Australian pugilist, has just been received. On the night of July 22nd Crabb fought "Micky" Dunn in Sydney before the Gayety Athletic club. The fight lasted nine rounds and ended in a knockout, Dunn being the victor. The next morning Crabb was found dead in bed. Crabb was well known on this coast, having fought several battles here. His real name was A. O. Simpson.
