Consimption of the Bowels cured by Dr. F. L. Plant, of Market Row, Salt Lake City.

TESTIMONY:

THESTIMONY: Our dear little grandson was for many months fearfully troubled with the above complaint, rendering him to every appear-ance a most frightful-looking object, and from which his sufferings were beyond de-scription, but, thanks to Dr. E. L. Plant, is now perfectly curved and free from the disease. For verification please call at our Lunch House, First South Street, opposite Theatro, S. L. C., and ascertain all particu-lars. JOHN HAGELL.

FITS! FITS! FITS!

A Testimony from Mr. Hunter, of Payson, son of Bishor: Hunter :

DEAR DOCTOR PLANT:- Gratitude and thanks are comparatively very poor words to use in conveying my feelings for the very astonishing cure you have performed on my son. He was troubled with those fear-ful fits from his birth, from which he was deprived of both the use of his right arm and right foot, from which, under God's biessing and your superior skill, he is now entire y recovered.

Depter P. L. Plant, Market Rew, Salt Lake City, Nov. 8, 1876.

NUT LAKE CITY, May 22, 1876. Abcul six weeks ago I was perfectly oured f a cancer in my tongue. The suffering Abcul six weeks ago I was perfectly cured of a cancer in my tongue. The suffering through which I passed previous to its re-moval, cannot be described. The cure was effected without any surgical operation, and I gradually experienced great vellef from the commencement of Dr. Plant's skillful treatment. The entire cure was performed in six weeks. I am sixty-one years old, and am prepared to answer any or all inquiries in relation to the matter. But the case, to myself, seems so wonderful that I think it my duity to take the present that I think it my duty to take the present means of communicating the fact for the benefit of others. Mus. MAY. 14th Ward, Main Street.

A PERFECT CURE.

A PERFECT CURE. Dr. E. I. Plant's reputation is increasing all over the Territory as certain destroyer of worms in the human body, and a curver of fits, cancers, tumors, scrofula, etc. One case, that of Mr. John Skidmore's daughter, at Salt Lake, should be mentioned among others. The girl had been afflicted for years with fits. She was placed under Dr. Plant's care, and in a short time she was entirely cured, and has not had a single fit for twelve months. Another daughter of the same gentleman was affected with a hugh wer. Dr. Plant made a perfect cure without the use of the knife. He does all he claims, and his charges are reasonable. His office is in Market Row, Salt Lake City. dl8 w
