GREAT ATHLETES CONTEST TODAY

First Day of Amateur Athletic Meet At Alaska-Yukon-Pacific Exposition—Sensational Performances.

Seattle, Wash., Aug. 13.—Athletes famous the country over will gather at the Alaska-Yukon-Pacific exposition stadium this afternoon for the first day of the Amateur Athletic union's annual championship track and field games. With the pick of the east competing against the pick of the west, the games promise to be among the greatest ever held, certainly the greatest ever held on this coast. The meet starts at 2:30 o'clock Pacific coast time.

TRACK IS FAST

The track undoubtedly is the fastest in this part of the country. Martin Ganev, of the Chicago team, declaring that it is fast enough to warrant new records in the sprints and runs. In the 100-yard dash, the 220-yard dash and the three-quarter-mile runs especially keen contests are looked for. The fields of entries in these events are the best ever gathered on the coast, even though the men are rated as juniors. In the 100-yard dash the fastest in the east will meet practically untried, but feet men from the west. W. P. Dabhart, the Princeton crack, is pitted against E. E. Nelson of Boston. C. Forline, the champion of the Mississippi valley, Oliver Huston, the undefeated University of Oregon captain, Ralph Capron of Minneapolis, and Courtney and Jack Nelson of Seattle.

HERMAN C. LONG, FAMOUS OLD CHAMPION SHORTSTOP, WHO IS DYING OF CONSUMPTION IN COLORADO.

Herman C. Long, the famous old shortstop of the Boston Nationals, who is dying of consumption in Colorado, won a place in the hearts of the American baseball public that has been achieved by very few of the diamond stars. His brilliant playing and kindly disposition made friends for his team as well as for himself. Twenty years ago he was a promising youngster on the Kansas City team, where his ability was so pronounced as to indicate that he would one day become the greatest of all shortstops. He was a member of the Boston Nationals under Frank Selee, the club which captured five national championships in the following years: 1891, 1892, 1893, 1897 and 1898. In 1892 he led the shortstops of America with a fielding average of .947 in 108 games. Always a good batsman, he had an average of .327 in 106 games in 1897. Several years ago Long resigned from the Boston Nationals to manage a minor league team. It is a coincidence that Selee, the famous manager, whose career was closely associated with that of Long, died recently in Colorado of consumption.

G. A. R. NIGHT AT SAUCER TRACK

Veterans See Some Fast Going on Bicycles—What Became of 10,000 Tickets Given Committee?

It was G. A. R. night at the saucer last night and many of the veterans and their wives attended the races and from their expressions after the events they enjoyed them very much. To the committee in charge of the convention, Manager Harry Heagren gave 10,000 tickets to be distributed among the veterans, but many of the tickets did not reach the people for whom they were intended. Instead, scores of persons in no way connected with the G. A. R. presented tickets at the gate and were promptly turned down. True, to his word, every veteran wearing a badge whether he had a ticket or not, Manager Heagren admitted free. The races were fast and interesting, especially in the two big sprint events. The two-mile G. A. R. handicap was captured by Norman Hopper from the 90-yard mark, but the race was a heart breaker as the mark men set a terrific clip from the start. The unknown distance lap race saw 20 amateurs line up for the start and they pedaled away for dear life for five miles before the race ended. It looked like Wright might capture the event but his hard work told on him and Mayer was there with the jump that won.

THE OTHER EVENTS WERE AS FOLLOWS:

Two-mile motor record exhibition, by F. E. Whittier, Time—2:14.45. One-mile G. A. R. lap handicap—Hopper (90 yards), Palmer (95 yards), Senhouse (100 yards), Lawson (scratch). Time—3:42.5. Three-quarter-mile open, professional, final—Lawson, Downing, Palmer, Samuelsen, Time—1:27.45. Unknown distance lap, amateur—Mayer, McCormack, Wright, Lume, Distance—Five miles, Time—10:11.5. Former record—10:23.5.

THE OTHER EVENTS WERE AS FOLLOWS:

Two-mile motor record exhibition, by F. E. Whittier, Time—2:14.45. One-mile G. A. R. lap handicap—Hopper (90 yards), Palmer (95 yards), Senhouse (100 yards), Lawson (scratch). Time—3:42.5.

The contest has the sanction of the American Automobile Association.

JOHNSON ARRESTED.

Chicago, Aug. 12.—Jack Johnson, the pugilist, was arrested today for exceeding the speed limit. He was released after depositing \$50 as security for his appearance in court tomorrow.

FOUR GOLFERS LEFT.

Chicago, Aug. 12.—Western Champion Charles Evans, Jr., Rosewell F. Mundy of Exmore, Gordon Copeland of Skokie and Ralph Hoagland of Riverside are the survivors of the first and second rounds of the annual golf tournament at the Onwentsia club today. Albert Seckel of Riverside, defeated in the second round by Evans, shares the honors of the day with the successful semi-final, as he equaled the course record—70, and broke his record for the last time by coming in 12 in the first round match, with W. P. Schatz of Wheaton. Seckel was defeated by Evans 5 up and 1 to play in the second round. This was the feature match of the day and Evans and Seckel had been the finalists in the western championships at Homewood last year. Evans won the match by 1 up after 36 holes of play.

FREDDIE WELCH AND BATTLING NELSON.

New York, Aug. 12.—The announcement from London that Freddie Welch has arranged for a 45-round fight with Battling Nelson to be fought in the United States in September, has created the liveliest interest here. By decisively ending every contender in his own country, Welch has become the undisputed lightweight champion of England and for some time he has been endeavoring to open negotiations with Nelson, the holder of the world's lightweight championship, for a battle. Nelson expressed willingness some time ago to give Welch a chance to win the title and at that time it was said that Welch would fight it, it is said. The cablegram announcing that the English pugilist had agreed to the fight with Nelson indicated that Welch had accepted all of Nelson's terms. The fight will be seen in either California or Nevada, as these are the only states in which the 45-round battle is permitted. New York sporting men believe that Welch will require a longer time for training. While Nelson is always more or less in condition for a fight, it is believed that for a match of this consequence, he would require a considerable period of active training. Welch also keeps himself in good condition and is but a light time round about in any time and it is believed he would require a season of hard training in this country to make a creditable showing against Nelson.
