But to engage war of epithets and - 22 spirit of the Gospel in every sense. hibits of this kind free from the taint of hyberbole, exaggeration being no beteconomic regime, demanded room. In mighty effect hereafter.

It is a question, under the present situation of affairs whether the same eager attention and importance accorded to circumstances pertaining to the outside pressure upon the Saints are given to the internal condition of the Church, by those who compose it. Yet if there be any difference between the degree of energy that should be and established, with the non-extendisplayed in those two directions it would be difficult to state which should

labor! be the more favored. Perhaps, how\_ wounds! would be deemed the more urgent. The body-religious may be aptly compared in this connection, to the human organism. When it is fragile, sickly and disordered, within its own structure, it is unable to cope with those outside conditions that conduce to disoperation. Necessarily in the eyes of inonopoly-restricted competition this ease jand dissolution. It is unable to bear up vigorously against exposure is a foe. The old cry for freedom through increase of power-the autito storms, malarial atmosphere and slavery justification-caunot well be epidemic maladies. On the other hand urged again; hence the moral standard is unfurled. Monogamy (with its "twin-relic,"Prostitution,) is no more when it is pure, healthful and strong, it passes through adverse conditions a question in the minds of the wor shippers at the shrine of the commonalmost unscathed.
