UNIVERSITY OF DESERET, Salt Lake City, June 8th, 1887.

By carefully examining DeLand's Chemical Baking Powder with the microscope and with chemical reagents, I find that it is free from Alum, Starch, Flour, Bone Ash, Ammonia and Wite Earth; and that it consists essentially of Cream of Tartar and Bi-carbonate of Soda.

The Baking Powder examined I purchased at Barnes & Davis, in this city.

EVENING NEWS.

Thursday, - March 15, 1888.

TELEGRAPHIC NEWS.

Continued from First Page.

Many Vessels Lost.

PHILADELPHIA, March 14.—Captain Burns, of the brig *Startle*, which returned from the Delaware capes today, reports having had a terrible time during the storm. He feared that nearly all the schooners which passed through the capes since the beginning of the blizzard have been lost. He saw several vessels go down near the iron pier at Lewes, one with all on board, but was unable to render any assistance.

Fatal End of a Feud.

RATON, N.M., March 14.—This morning at 8 o'clock Deputy Sheriff G. W. Cook shot and killed Deputy United States Marshal Frank Catlin, in a house of ill-fame in this city. The killing was the result of hard feelings which originated over the last election, since when it has been regarded as only a question of time when one would meet death at the hands of the other. Catlin had been drinking hard all night and at the hour mentioned the men went to the house for the purpose of serving a warrant on the inmates. While there a dispute arose over the arrest made by one of them a few days before. Both pulled revolvers. Cook grabbed at Catlin's right arm and Catlin seized Cook's pistol. In this position they struggled about the room for some time when Catlin's pistol was discharged, the ball grazing the other man's face. Cook succeeded in getting his pistol pointed towards Catlin, when he fired, the ball striking him under the left arm, shattering the shoulder blade. Cook then fired three more shots into the wounded man's head, scattering his brains all over the room. Catlin lived an hour, but in an unconscious condition. Cook then walked out and gave himself up and was lodged in jail. Both men have a great number of followers, and it is feared more trouble will result over the shooting.

Beef for the French.

DENVER, March 14.—The Cattle Trust of this city has just closed a contract with the French government to supply the French army with a hundred and fifty thousand head of beef cattle annually. The cattle will be all range stock. The price is not made public. The shipments will be made to Chicago as soon as possible, where it is understood they are to be slaughtered.

A Fortnight Given.

LONDON, March 14.—The French, British and Spanish agents at Tangier are urging the Sultan of Morocco to accede to the demands of the American consul in the matter of the arrest of a United States *protege* there. The consul has given the Moroccan government a fortnight in which to afford satisfaction.

The Czarowitz's Visit

ST. PETERSBURG, March 14.—The *Official Messenger* says:

The Czarowitz's journey to Berlin to represent his father at the funeral of Emperor William, shows the close ties of friendship and confidence that have long united the two imperial houses, to which Emperor William remained faithful to the last, and which remains strong under Emperor Frederick. These ties, as they have been in the past, will be the pledge of the durability of the friendly relations between Russia and Germany, so necessary for their mutual welfare and for the prevention of international complications.

Judge Denny Resigns.

PORTLAND, Oregon, March 14.—By private letter it is learned that Judge O. N. Denny, who received the appointment of Inspector-General of Customs for the Corean government nearly three years ago, has tendered his resignation, which takes effect March 31st. In addition to his duties as inspector-general of customs, Judge Denny held the position of private legal adviser of the King of Corea. Declining health and political complications are the occasion of the resignation. Judge Denny in his letter says Corea is just now engaged in a death struggle, almost, with China for national existence. The King of Corea is very loth to accept his resignation, but Denny acted on the advice of his physicians. The American minister has consented to take Denny's place. Denny was United States consul general at Tien Tsin for a number of years. He will return to Portland, his old home.

Western Union Earnings.

NEW YORK, March 14.—The earnings of the Western Union for the quarter ending March are estimated at $1,250,000. Interest, dividends and sinking fund payments require $1,220,000, leaving a surplus from the quarter's earnings of $29,997. The surplus on January 1st, 1888, was $7,393,714, making the total estimated surplus April 1, 1888, $7,423,711. The gross earnings for the quarter ending Dec. 31, 1887, were fully as large as expected, being within a fraction of $5,000,000, but the current expenses of the B. & O. system were temporarily increased by the large outlay of money to cancel the future obligations of useless office leases and other contracts. The cost of repairs and maintenance are also greatly increased during the last and current quarters, owing to the unusual number of snow and sleet storms.

A Tenement on Fire.

NEW YORK, March 14.—Antonio Marino was aroused from sleep at 4 this morning in the room on the first floor rear of a tenement house in Mulberry street by flames rising from the cellar. He succeeded, with difficulty, in waking several men sleeping in the room, who were already partly overcome by the smoke. Their cries aroused the inmates of the upper floors, and in a few minutes nearly 100 families were standing in the cold and snow on the streets. Immense banks of snow prevented the fire engines reaching the house, but after much exertion a line of hose was got to it and the fire was subdued.

Saving His Strength.

BERLIN, March 14.—Dr. Mackenzie insists that the Emperor spare his strength as much as possible. Yesterday His Majesty retired to rest much earlier than usual. Bismarck's condition is satisfactory.

Bandits Killed.

NOGALES, Ariz., March 14.—It is learned that Mexican troops encountered a large body of bandits under Theodosia Bernal, recently, near Los Remedios, Mexico, and killed a number of them and seized a large quantity of their arms and ammunition and also important papers belonging to Eraclio Berna', the dead bandit chief. An American named Gill, who was with the bandits, was killed.

Powder Explosion.

GRASS VALLEY, Cal., March 14.—A fire broke out in the dry house of the Empire mine near town today, and the flames soon spread to two hundred pounds of Vigorite powder stored in the building. An explosion followed, demolishing the structure, instantly killing a young man named Daniel C. Trebilon, and injuring six other persons, two of whom, William Shields and John Paul, will probably die.

A Desperado Lynched.

ST. LOUIS, March 14.—John Skinner, a noted desperado and murderer, was taken from jail at Hopkinsville, Kentucky, this morning and lynched.

California's Convention.

SAN FRANCISCO, March 14.—The Republican State Central Committee today decided to hold the State Convention at Sacramento, May 1, for the purpose of selecting delegates to the National Convention at Chicago in June next.

False Report.

CHICAGO, March 14.—California and Iowa papers reaching here today, contain reports that Barry Leavitt, the noted witness in the Haddock case at Sioux City, had killed a cowboy in Dodge City, Kansas, and was to be executed for the crime on March 30th. Telegrams from Leavitt at Peoria to the *Daily News* tonight, pronounce the reports unfounded. Leavitt is managing a theatre in Peoria, and claims never to have been in Dodge City.

Is Life Worth Living?

That depends upon the Liver, for if the Liver is inactive the whole system is out of order—the breath is bad, digestion poor, head dull or aching, energy and hopefulness gone, the spirits are depressed, a heavy weight exists after eating, with general despondency and the blues. The Liver is the housekeeper of the health; and a harmless, simple remedy that acts like Nature, does not constipate afterwards or require constant taking, does not interfere with business or pleasure during its use, makes Simmons Liver Regulator a medical perfection.

I have tested its virtues personally, and know that for Dyspepsia, Biliousness and Throbbing Headache, it is the best medicine the world ever saw. Have tried forty other remedies before Simmons Liver Regulator, and none of them gave more than temporary relief, but the Regulator has only relieved but cured.

ON READING AND FILING THE PEtition of L. S. Hills, Administrator of the Estate of Mary Ann Hooper, deceased, setting forth that he has filed his final account of his administration upon said estate in this Court; that all the debts have been fully paid, and that a portion of said estate remains to be divided among the heirs of said deceased, and praying among other things for an order allowing said final account and of distribution of the residue of said estate among the persons entitled;

It is ordered that all persons interested in the estate of the said Mary Ann Hooper, deceased, be and appear before the Probate Court of the County of Salt Lake, at the Court Room of said Court, in the County Court House, on the 16th day of April, 1888, at 11 o'clock a. m., then and there to show cause why an order allowing said final account and of distribution should not be made of the residue of said estate among the heirs of the said Mary Ann Hooper, deceased, according to law.

It is further ordered that the clerk cause copies of this order to be posted in three public places in Salt Lake County and published in the DESERET EVENING NEWS, a newspaper printed and circulated in Salt Lake County, three weeks successively prior to said 16th day of April, 1888.
