## EVENING NEWS May 16, 1883. Wednesday,

## FLOATING FRAGMENTS.

The general meeting of the Sev-entics will be held this evening.

The electric light sheds its brilli-ant -livery beams along North Temple street nightly.

The warm weather is bringing down the water from the moun-The streams are beginning ta'ns. to booni. Look but for floods.

The D. & R. G. R R. bridge across the Weber River will probably be finished to morrow, and the first train run through to Ogden on Baturday.

The 11th has passed and no Mr. Goodhart nor Mr. Butler Johnstone has yet put in an appearance.

fell in the corner and beat each other, till James cried out, "Have I "As the bicycle is a revolver,"said a policeman, "why dozen't the law against carrying concealed weapons apply toit?" "Because," replied the magistrate, "it avoids cart.idges, and never goes off by itself." ed out a six shooter. The men rush

Yesterday a little boy observed a man with long flowing whiskers parted in the middle, fork fachion. He rushed into the house abouting -"Come and see a man like a valentine."

We understand from Bro. Henry Rolapp, of Montpeller, that those stillicted with smallpox in that town, see all convakement, and it is ex-pected that the quarantine will soon be lifted. No new cases.— Bear Lake Democrat.

ame tack he would come shooting Mr. P. Margette is building a large He went away, and was gone only store next to his residence in the a short time. As he en'ered at the 7th Ward, for the sale of his cele- dpor, he fired into the sa'oon. At brated Cup and Baucer and School this all the men ran out. He tried Z. C. M. I. Basked Tea, for which he is agent, and a general assortment of staple and fancy groceries. He will open about the 1st of June.

Brother Daniel Tyler, compiler and author of "The History of the Mormon Battalian" is in the city again, and will scend some time canvassing for that work. He was recently through Sampte County, where he met with good success. He reports all well in that part of Utah. then shot James in the arm, and

On Monday night William Mil-ler, 20 years old, was standing near the shaft of the Original Mine, Butte City, when he slipped and was precipitated down a distance of 400 feet. When his lifeless body Her Description — A few days was brought to the surface, it was

Details of the Shooting. - The It Won't Do .- The citizens are llowing, from a Tintic correspondaware that an enthusiastic fanatie ence of the Enquirer, is, the fallest named Forsgren lives in's tent on account of the Silver Creek homi- the bench eastward from the Tenth

ide that has yet been published:

"I arrived here on Wednesday, effect that some of the boys are in and found everything smooth, with the habit of going up to the vicinity the exception of a little excitement of his temporary abode and subjecting him to a variety of annoyances. tacle common in mining camps. Among the crowd was a man named In return Foregren has on reveral occasions brought out his gun and Frank James, a Cornishman, who was intoxicated and boasting in the commenced shooting at the youths. street that he was the bully of the town and had been for the past eight months, and he would make done this when the boys have been persons he met give the road to passing without giving him any him, with a six shouter stuck in their faces This was the way he acted the the conduct of the boys is doubtless faces This was the way he acted the whole of the evening, every one be-ing afraid of being shot. About 11.30 that night he came into the saloon of McChrystal & Co, and with a string of oaths, said he could whip anyone in Eureka, and came he cause of his wrath, and if they do not stop it is not improbable that some of them may get hurt. On the other hand, Mr. Forsgren should be restrained from resorting
