MUNICIPAL MATTERS.

Telegraph and Telephone Ordinances Vote Sustained.

WATER SCRIP ORDINANCE KILLED.

Lawson's Political Redistricting Scheme Laid Over Again.—Miscellaneous.

The City Council was attended by the following members last night: Lawson, Hales, Washburn, Lyon, Evans, Loofbourow, Rich, Hardy, Folland, Moran, Rich and Simonds. Mr. Simonds acted as chairman.

THE PROCEEDINGS.

A. J. Cronin and others sent in a communication complaining that the Salt Lake Meat company, at the corner of Third South and Fifth West streets, had transformed their premises into a bone boiling establishment and that the stench arising therefrom was unhealthful and unendurable. They asked that it be abated as a nuisance. (Sanitary committee.)

T. A. Wilberham asked that $295.17 be placed to his credit for the payment of taxes, which he said was due for some furniture for the joint city and county building. Committee on finance.

The Pacific Paving company sent in a communication in which they announced the acceptance of $765 as payment in full for their claim of $918 for removing trees on West Temple street. Filed.

Amos Morelon, a fireman complained that Chief Stanton had deducted $4.75 from his wages during the month of June of this year. He complained that this was illegal and asked that the amount be appropriated to him. Committee on fire department.

Alfred Howe called attention to a claim for damages submitted to the Council some time since. He claimed to have incurred injuries while working in the city waterworks department, Superintendent of waterworks and city attorney.

C. J. Salisbury asked that $171.30 of the amount recently set aside on the contract with the Metropolitan Mining company in favor of the members of Branch 52 of the Paving Cutters' Union of the United States and Canada, to be paid to him, said sum being assigned to him by the Stone company. Committee on finance.

S. H. Allen and $5 paid him refunded to him on recommendation of the street supervisor, who declared that the tax had also been paid at Bingham.

The committee on joint city and county building reported that they had entered into a contract with the Cleveland Gas Fixture company to furnish the city's portion of chandeliers and brackets in the building, for $4,000, according to a proposition made to the council recently. The contract was approved and referred to the Mayor for confirmation.

FLUME CONTRACT.

Land and Water Commissioner Tuttleton submitted an agreement between the city and the Utah, Portland Cement company by which the latter is permitted to construct a flume or conveyance capacity to carry the water to the Eagle Rock Springs in Parley's Canyon creek, above the dam and mouth of the conduit from which point said waters are conducted into the city. The cement company owns a slate quarry near said springs and are desirous of wetting the same and the debris from said springs is liable to and would fill up the ditch and interfere with the flow of water. Laid on the table temporarily.

TELEPHONE ORDINANCE AND VETO.

The Mayor's veto of Rich's ordinance, submitted months ago, imposing a tax on telegraph and telephone poles, was taken up and read in full—a task that required nearly half an hour of rapid reading. Then there was a call for the reading of the ordinance—another request which was granted. In so much as this ground had been gone over time and again it caused several persons to the chamber to express themselves to the effect that something must be ordered in order that the impression should be created that they were earning their $5.

The Mayor's veto was sustained on the following vote:

Yeas—Folland, Hardy, Hales, Horn, Loofbourow, Lyon, Moran, Simonds, Washburn.—9.

Nays—Evans, Lawson, Rich.—3.

ANOTHER ONE KILLED.

An ordinance introduced several months ago at the instance of Councilman Lawson was taken up and on motion of Moran was laid on the table indefinitely.

THE WATER SCRIP ORDINANCE.

The ordinance regulating the issuance of water scrip, so recently referred to in these columns during the last year, was taken from the table but failed to pass.

THAT RESTRICTIVE ORDINANCE.

Lawson's political redistricting ordinance came up and was buffeted about like a high second tenorist in several minutes, after which it was laid on the table until next meeting.

The Council then adjourned until 8 o'clock tonight.

Dairy and Creameries.

In Denmark cows are put into the stables at the beginning of cold weather and do not go out again until they go on pasture. In this country a cruel custom, where they are left out on warm days in winter, will be found for those in parts of the County in which the cold is not too severe.

The Dealers in dairy products in Denver now state that they have found a scarcity of cream, which will run up all the profits to milk, butter and ice cream, cheese, curds, and can only be secured or sold under gilt-edged guarantees. The creameries and dairymen of those states say other localities are short.

Dairying should be carried on all the year round, in winter as in summer, or cows must produce it.

In the long run it is better to raise dairy cows than to fat cows. The latter can be sure of improving the breed. There is nothing like improving the milking qualities of your herd. Breed

DR. SCHENCK'S MANDRAKE PILLS

Mandrake Pills have a value as a household remedy far beyond the power of language to describe. The family can hardly be true to itself that does not keep them on hand for use in emergencies.

MANDRAKE PILLS.

Is the only vegetable substitute for that dangerous mineral, Mercury, and while its action as a curative is fully equal, it possesses none of its pernicious effects.

In Constipation, Mandrake acts upon the bowels without disposing them to subsequent costiveness.

No remedy acts so directly on the liver, nothing so speedily cures Sick Headache, Sour Stomach and Biliousness as these

MANDRAKE PILLS.

For sale by all Druggists. Price 25c per box; 5 boxes for $1, or sent by mail, postage free, on receipt of price. Dr. J. H. Schenck & Son, Phila'a

St. Charles Unsweetened Evaporated Cream

Mothers,

Don't forget the St. Charles Unsweetened Sterilized Cream these hot days. Nothing so equal as a Baby Food. Try it!

It will save you money.
