DESCRET EVENING NEWS.

DESCRET EVENING NEWS.

In the company of th PRESIDENT CANNO'S RHATHDAY.

Today, January 11, is the anniversary of the dirth of President Gastas Q. Camon, and the sevent is being quality elebrated by a gathering of the ramily like steroneon at the Camon knows. The censoin is cannot be the people of these mountain value, that the Latterday Estate out to the Latterday Estate verywhere, as well as very mony not consisted with the Church, will feel be frichtate Brather Cannon, and sincerely wish him many more years of inertainess and happeness among the people. President Canonaum of the people of the people and the people of the total of the vertical transport of the total of the total of the people who have been secontated with President Canonal directly or indirectly, and the force, the zeat the integral, and the force, the zeat the integral, and the second of the people who have been secondard with President Canonal directly or indirectly, and the gentheres and love him for the force, the zeat the integral, and the people of the hotal of the people who have been secondard with President Canonal directly or indirectly, and the gentheres and sindness that have channoismes accurate of marked accordance, the Navas extends heartiest while the him for the people of the single property of the single property of the people of the people

AT THE HOLY SEPULCHER.

According to a dispotch one of the annual scandals has again occurred at the se-called church of the holy sepulcher at Jeroselsen. This ediffice is span in the Medical Greek and Armenian branches of the Catholic faith, and these at the wardane testival perform their ribes there. Their interest, however, wfore caudist, or the create inflamed by feastinging live ventto their passions. Design singular ensue, and on the gratind that is enjected to be actual, include where a certain festivate, however, with the design of the bland of frother, its common are frome scores that bundreds flow in the debred of certain festivate, just to witness the common with the duty of weeing score sample the Medicanine-date soldiers, charged with the duty of weeing score sample the Medicanine-date soldiers, charged with the duty of weeing score sample the Christian worshippen, view the quarishment creates the second of the platers of pandemonium. It appears that a few days ago the scene was repeated, but whether any one was falled in the melies, as continues happens, was not known at the time the dispatch was sent.

These scenes of tarbation, sentifical.

meles, as sometimes impress, was not known at the time the dispatch was sent.

These seems of tarbariant, as often recurring, sit the supposed tomb of any reading, sit the supposed tomb of any reading, sit the supposed tomb of any reading, illustrate very well the contilions that prevailed in the Christian world at the time of the occupied of Asia Minor and seatons. Parage by the Mohammedan hordes, and farmed also arrange by these contribes have remained as long under the raile. From ecclesiantial history the known that the Christians in the contures proceeding the Mohammedan leader the raile. From ecclesiantial history the known that the Christians in the contures proceeding the Mohammedan which where compact contains the factor that they, on the conture, where one would naturally suppose the best and mobiest of the sign and met together, were likely in the sign and met together, were likely in the sign and met together, were likely in the sign and the contribution of the contribution of the content of the method of the contribution were such a first contribution were such, when we see the raincap speciely At the third general contains and exist which method the representation of the received and the source of the received method of the third content and which and when the factor contribution were such, all presents and the place in the street, which and desired, all prepared for Yudones. The two parties fraight in the street, when and washed, all prepared for these contributions of certain interest the source of possesses and that still manufacture into the place of a religion into some contribution and depression in the source of possesses and that still manufacture in the carted in the section of the source of possesses and the street, all presents and the place of a religion into some contribution and depression to some of which the Madalla street in the section of the sect
