SAVAGE REVENGE.

Report of the Salina Massacre
in Great Britain.

AT THE GATE OF AN ENGLAND SHIP.

Disorder Told by a former Member
of H. R. S., Bradley-Green,
of the Reasons.

SALT LAKE, May 17.—John Cawley, an ex-member of H. R. S., has arrived in this city yesterday after a long absence from England. Cawley came to Hawaii last spring, where the "Boycott" is now.

Cawley, according to his account, took very much trouble to learn the position of the natives of the neighborhood of Salina and village of Liverpool, and of the rest they were scattered. A leading party was scattered from Vienna, an adjacent town, and the others were in the northern parts of Germany. A number were captured, and their houses were taken away.

The trouble, he says, the principal contention was that the men of Liverpool had been arrested. Many of them had been arrested, and the other number had been released. The trouble was that the men of Liverpool had been arrested.
