Temperance Preaching—Railway Strikers.

NEW YORK, 21.—To-morrow the ministers of all Evangelical churches here have agreed to preach on temperance.

The Erie Railway company have engaged Italians and Germans, in place of the workmen who struck for higher wages with only partial success; over a thousand laborers at Bergen Hill tunnel struck, to-day, for $1,75 instead of $1,50, the amount now received.

A Judge Murdered.

LITTLE ROCK, 21.—A special from Forest City states that J. R. Aldridge deliberately shot N. Fox, judge of the 11th circuit, with a double barrelled shot gun, killing him almost instantly; the difficulty arose from remarks made by the judge in the court room to Aldridge, who is a lawyer.

Prayers to Suppress Intemperance.

WASHINGTON, D. C.—The Rev. Geo. A. Hall, General Secretary of the Young Men's C. A., and Mrs. Wm. Stickney, President of the Women's Christian Association, have called on the people of Washington to observe the coming week with prayer, for the blessing of God on the Legislature, to enact laws for suppressing intemperance.

$200,000 Fire.

BOSTON, 21.—A fire in the Tucker Manufacturing Company's shops and in the State Prison, at Charlestown, caused the complete destruction of those buildings; loss $200,000. The prisoners were not permitted to escape.

The Remains of the Twins.

PHILADELPHIA, 21.—Two of the sons of the Siamese twins arrived here, and will, this evening, start home with the remains of their fathers, to give them a decent interment; the sons have obtained from the physicians a statement denying that the autopsy of the deceased twins was the result of a pecuniary arrangement.

Losses by Fire.

BOSTON.—The walls of the building burned at the State's prison fire have been pulled down. A temporary building will be erected for use until the proposed new prison is erected; in the meantime the State loses $300 per day by the idleness of the convicts. The Tucker Manufacturing Co. lose $200,000 worth of stock and manufactured goods, beside the buildings, and machinery to a large amount.

WESTERN.

Unconstitutional—Fine Weather.

SAN FRANCISCO, 21. — The Supreme Court of the State has decided that the tax levy of 1872 and 1873 was unconstitutional. It is thought that the decision will necessitate a change in the entire revenue system of the State.

There has been pleasant weather for the past few days, making it very favorable for farming operations.

WEST INDIES.

Killed.

HAVANA, 21.—The *Voz de Cuba* has information of the killing of the insurgent Colonel Belisario Peralta, and eighteen of his men, by Spanish troops.

FOREIGN.

GREAT BRITAIN.

Refused to Receive Deputation—Ovation to Wolseley—Appropriation for the Ashantee Expedition.

LONDON, 21.—Disraeli, to-day, refused to receive the deputation which came to ask him to release the Fenians.

General Wolseley has arrived. His reception at Waterloo Station was a perfect ovation.

The House of Commons, to-day, passed a bill appropriating four million dollars for the Ashantee Expedition.

Anderson gave notice that, on Monday next, he would ask the government whether it was willing to co-operate with the United States, in fixing sailing tracks for vessels crossing the Atlantic.

Last Night's Dispatches.

EASTERN.

Indian News.

CHEYENNE, Wy., 22.—A special to the Cheyenne *Leader*, from its correspondent at the Red Cloud agency, says the situation is unchanged. Five companies of troops are stationed there, and five at Spotted Tail. The peace commissioners have had a talk with the Indians, but nothing was accomplished. The issue of beef has been ordered suspended until the Indians come and be mustered. It is thought that the number of lodges for which beef has been issued heretofore is about two thousand in excess of the true number. There is much opposition on the part of the Indians to being counted. Red Dog and family are now the only Indians registered. Sitting Bull harangues his people and urges them not to register, but to get their guns ready, for they may need them. No demand has been made for the Indians that committed the murders, and it does not seem probable that any will be made. The Minneconjous are still in the vicinity of the Spotted Tail agency; they have burned a ranche owned by Frank Yates, and some hay belonging to the government. Lone Horn and Roman Nose, with their bands, say they will leave the agency as soon as they get some beef. The troops at Spotted Tail expect trouble, and are fortifying themselves on a position which commands the agency. The peace commissioners say the Indians are as good as soldiers, and nothing ought to be done towards punishing them without first consulting the agent, and having the matter referred to Washington. The temper of the Indians at the agencies is anything but friendly, and their bearing towards the troops grows much worse under the idea that the commissioners and agents are also opposed to military interference. So far nothing has been accomplished. The more hostile Indians have not been seen, and the whole question is as unsettled as it was a month ago.

Judge Dent Dead—Decline in Revenue Receipts.

WASHINGTON, 22.—Judge Dent, brother of Mrs. Grant, died at his residence this morning, of tumor in the stomach.

The internal revenue receipts have diminished the past two weeks, especially in the Ohio, and Indiana districts, where the temperance crusade is in progress; another cause of the decline in receipts is thought to be the uncertainty throughout the country in regard to the probable action of Congress in reference to finance.

Special Temperance Services.

One of the principal hotels has been notified of a visit by ladies to-morrow noon, to endeavor to suppress the liquor traffic there, in the special services, incidental to the week of prayer called in the interest of temperance, commenced this afternoon at Lincoln Hall.

Will Concede Nothing to Strikers.

NEW YORK, 22.—The representatives of the Erie and Pennsylvania Central and New York Central roads, yesterday, agreed to concede nothing to the striking freightmen; new men will be put on to-morrow in place of all who do not report for duty. The strikers say they do not intend to have recourse to violence, and they made use of none towards the Italians whom they dispersed yesterday morning. An immense quantity of freight has accumulated, chiefly at Long Dock, New Jersey.

The Temperance Movement.

CLEVELAND, O., 22.—The mayor's proclamation to the effect that disturbers of the public peace would be treated as common malefactors will evidently apply to crusaders' meetings on the sidewalks and in saloons, called out much discussion to-day. The church services were usually in relation to temperance, all the ministers favoring the temperance movement. The citizens sympathize with the women, and condemn their insulters. Judge Ranney has given his opinion that the proclamation in no wise restrains the ladies, except in the matter of sidewalk services. The ladies will renew their visits to the saloons on Monday.

Temperance Meeting — Excursion Party—Licensing Social Evil.

CHICAGO, 22. — Another temperance meeting was held in Clark St. Methodist Church to-night; all the speakers, ladies and clergymen, expressed the greatest faith in the prayer movement as a reforming power.

A large excursion party, representing the St. Paul and Minneapolis press, arrived here last night, to spend a few days in the city.

Doctors Kahn and Schloetzer, of the Board of Health, have prepared an ordinance, providing for the license of houses of prostitution in this city; a strong pressure will be brought to bear on the council against the adoption of such an ordinance.

A Big Fire.

INDIANAPOLIS, 22.—The most destructive fire that ever occurred in this city broke out about 7 o'clock this evening, in a new four story block, known as Exchange Block, on Penna. St., between Market and Ohio, consisting of six store rooms, which were almost completed, and which were entirely destroyed. From Exchange Block the fire extended across the street to the Sheets block, at the corner of Ohio and Penna. St., also to a new block of ten large store rooms, and a hotel above almost ready for occupation. The next building in the course of the fire was the Martindale Block, at the corner of Penna. and Market Streets, consisting of nine stores and a number of offices, which were entirely destroyed. From thence the fire continued to Spaff's livery stable, on Wabash St., and several smaller buildings in the rear of Martindale St. The block was all destroyed. At 8.30 the fire is apparently under control, and will probably not extend further. A correct estimate of the loss cannot be made at present, but it is believed to be between $300,000 and $400,000. The fire was undoubtedly the work of an incendiary.

WESTERN.

A Shocking Accident and, its Strange effect on a Bystander.

SAN FRANCISCO, 22. — Joseph Booth fell under a car at Virginia, Nev., to-day, and had both his legs cut off; a young man who witnessed the accident fainted, and his hair, which was jet black, turned instantly gray. Booth probably cannot survive.

MEXICO.

More Catholic Outrages.

CITY OF MEXICO, 15.—A Catholic mob, on the night of March 7th, attacked the Protestants in Pueblo, smashed windows and furniture, destroyed Bibles and stoned the pastor, the Rev. Antonio Corral.

FOREIGN.

FRANCE.

Cure of Santa Cruz Arrested—A Princess Born.

BAYONNE, 22.—Some French officers arrested the cure of Santa Cruz on the frontier, and brought him here.

The wife of Don Carlos has been delivered of a daughter.

AUSTRIA.

New Minister to Washington.

VIENNA, 22.—Baron Schwartz Penborn is gazetted as Austrian Minister to Washington.

PRUSSIA.

Congratulate the Emperor, He will have Peace.

BERLIN, 22.—The Generals of the army at present in this city, waited in a body on the Emperor to-day, and congratulated him on reaching his seventy-seventh birthday; the Emperor, in the course of his reply, referred to the crisis hanging over the army, and declared his determination to maintain its strength, and thereby insure the peace of Europe.

SPAIN.

National Bank Established.

MADRID, 22.—A decree has been promulgated establishing a National Bank, and granting it a monopoly of the issue of bank notes, and compulsorily incorporating with it all other banks in the country; in return the new bank agrees to advance the government 125 million pesetas.
