CITY SHOULD OWN THE WATERWORKS

Strong Talk by Sam Browning in City Council Session Last Night.

HEARINGS IN DISTRICT COURT.

Sudden Death of George Mills of Spring City—U. P. Pays Judgment in Damage Suit.

Ogden, Sept. 18.—At the meeting of the city council last night the chief feature was the discussion of the new waterworks franchise. The matter came before the body on the application for a new franchise presented by Councilman Thomas. The franchise was the same as that presented two weeks ago, but it had a large number of amendments tacked on to it. Councilman Sam Browning, the new member from the proponent, took a hand in the matter. A lively tilt ensued between him and Councilman Thomas.

Mr. Browning's talk was directed along the lines of municipal ownership of the waterworks system. He said: "This is the time when we should investigate carefully into the city's financial standing and its bonding margin, and if possible secure our own water rights in the Strong's and Waterfall canyons and see what can be done with reference to securing a better proposition."

The new franchise, which is similar to the one recently granted to the water company, except it contains an amendment to section 2, with reference to the optional installation of meters in residences, was finally passed over two readings in spite of Mr. Browning's objection and was referred to the law committee.

An application was made by E. W. Wade of the Utah Light & Railway company for permission to erect a line of poles across a portion of the city cemetery. This was referred to the grounds and building committee.

Officer Robert Burke petitioned for an increase of \$10 per month and was given \$5.

Miss J. H. Limberg was allowed \$40 on recommendation of the claims committee for damage to her clothing alleged to have been caused by stepping into a mud hole in the street.

An ordinance increasing the salary of the fire chief from \$1,500 to \$1,800 passed two readings and was referred to the finance committee.

A decree of divorce is prayed for, custody of the children and asks the court to require defendant to pay into the court \$2,500 or its equivalent in property.

GEORGE MILLS' SUDDEN DEATH.
Due to Rheumatism of the Heart—Came From Spring City.

Ogden, Sept. 18.—It was decided by the county officials that it was unnecessary to hold an inquest over the remains of George Mills, whose death occurred very suddenly Sunday evening. Mr. Mills was a well known resident of Spring City, Utah, where he has a wife and 10 children to mourn his sudden taking away. He was 55 years of age. He had only been a resident of Ogden about a month, having come here for the purpose of entering the employ of Jones Brothers, patent medicine manufacturers, but as Elmer Jones was busy building a house Mr. Mills helped him in that work, and was living at the home of Mr. Jones, corner Thirty-sixth street and Grand avenue. He was alone in the house when the spell of heart failure came on, which resulted in his death. Mr. Jones discovered him in a dying condition on his return from church. He notified Dr. Baker, who responded quickly but Mr. Mills had breathed his last before he arrived and all he could do was to pronounce him dead, death having resulted from rheumatism from which he had been suffering greatly during the past few weeks. His body was removed to Larkin & Son's undertaking parlors and prepared for burial and shipment to his home this afternoon for interment.

ACCIDENTAL DROWNING.
Verdict of Coroner's Jury on Death of Mrs. Kristina Larson.

Ogden, Sept. 18.—A coroner's inquest over the remains of Mrs. Kristina Larson, whose body was found Sunday in the Harrisville canal, was held yesterday before Judge Murphy and a jury composed of Peter Boyer, M. C. Nelson and A. E. Peterson, who, after hearing the evidence in the case brought in a verdict that she came to her death by accidental drowning by falling into the canal. Mrs. Larson having been subject to heart failure it is the opinion of all who learned the circumstances of her death that in crossing the small foot bridge she was seized with an attack of heart trouble and fell forward into the water and drowned. At 2 o'clock the funeral services over her remains were held at the Lynn ward meetinghouse.

RIVERTON.
SAMUEL L. HOWARD DEAD.
Honored Pioneer Closes Strenuous Career at 66.

Special Correspondence.
Riverton, Sept. 12.—Riverton mourns the loss of one of her sturdy pioneers in the death of Samuel L. Howard today.

Samuel L. Howard was born in Bedfordshire, England, Oct. 16, 1840, his parents being some of the early converts; he was blessed as a child by Lorenzo Snow, who at that time was performing missions to the native land of Elder Howard.

He was orphaned at an early age, losing his mother when he was nine and his father when he was fourteen years of age, the family having emigrated to St. Louis at that time, from which city the family moved to Ogden, where he reached in 1856, making his home at Mill Creek, where he resided until 1877 when he removed to what is now Riverton, occupying many prominent Church and local offices, being up to the time that he died, a most successful and energetic business man.

In April, 1866, he married Sarah J. Hamilton, and they were blessed with nine children, the widow and seven children survive, also 41 grandchildren and two great-grandchildren, to mourn the loss of one of the most prominent energetic and unselfish pioneers in the settlement of the southwest of Salt Lake county.

The funeral was held at the Riverton meetinghouse, and the remains, after being followed by a procession about a mile long, were laid away in the South Jordan cemetery.

Mrs. Susan A. Houston Closes Honored Life at 69.

Special Correspondence.
American Fork, Utah Co., Sept. 15.—The citizens of American Fork are once more called to part company with another faithful saint through the death of Mrs. Susan Ann Bennett Houston, who passed away Sept. 12. Deceased was born at Plymouth, Devonshire, England, Feb. 19, 1838, and joined the Church of Jesus Christ of Latter-day Saints in 1853. She earned her means by her own hands to emigrate to this country, coming in the spring of 1857, crossing the plains in Jesse B. Martin's company, and for two weeks drawing a handcart for a lady who was too sick to perform the hard labor.

She arrived in Salt Lake City and married William Gardner in October, 1857, and was left a widow Jan. 13, 1859. William H. Gardner is the survivor of that union. She married John Houston Feb. 28, 1860, by whom she became the mother of nine children, six of whom are now living. She was a good and noble wife, an excellent and loving mother, and a faithful Church member. MORGAN.
DELEGATES UNINSTRUCTED.
Morgan Contingent to State Convention—Mason Breaks His Leg.

Special Correspondence.
Morgan, Morgan Co., Sept. 16.—A Republican county convention was held here yesterday and elected the following delegates to attend the Republican state convention in Salt Lake Sept. 20: C. M. Croft, James Johnson, Robert Rippon, Thomas Harding and J. R. Porter. The Howell forces tried to pass a resolution instructing the delegates to vote for Mr. Howell for Congress. But this was voted down and the delegates were sent uninstructed. It is evident that no one man will get the whole five votes unless a dark horse should come up. They all seem to be looking for some Republican not yet named.

Ellis Flint, a brick mason employed on the North Morgan schoolhouse had his leg broken above the ankle, this morning at 2 a. m. Dr. Pughmore was called and he sent the unfortunate man to Ogden to the hospital. Just how it happened is not yet known. The man had been drinking considerable all afternoon and evening and about 2 o'clock in the morning he crossed the

street from the hotel to the depot. His leg was broken while crossing the street, he called help and said some one struck him, but some of the people that gathered around seem to be of the opinion that he fell down and broke his leg.
