

BUSINESS CONTINUES GOOD

A Steady Demand and Prices Well Maintained.

IDLENESS IN TEXTILE LINES

Partially Offset Effect of Activity in Other Parts of the Country—Manufacturing Returns Irregular.

New York, June 12.—R. G. Duff & Co.'s Weekly Review of Trade tomorrow will say: "Except in those branches of business that are always quiet at this season, reports indicate a steady demand, and prices of commodities are fairly maintained. Manufacturing returns are irregular, idleness in textile lines partially offsetting the good effect of activity elsewhere. Earnings of railroads reporting for the first week of June are only 3 per cent larger than last year, and 7.8 per cent greater than in 1901, a condition due entirely to work on floods.

"That furnace stocks of pig iron in the United States are 40,000 tons, despite the unprecedented output, testifies to the great consumption of the steel industry.

"Leather and hides are strong and active. Failures this week were 215 in the United States, against 162 last year, and 14 in Canada, compared with 20 a year ago."

THE CIRCUS COMING.

Sells & Down Show Will Be Here on The 25th.

The Sells & Down circus, which has never been seen in Salt Lake, comes for one day only on the 25th of this month, the Omaha Bee says:

"We have been reading lately many complimentary comments on the greatly increased size and unquestioned merit of the newly equipped Great Sells & Down shows, now touring the west, but by the magnitude of the show as a whole, as it comes in sections on its recently constructed train, and again by its stupendous, clean and novel parade. A show never presented a more gorgeous pageant. The show is absolutely new throughout and covers not only the entire show lots, but all the streets surrounding them. The tents at the afternoon performance were packed with visitors, and the circus program, for novelty, great features, comedy and real attractiveness, is far superior to anything offered to an Omaha audience for many years, and we have had all of the so-called big shows."

BAPTIST CELEBRATION.

Church Fittingly Honors Its Twentieth Anniversary.

The First Baptist church is celebrating the twentieth anniversary of its establishment in this city. The program began last evening, at the church with a dinner at 6:30, and numerous speeches. J. F. Berkeley spoke on "The first service I attended after the church was organized." Mrs. Berkeley on "The first sermon I heard." Miss Mary E. Berkeley on "The first Sabbath school I attended," and Mrs. Harriet L. Tucker on "The first prayer-meeting I attended." Letters were read from a number of former pastors.

Members responded to the roll-call with verses of Scripture and testimony. The persons present were then formed into "alphabet families," and no one was allowed to leave his alphabet family until his leader had introduced him to all the other alphabet families.

The celebration continues through tomorrow, the morning services beginning at 10:30, with this program: Organ prelude, "Andantino," Lemare; Miss Criselle Lawson.

Scrofula
It is commonly inherited.
Few are entirely free from it.
Pale, weak, puny children are afflicted with it in nine cases out of ten, and many adults suffer from it.
Common indications are bumps in the neck, abscesses, cutaneous eruptions, inflamed eyelids, sore ears, rickets, catarrh, wasting, and general debility.

Hood's Sarsaparilla and Pills
Eradicate it, positively and absolutely. This statement is based on the thousands of permanent cures these medicines have wrought.

"My daughter had scrofula, with eleven sores on her neck and about her ears. Hood's Sarsaparilla was highly recommended and the sores took it and were cured. She is now in good health." Mrs. J. H. Jones, Parker City, Ind.

Hood's Sarsaparilla promises to cure and keeps the promise.

DEDICATION SOCIAL.
Mrs. Roundy's New Home the Scene of A Joyous Gathering.

Last Thursday night Elizabeth D. Roundy, of the Sixteenth ward, gave a very pleasant entertainment in her new home, 442 West First North street, which on that occasion was dedicated. About 40 invited guests were present. The dedicatory prayer was offered by Father John Smith and appropriate remarks were also made by him and by Elders Andrew Jensen, Arthur F. Barnes, Wm. J. Jeff, John McDonald and the hostess, Mrs. Roundy, who, in behalf of her children and grandchildren, was presented with a beautiful gold watch and chain. Mrs. Goodfellow, daughter of the hostess, made the presentation speech. After the solemn part of the exercises was over refreshments were served, and the company was entertained by songs, declamations, etc.

THE CITY'S HEALTH.
Slight Increase in Diphtheria and Scarlet Fever.

The report of the board of health for the week ending June 12 shows the report of three births more than for the preceding week and one more than for the same period of last year, 24 births having been reported the number of each sex being equal. A like condition prevailed among deaths, eight deaths of each sex being reported during the week and an increase of six over last week and a decrease of seven as compared with the corresponding week of 1902. The principal causes of death were diseases of the respiratory organs and three suicides.

Five new cases of scarlet fever were reported during the week and two cases recovered, leaving 14 cases in the city, three more than the previous week, though less than one-third of the number in detention at the same time last year. At the close of last report there were five cases of diphtheria in detention, seven cases developed during the week and three having been discharged, left nine cases in quarantine as compared with five for the same week last year. While the new cases of smallpox decreased as compared with last week the total number in quarantine is five more than for the week ending June 6. Eight new cases developed during the period covered by this report, leaving 25 cases in detention. Four cases of measles, and one case each of typhoid fever and chicken pox were also reported.

FROM JUNCTION CITY.
Pat Molan in Trouble Again—Other Ogden News.

(Special to the "News")
Ogden, June 12.—Pat Molan, who was recently released from the state prison, where he had been serving a term for a burglary committed at a music store in the city, was arrested this morning by Officer Hutchings on the charge of housebreaking. He had been employed at the Pacific hotel as porter, and some time during last night it is alleged stole a suit of clothes, a revolver and some other articles from the hotel locker. Time of his hearing has not yet been set.

SAMUEL PLEADS GUILTY.
Edward Samuel, the colored man who was accused of entering a room at the

Chamberlain house the other day and stealing some articles therefrom, appeared before Judge Rolapp this morning and entered a plea of guilty. He will be sentenced on the 15th.

MISS RAMSEY'S RECITAL.
Miss Emma Ramsey will give a musical recital in the Ogden Tabernacle on Friday evening, June 19. She will render 10 numbers on the program and will be assisted by Prof. Anton Pederson and his gifted son, also the Ogden Tabernacle choir will render two selections. The concert is looked forward to with great interest by the musical element here and will doubtless mark an event in the history of the divine art in this city.

SOCIAL AND PERSONAL.
One of the most delightful of social functions was given yesterday by Mrs. H. G. McMillan and Miss McMillan, in the nature of an afternoon tea. The rooms were beautifully decorated, the drawing room in white and American Beauty roses, the rear parlor in deep red roses and palms, the library in pink roses, and the dining room in white and green, the last being especially attractive with its green ribbon streamers, white carnations and plumosa, and white lace spreads decorating the table. An orchestra was stationed in the dining room, and furnished delightful music during the afternoon. Receiving with the hostesses were Mrs. W. R. Rice, Mrs. Thomas Best and Mrs. Christine Sullivan, and Mrs. Parsons had charge of the dining room, where Mrs. Mont Perry and Mrs. Babcock served tea and coffee. Assisting them were the Misses Best and Mildred McMillan, Louise Sullivan, Alice Goodwin and Lorene Leary. The punch bowl was in the sitting room, and the young girls who had charge of it at various times during the afternoon were Miss Zane, Miss McGrath, Miss Dooley, and Mrs. Elliott of Kentucky. About 300 invitations were issued.

Mrs. L. C. Pond of Pocatello, Ida., and Mrs. J. W. Hyde of Baker City, Or., are visiting with their mother, Mrs. Joseph Knibb of this city.

Mrs. Fannie Little entertained at a card party on Tuesday night in honor of Miss Louise Madson and S. H. Land. The rooms were prettily decorated in carnations and palms and about 30 guests were present, numbering Mr. and Mrs. O. R. Hardy, the Misses Everitt, Madson, John Hardy, Little, Madson, Greenstreet, Allen, Clayton, Anderson, Hansen, Leyland, Taylor and Messrs. Ashley, Hardy, Clive, Ruckon, Anderson, Sorenson, Cramer, Thompson, Everett, Madson, Davis, Hardy, Shuttley and Noon.

Mr. and Mrs. D. S. Murray entertained last night at a "chasing-dish" party last night, in honor of Miss Julia Dean.

A unique and pretty party was given last night at the home of Miss May Bartch, in the nature of a "picnic party." The guests enjoyed in plenty costumes, and the idea being carried out in many ways. Picking flowers was done in a figurative way, the guests indulging in a floral guessing game, and prizes being awarded the best guessers. When the time came for

serving refreshments, the guests were given small baskets, and dispatched for a walk around the block, and when they returned, they found a tablecloth spread on the lawn, and opening their baskets found established to spread thereon, in true picnic style. The winners in the guessing game were Alta Rayline, Elizabeth Palmer, George Barratt and Robert Leonard. The pleasant affair was thoroughly enjoyed by all present.

The engagement of Miss Annie Chase and Fred Ward is announced, the wedding to take place in the near future.

Mr. and Mrs. Ed Wilson have issued invitations to the wedding reception of their niece, Rose Ethel Vick, and Lorenzo J. King, on Wednesday, June 17.

Mrs. Curtis L. Knight is visiting friends in Reno.

Dr. and Mrs. C. W. Higgins have issued invitations for the wedding of their daughter Vera and Robert H. Wilson, to take place next Wednesday.

The annual meeting and election of officers of daughters of the Revolution, was held Wednesday, June 10, in room 609 Templeton building. Regent Mrs. Julia P. M. Farnsworth in the chair. Minutes of the annual meeting in 1902 were read and approved, and considerable business transacted. Reports of the past year's work by the officers were given and letters read from the General Society of D. R. Officers elected for the ensuing year were: Mrs. Isabel M. Whitney Sears, regent; Mrs. Phoebe J. Beattie, first vice regent; Mrs. Mira G. Rossiter, second vice regent; Miss Catherine Wells, secretary; Miss M. Madeline Shaw, assistant secretary; Miss Florence Scholtes, corresponding secretary; Mrs. Caroline V. Cannon, treasurer; Mrs. Maria V. Douglas, registrar; Mrs. Emmeline H. Wells, historian; Julia P. M. Farnsworth, chaplain. The next meeting will be in September, unless called by the regent.

The Misses Adelaide and Gwendolyn Anderson of the Eighteenth ward left for California last Tuesday, where they will spend the summer with their sisters, Mrs. Dr. Lamore of San Francisco and Mrs. Blanche Eckhoff of San Rafael.

Miss Wiegand of Butte, Mont., will be the guest of Mrs. Mott and Mrs. Patrick during the summer.

Maud Jones, aged 16, and a resident of Wheeler avenue, lost the smallpox State Superintendent Nelson, delivered an address to the graduating class at Park City last night.

State Superintendent of Schools Nelson will go to Richfield tomorrow, where he will deliver an address to the school trustees of Sevier county on Monday.

The many friends of Mr. and Mrs. Thomas Yates will be pained to learn that Mrs. Yates is lying critically ill at her home, 145 Eleventh East street, with a very bad case of smallpox.

Local dealers report a steady increase in the demand for fireworks so that there are prospects for a large display of patriotism and injuries from burns and premature explosions between this date and the "glorious Fourth."

The gifted youth of Salt Lake are raising the sporting goods stores for cashmere gloves and mittens, and a desolate street now that does not have a dozen or more ambulatory youth "twirling the state" each afternoon.

The engines and boilers of the Light & Power company's new Jordan plant are running well, and in a few days, when the belting in of the engine will be ready to pick up its load, and steady running operations will begin.

The following citizens were chosen last evening to membership in the Commercial club: John W. Donnellan, Joseph Appelman, Tony Jacobson, Lewis C. Jeff, James North, John Q. Ritchlow, G. L. Cleveland, Salt Lake City; Richard S. McCaffery, New York City.

There is a party of 13 Germans at the Knutsford today, the 15th, en route around the world in charge of a Berlin tourist company conductor. The English that these people are able to muster does not amount to very much. They come from San Francisco, en route east from the Orient.

The committee of county superintendents to prepare a course of study in the schools of the state, has completed its work and left the matter in the hands of the state superintendent. The committee printed. That work will be completed in about 10 days.

The superintendent of the Provo Woolen mill has reported to the directors that the new looms recently ordered have been received, and most of them are now in service. In 10 days the entire lot will be in operation. Orders are coming along freely, and the mill is having all that it can attend to. The goods being turned out are nearly all casimere in stripes and plain patterns, with a modicum of check patterns.

Rain continues to be the principal thing to the south and west. Grand Junction has had a fall of 3.5 of an inch, which will make the local alfalfa grow with almost visible progress. Santa Fe had yesterday a fall of 2.5 of an inch. El Paso caught another dose amounting to .4 of an inch. This amounts to 1.5 inch at El Paso in the last two days, and the entire country for a long distance around is drenched. The people are fearing a repetition of the great flood of 1875, when the Rio Grande broke into the city, cutting half of it under water, and burying field after field of ripening crops with mud on the south side of the stream.
