being spent principally in the kingdom of Prussia. When he arrived in the city of Konigsberg there were 19 Saints there, but the 'work since had been blessed of the Lord and a strong branch

of good Latter-day Saints had been or-ganized. At first the Elders were granted considerable freedom, and while the same degree of liberty was

not now accorded them, the work was

in good condition, and was well able to take care of itself. The same condition

and stated that a year ago a meeting was held in Berlin at which President

Francis M. Lyman and representatives from all the German branches were

resent. The situation was thorough-gone over and the meeting developed

the fact that although during the year there had been 50 banishments from

different sections, no reasons for such had been given, save that the "Mor-

For Those Who Live on Farms.

Dr. Bergin, Pana, Ills., writes: "I have used Ballard's Snow Liniment; Iways recommend it to my friends, as am confident there is no better made. I am confident there is no better made. It is a dandy for burns." Those who live on farms are especially liable to many accidental cuts, burns and bruis-es, which heat rapidly when Ballard's Snow Liniment is applied. It should always be kept in the house for cases of emergency, 25c, 50c and \$1.00 at Z. C. . 1. Drug Department.
