BIG LEAGUE IN PENNANT RACE

American and National Organizations Begin Season of 1907.

OPENING WAS SUCCESSFUL.

At New York There Was no Police Protection and the Game Was Forfeited to Philadelphia.

"Play Ball!" was the welcome sound heard in seven big eastern cities yester-day when the baseball season for 1907 was ushered in by teams in the two big leagues, the American and National. The opening was most successful and the out-

look is certainly encouraging.

Although in some places the weather was pretty cold for baseball, thousands

was pretty cold for baseball, thousands of fans braved the wind, willing to endure discomfort to see an exhibition of the national pastime. The Boston game between the Beancaters and Brooklyn is on today as the weather was too cold yesterday.

Only in one city was there any trouble and that occurred at New York. The game was forfeited to Philadelphia because the crowd rushed onto the field and interfered with the players. This would not have happened had the management of the home team seen to it that proper police protection was provided for. Following is an account of the games played in the American, National and Pacific Coast leagues:

Detroit, April 11.—With the thermometer at 40 degrees and Umpire Sheridan working in a heavy overcoat. Mullin pitched a remarkable opening game today, holding Cleveland down to three infield hits and a shutout, 2 to 0. Poor base running cost Cleveland its one chance to score. Cobb did some great work in run-making for the locals. Beore: R. H. E.

St. Louis, April II.—St. Louis defeated the champion Chicagos this afternoon in the opening game of the American league season, I to 6, in a game played in mid-season form despite the cold and threat-ening weather. St. Louis made eight hits off Altrock, the star twirler of the Chicago team, and only fine fielding behind mm kept the score as low as it was. Howell pitched in fine form and was also given good support.

Washington, April II.—The baseball season was opened here most successfully notwithstanding the cold weather. The New York team defeated Washington in a well played game, 3 to 2, the remarkable fielding of Keeler, Conroy and Elberfeld keeping the locals from getting runners over the plate at critical times. Both Hughes and Orth were hit fairly hard, the batting of Larorte being a feature of the contest.

NATIONAL LEAGUE.

Chicago, April 11 .- Nearly ten thousand Chicago, April II.—Nearly ten thousand persons braved the cold weather to witness the National league opening game here today. Mayor Dunne was present and "Cap" Anson tossed the first ball after having presented the local players with umbrellas, gifts from members of the board of trade. The champions won tastly, Overall was a puzzle to the vistors until the last luning, when an error and two singles gave St. Louis one run.

Failing Strength

A weak and exhausted condition usually follows overwork, too close confinement, or unusual mental strain. Every day a certain amount of vitality is consumed, and if not re-plenished by sleep, rest and nourishment, soon wrecks the nervous system. I suffered greatly from steeplessness, and got very little rest. The Restorative Nervine acon brought refreshing sleep, and I gained rapilly in strength until I was fully restored. I have since taken it whenever I have felt the need of a nerve tonic, and always with very satisfactory results."

No Police Protection.

New York, April 11.—The first game of the season between the New York and Philadelphia National league teams was forfeited to Philadelphia, s to 6. For some unexplained reason there were no police at the polo grounds today and the crowd surged on the field during the second half of the eighth landing. The players were unable to continue, out Umpiré Klem, instead of immediately calling the game and giving it to Philadelphia, waited until fitteen manutes had expired. A roundsman and three patrolimen meanwhile came on the grounds, but they were unable to do anything with the unfuly mob, some of the members of which amused themselves by throwing bottles, gasses and cushions in all directions. The roundsman told Roger Bresnaham of the local club that he had orders not to interfere with the crowd and the demonstration turned into a good-natured joilification. Scon Umpire Klem announced that he had forfeited the game to Philadelphia. The score was 3 to 6 in favor of the Visitors. Score: R. H. E. New York NO POLICE PROTECTION.

HIGH SCHOOL LEAGUE. Second Game Played and L. D. S. U.

Defeated University Preps. The second High School league game was played yesterday afternoon, the contesting teams being the L. D. S. U. and the University Preps. The game was devoid of anything of a sensational nature and was a one-sided affair, the L. D. S. U. team having all the advantage. The Preps. managed to work one man around the sacks. I nat was in the first inning but after that they did not have a look-in. The final score was 19 to 1. McCloskey pitched good bail for the L. D. S. U. allowing but five hits and they were generously scattered. Houstan for the Preps. had a bad day. He passed 29 and nit two and eight hits were made from his delivery.

Beat Man on Bicycle.

The second heat of the match race between Charley Wilkinson on roller skates and Diorenbacher on a bicycle, was roughast night at the Richards sireet rink, and Wilkinson again won, proving that a fast man on rollers is too much for a bike rider.

Last evening's race was the most exciting ever held here and the crowd was more enthusiastic than ever. Diefenbacher took the lead at the crack of the gun but on the third lap Wilkinson based him on one of the turns. In the fifth lap the bike rider passed the roller racer bur in the seventh Wilkinson again shot ahead of the cyclist and kept the lead streets, Fieladelphia, Pa.

MR. WM. E. BASSETT
My Beloved Friend:
It is a pleasure for me to congratulated you on the great success attending your statements. It is a pleasure for me to congratulated you on the great joy and happiness I have received through your cure of my defective speech. I stammered from the age of four years to nearly twenty-seven years, and I always stammered very badly and could not speak without great effort and at times it was impossible for me to utter a sound. I believe that I was one of the worst stammerers you ever saw. I was under your treatment four weeks and I never stammered on one word after my first lesson. Your treatment is such that an intelligent child of eight years can comply with all your instructions. Oh I wish the afflicted stammerers would readily be love the truth of your statements, they would flock to you to be cured of their affliction. I will gladly answer any stammerer who may write to me concerning your school and your success, for I am indeed an affectionate friend to the stammerer. I am yours very respectfully. OSCAR PETERSON.
