## RATE ON ASPHALT.

Commissioner Pronty Bearing Complaints in Denver.

Oct. 22 --- The sociation an excessive rate on pl supped, from Dragen Utal, to Colo, was been by United Situ merca Commissioner P. A. Pro-

(a); S. P. Barron, vice provident and gen-eral manager of the American Asphalt association, textBed that the invise Asphalt Paving company was aven by the Glison Asphalt company, which sy the Glison Automatic company, which is turn was owned by the General As-but company. The defendant's attra-ey admitted this and Mr. Barron tes-ined float the Olizon Asphalt company, ontrailing the relirend, sold glisonitis t a butter rive than the American as-control could produce it. He asked has the rate on glisonitis from Dragon of Mask he actured from Mrs. it is Mack be reduced from \$10 to \$1 a

ton. A. W. Sewell, when president of the Utilitab rail road, defended the rate of \$10. He said that it next 350000 to build the 44 miles of millroad from Dragon to Mork, and that the armund operating expenses were \$117,000. More-over, he claimed that when the Moffat railroad is completed the Ulutah rail-road will be put out of completed. For these reasons he thought that the rate hese reasons he thought that the rate W. Cooley, general man
