is treated by Europeans with respect to matters that concern any part of the American continent, the more pronounced will be the sentiment and action in favor of satisfying the interests of the whole people here in North and South America and the islands adjacent.

W. Woodruff also may be the important business of the continent which have proved American nations of dignity of life, it may be suggested that they will sustain American industries to some extent at least, in the exclusive of European interference in this case of the water, the passage of the water, an account of the water, an account of the water, an account of the water.

TO HONOR PATRIOT DEATH.

The patriotic societies which have organized the parade for 1902 are getting the attention of a committee to mark the graves of those patriots who died in British possession during the 18th century, and were buried at the same place, Long Island, New York.

GRASS CLERICAL ASSOCIATION.

The Christian churches, which are organized on a national basis with a general assembly, are now in the process of organizing a national association of grass clerical workers.

THE U. S. GOV'T REPORTS.

The U. S. Gov't reports show that the country is in a state of general prosperity, and that the government is in a position to meet the needs of the people.
