

St. Joseph, Mo., July 11.—Union lead-ers of the packing-house employes in South St. Joseph say tonight that all union men in the four plants. Swift's, St. Joseph, Nelson Morris's and Armour's will strike tomorrow, ac-cording to advices received from the national officers. Many non-union men can be secured to take their places, but managers of each of the plants to-night said they had made no arrange-ments on this line, but probably would do so after the men walk out. Six thousand men are employed in the plants in South St. Joseph. Not all of the union men are in favor of a strike, but they will obey orders from headquarters. mions would continue negotiations for he skilled men only, as proposed by ckers' representatives, or whether as would be called to enforce the in demands for a minimum wage unskilled labor. The vote in favor general strike was unanimous. butcher workmen at a recent ation decided that a minimum of 20 cents an hour for common should prevail in the packing cen-and that the wages of the skilled of the trade. Wage scales were of the trade. Wage scales were d by the different unions on headquarters

ST. LOUIS PLANTS WILL CLOSE. asis adopted by the convention, a number of conferences with the St. Louis, July 11 .-- All the blg resed beef, pork and r visions plant in this city and East St. Louis, includ-ing Armour & Co., Nelson Morris, Schwartzschild & Sulzberger, Swift & ires Co, and the Cudahay packing company will close their plants at noon tomorrow if the union butchers, who have threat-ened to strike, persist in their demands. In the event of a strike here, approximately 2,500 butchers and meat-cutters will be out.

New York, July 12 .--- Anglesey Castle is slowly giving up its secrets, says a Herald dispatch from London. The catalogue of its contents when pub-lished will form one of the most re-markable documents ever issued from

the printing press. Fictitious stories arising out of local gossip which fixed the value of the jeweis and other treas-

the new method. They may have been printed and placed in the hands of men who could affix them to the trunks or they may have been washed off trunks or properly bassed by express men who were employed to transport them from the pars. In a single trunk passed by the duplicate label system a smug-

by the dupinate hold system a sing-gier might bring into America enough diamonds to make him independently weathy. How far the ratifications and the extent of this new scheme have gone has not yet been determined. The exposure was premature and was prac-tically forced upon the customs men, who were working on and waiting for bigger game. They were compelled 10 bigger game. They were compelled to take action through the wrong address placed upon a trunk, found later to contain leaf tobacco intended for a manufacturer of cigars in Brooklyn. The duty on the leaf, of which there was be round at a to a characteristic to a contain the duty on the leaf.

PORFORIO DIAZ.

His Election as President of Mexico Announced.

Mexico City, July 11.—The formal election for the president of the repub-lic took place today. The electors met, transacted their business and an-nounced the election of Porforio Diaz as president and Ramon Corral as vice president. The election took place two as president and Ramon Corral as vice president. The election took place two weeks ago. The following day the pres-ident announced in a proclamation in-asmuch as there was no opposition to himself or Mr. Corral they were elected by the people subject to the board of electors, which met today. The electors were named last week by the various states and met today for the nurneae of

were named last week by the various states and met today for the purpose of announcing to the republic and to the world that for six years Porforio Diaz would be president and Ramon Corral vice president. The election was re-ceived with general satisfaction throughout the country. The election is taken to mean that Corral will in the near future be the president, for President Diaz is failing runidly and is going to reture in reality.

president, for President Diaz is failing rapidly and is going to retire in reality, though he will nominally be the presi-dent. In doing this he will be relieved of the arduous duties of the office and will at the same time satisfy the people who love and honor him. It is believed that Gov, Miguel Ahumada of the state of Jalisco, will be elected as Mr. Cor-ral's successor as minister of the Inter-ior.

Government Crop Report.

Washington, July 11.—Primary re-turns to the chief of the bureau of the department of agriculture show the acreage of corn planted to be about 91.-930,000 acres, an increase of about 2,130,-000 acres, or 2.4 per cent on the area planted last year, as revised in Decem-ber. The average condition of the growing crop on July 1 was 86.5, as compared with 79.4 on July 1, 1903, 87.5 at the corresponding date in 1902, and a

at the corresponding date in 1902, and a 10-year agerage of 88.4. The average condition of winter wheat on July 1 was 87.7, compared with 77.7 [ast month, 78.8 on July 1, 1903, 77 at the corresponding date in 1902, and a 10-year average of 78.3. It should be borne in mind that this report relates to conditions on July 1, and takes no note of the effects of storms that have occurred in certain states since that date.

The existing condition of spring wheat on July 1 was 93.7, as compared wheat on July 1 was 93.7, as compared with 93.4 last month, 82.5 on July 1, 1903, 82.4 at the corresponding date in 1902, and a 10-year average of 86.8. The av-erage condition on July 1 of spring and winter wheat combined was 84.5, as compared with 80 on July 1, 1905, and 82.9 at the corresponding date in 1902. The amount of wheat remaining in the hands of the farmers on July 1 is estimated at about 36,630,000 bushels, equivalent to about 5.7 per cent of the crop of last year. The average condition of the oat crop on July 1 was 89.8, as compared with 89.2 last month, 94.3 on July 1, 1903, 92.1 at the corresponding date in 1902, and a

at the corresponding date in 1902, and a 10-year average of 87.3. The average condition of barley on July 1 was 85.5, against 90.5 one month ago, 86.8 on July 1, 1903, 93.7 at the cor-

responding date in 1902, and a 10-year average of \$7.1. The average condition of winter rye

found in the castle at a million sterling may be dismissed, but the facts are in themselves sufficiently extraor-dinary. The living rooms in Anglesey castle are furnished in a manner that is castle are furnished in a manner that is magnificently extravagant. According to the latest computations, the jewels that have been discovered are expected to realize at auction from \$100,000 to \$150,000. The original cost was probably double, but owing to the fautaetic settings their value is considthe band.

fantastic settings, their value is considerably reduced. The approximate value of the furnithe approximate value of the furni-ture and other articles, apart from the jewels, real and imitation, that are be-ing catalogued probably will be some-thing like \$500,000.

In the house and grounds every fancy of the marquis has apparently been gratified in the most luxurious manner A meeting of the committee of in-spection has been held which lasted six hours. The result of the conference is that there is now every prospect that the affairs of the marquis will not come the area of the bankruptcy court. The lia-bilities at present ascertained are about \$1.380,000, and it is believed that under the proposed deed of assignment the oreditors will receive their money in full, plus four per cent interest, within about nine years, providing the mar-quis lives that long. The deed of assignment has been

The deed of assignment has been agreed to by a large number of the reditors, including three continental ewelers, who have claims for about \$2,400,000 and certain English money lenders.

TWO GIRLS DROWN. In a Slough Near Home of G. W

Shuey, Caldwell, Idaho. Caldwell, Ida., Jul 11.-Miss Bertha Masterson and Miss Ida Shuey were drowned in a slough near the home of G. W. Shuey, about two and a balf miles from Caldwell, today. The bodies of both have been recovered.

of both have been recovered. Miss Shuey, whose home is in Alton, Kan., was the niece of G. W. Shuey and was out here on a visit. Miss Mas-terton was the daughter of Dan Mas-terson, the well known rancher of Middleton. She was visiting Miss Shuey at the Shuey home, and the two young women went out to the slough to go in bathing. Just how the drowning oc-curred is not known. When they did not return search was instituted. Their clothes were found and immediately

Miss Shuey will be sent tomorow to Alton, Kan,

Fall River, Mass., July 11 .- Most of the Fall River cotton mills resumed op-erations today, after a 10 days' shut-down. Many of the manufacturers are tiring of the curtailment policy which has been in force here nearly four months, and as soon as a new agree-ment, now being worked out by many members of the Fall River Manufacturers' association, is formally assented to It is expected the mills will be more ac-tive. The operatives, of whom there are more than 25,000 in the cloth mills, are restless over the situation. They have sustained a loss in wages during thes spring and summer amounting to a reduction of 40 per cent. The textile unions expect a revision in wages will be made which will be a reduction of 10 per cent.

PEOPLE'S PARTY.

Leaders Will Soon Decide on Some Plan for Campaign.

St. Louis, July 11.-After three con-ferences, held Saturday night by mem-bers of the executive committee of the people's party with prominent Bryan Democrats who are dissatisfied, not so much with the platform as with the presidential nomination by the Demo-cratic national convention, it has been decided by the conference of the leaders to decide on some line of action

This statement is given by the Asso-ciated Press on the authority of George Washburn of Boston, now treasurer of the People's party, who, with several members of the national executive commembers of the hational executive com-mittee of that party, has been in St. Louis attending the Democratic nation-al convention. Mr. Washburn, when asked to divulge the names of some of his associates in the conference, declin-ed to make them known. The extent of the movement and the names of those the movement and the names of those engaged in it, he said, would be made public when the call for the national conference was issued, and their prom-inence, he said, would be a surprise. A number of those present in the con-ference, Mr. Washburn said, were Mis-sourians, while others were from Par-ker's our state. ker's own state.

Commenting on Judge Parker's nom-ination, Mr. Washburn said: "Next to Cleveland, the Populists most desired the nomination of Parker. His nomination emphasizes the parting of the ways of the allied forces and will help immensely to restore the Populist party to its former strength and effective-

POLITICAL PRISONERS.

Henceforth Those in Russia to Be Tried by the Courts.

St. Petersburg, July 11 .- The system of condemning political prisoners by administrative order has been abolish-ed by imperial decree, and persons ared by imperial decree, and persons ar-cused of political crimes will hence-forth be tried by the courts under the usual procedure. This order is far-reaching, ending forever the abitrary condemnation to exile or even death of political suspects without the inter-vention of the courts. It is considered to be one of the most sweeping reforms of this generation and it is underected of this generation and it is understood that it was recommended by the coun-cil of the empire, with the acquiescence and approval of the minister of the in-terior, M. Piehve. vast reserve stocks don't think that the best has been picked the first day for every Bargain Table greets you
