Kelley-Boxers All Right. Kelley-Boxers All Right. Battling Nelson and "Spider" Welch were on the streets this morning and both said they felt no serious effects from the grueling mill they engaged in last night. Nelson has a slight abrasion over the right eye, while Welch has a discolored eye and cut mouth. He has no marks on the body. He said he was still feeling a little weak, but attributes it as much to the climate as anything else. Welch and McClintic leave for San Francisco tonight. They have received articles of agreement for a contest with Frank Rafael at San Francisco at the end of the month. Welch is well thought of on the coast. Nelson and his manager, Ted Murphy, will remain in Sait Lake for some time. This morning McClintic, Welch's managèr, said to the "News" sporting editor:

Before I leave Sait Lake I would like to say something to the fight fans through the columns of your paper. I have handled ighters all over the country and have done business with many promoters. Be-fore I came here and since our arrival, people have come to me with a knock against S. J. Kelley, the manager of the club. They said hard things about him, but I found him to be absolutely square in every particular. Before we left the coast he agreed to furnish tickets and berths for two; to give us a guarantee; to furnish training quarters and to give out a certain number of passes. Every-thing he said he would do he did, to the smallest detail, and I take my hat off to S. J. Kelley as the squarest fight mana-ger that I ever did business with. Knock-ing against him don't go with me. I have found him the squarest man in the busi-ness. As to the matter of passes he agreed to give out only 10. He gave out more than that and every one over the number he paid for out of his own pocket. I know personally that he paid out of his own pocket \$11 for passes. I have noth-ing but praise for Mr. Kelley." Manager Ted Murphy and Batting Nelson had the same to say for him.

Mrs. Pitcher Lenvitt Passes Away - Epidemic of Mumps-Notes.

Special Correspondence.

Cardston, Canada, March 29 .- It is with feelings of sadness that we report the death of Mrs. Julia Pitcher Leavitt, wife of Edwin Leavitt of this place. The deceased had been ill for one week and her death was the result of childbirth. She leaves a husband, two little girls and a large circle of friends to mourn her untimely demise.

The whole of southern Alberta has had an epidemic of "Mumps" for two months past, but with this exception we are pleased to report all in good health. Stock on range look well and in many cases appear to have passed the winter better than most of those fed and sheltered. A goodly number of beef steers will be ready for shipping from the middle to last of April.
