

## ONCE MORE TO TRY BASEBALL LEAGUE

Salt Lake to be Center of State Teams for Rest of Season.

### MANAGERS' MEETING SUNDAY.

Park City and Eureka to Join in State Organization to Satisfy Cravings of Incurable Fans.

The troubled area of the baseball world has long been known by another name, spelled awfully like Salt Lake City. What isn't trouble in the town is graveyards, where sleep the efforts of many a good promoter. But for all that, a new and more modest effort is about to be launched to give the city occasional ball, and try to substi off what is to be picked up from it. Many are they who think that the grave is just a yawp for 'em, while others have a hunch that this is the scale to which Salt Lake can be measured as a ball center.

The plan isn't to mix with any other states nor to away cities, but just to dominate the West. It keeps promises down by traveling over to Park City and down to Eureka as a limit. The teams of which it is proposed to form a league consist of the four teams that made the best amateur record up to date, and will ought to run a season through with fairly good ball. Salt Lake furnishes two of the teams, the Swift Specifics and the Salt Lake, while Park City and Eureka furnish the other two. For a president of the league Geo. Ames, of the Highland Bay, is being discussed, and seems to be a favorite.

Chicago Aug. 16.—It took National Champion H. C. Egan twenty-one hours to defeat Bruce Smith of Ontonagon, in the final round of the first round of play for the Examiner Cup. Playing even with Egan every extra hole, the Yale player sliced to the woods on the 18th hole, and was unable to get back after taking three shots to get on the course. With the score at nine above two in, the two players put up a tie, and Egan, getting improving strokes, won the full and two men out and faced one to right side, scoring Nealan and Spencer.

Score: H. C. Egan, 14; Bruce Smith, 15. Batteries—Emerson and Graham, Schmidt and Hayes, Endres—McGraw.

At Seattle—Seattle—Los Angeles game postponed, rain.

ASSOCIATION FOOTBALL.

Teams Meet to Consider Forming a State League.

The Association football game in Utah is to receive something of a boost this fall, by the organization of a league in which the Eureka team will be the central figure. Eight tower grounds now in use will be held by the Salt Lake club to discuss the matter.

**AUTOMOBILE RACES.**

President Hewitt of Automobile Club Planning State Fair Meet.

A meeting of the Salt Lake Automobile club will be held in the first week for the purpose of assorting machines for races at the fair grounds during the state fair. It will be the effort to get cars so completely matched as to make racing as near as the result, and to this end the owners are co-operating. A match people would like to see would be with Bert Teller and a Peoria wheel, Wallace Hesford and his big Peoria, as a three-wheel proposition. Both cars are built to be a good match. Another good run will be made between a new Alton and the Panhandle. The latter recently brought here by Col. Holmes. Run about races between the same brand of machine and good drivers would prove an interesting race. The Alton, however, I thought that an entire program of exciting races can be filled up from machines now in the city. If there is a lack of them at the start, the Bert might resurrect the famous "Man-killing 99."

**FRIDAY'S RACES.**

Samuelson and Downing to Fight for First Place.

At the Salt Palace saunter tomorrow night the great car will be arranged the feature in which is the race between Samuelson and Downing, with everybody else off the board. It is a half-mile sprint, and its outcome will give a good deal of satisfaction to the spectators. The purse money, Downings, who comes from San Jose, has given Samuelson a good chance to place in several recent meets, and the race will be run under the most difficult conditions, and this race will settle definitely which of the men can really get the most juice into his speed gear. The race will be run at 8 p.m.

Other features are a two-mile open race for professionals, a three-quarter-mile handicap professional, an unlimited amateur pursuit race for amateurs, and a half-mile open amateur.

**Swimmers' Contest.**

The day of Charles L. Sheeley of all comes for a match swimming contest, as yet without takers. He asserts it is still on, and would like to hear from likely candidates.

**SCHRECK AND WILLIE.**

## CATARRH A UNIVERSAL DISEASE

Catarrh usually begins with a cold in the head, but does not stop there. The mucous membranes all become inflamed and secrete a filthy, unhealthy matter which is absorbed by the blood and distributed to all parts of the body. The patient is then continually hawking and spitting, the nose is stopped up, the ears have a ringing or buzzing noise, the throat becomes sore, and as the unhealthy matter more thoroughly saturates the blood a general feeling of dependency takes possession of the system.

I had Catarrh for about fifteen years, and could never get rid of it. I tried everything I could hear of, but nothing resulted. I then began S. S. S. and could see a little improvement in the first few days, but nothing definite. After a short while was cured. This was six years ago, and I am well today as any man. I think Catarrh is a blood disease, and nothing can be done to improve it for the blood than S. S. S. No body thinks more of S. S. S. than I do. M. MATSON.

Local applications cannot cure Catarrh, because they do not reach the seat of the trouble. They allay the inflammation and temporarily relieve the disease, but as soon as they are left off the trouble returns. The only way to cure Catarrh is to treat it through the blood. S. S. S. soon clears the blood of all Catarrhal matter and purges it of all irritating poisons, checks further progress of the trouble and completely cures the disease. S. S. S. keeps the blood in perfect condition so that it can eliminate all waste matter that will produce Catarrh.

Nothing equals this great vegetable remedy in the cure of this disease. Write for our book and any medical advice you wish. We make no charge for either.
