A petition from C. C. Clements and others, taxpayers on Main Street, asking that the water pipes be continued down the street to the south-east corner block of the 7th Ward, and agreeing to take and pay for a supply of water as soon as the pipes shall be laid, was referred to the committee on water works.

A petition was received from Macdoff Bros. asking the privilege of establishing a lime depot on the street near the Warm Springs, and agreeing to keep it a sufficient distance from the road to avoid all disagreeable features. Referred to the committee on public grounds.

A petition was received from Wm. Hyde, asking the privilege of laying a water pipe from the 19th Ward ditch to carry water to his residence on the 17th Ward bench for household purposes. Granted.

A motion was carried to the effect that Mr. Harrison's water privilege to take water from the 19th Ward ditch by means of a hydraulic ram, be rescinded.

The committee on claims, to whom was referred the gas bill for \$1,143, and that of Jesse W. Fox for \$102.25, reported favorably on said bills, and amounts were appropriated.

A bill from Salt Lake County for work done in widening the Fifth Ward canal, of which the city was to bear half the expense, and which half amounts to \$210.86, was allowed and appropriated.

By order of the Court, 12 additional jurors were drawn from the box to serve as petit jurors for the April term, 1878, as follows: Archibald Frame, Lewis B. Adams, Ambrose Shaw, L. U. Colbath, Newell H. Clayton, William McComas, George R. Jones, David James, James Bennett, Sen., R. B. Horn, C. J. Johnson, H. C. Hullinger.

The Scottish Conference. - We have been enabled to peruse a letter from President A. F. Macdonald, of the Scottish Conference, dated April 25th, to a friend in this City. We learn from it that about 40 Saints of that Conference would leave for Utah with the first emigrating company of the season, and a number more would start for here at different times.

The spring had opened up favorably for outdoor preaching, and other missionary labor. About 30 persons had been baptized into the Church since January. The fear of war and approaching calamity was causing some who had fallen away from the truth to feel concerned about their future, while some wicked men, who had apostatized, were increasing in their bitterness.

A "Bumper." - The Eleventh Ward Schoolhouse was filled to overflowing last night, and the entertainment was highly appreciated by the large audience. The Union Glee Club, Messrs. D. McKensie and Philip Margates, Jr., Miss Olsen and a few others are probably laboring harder than any others in the cause of aid for the suffering Welsh. They cheerfully go from ward to ward and settlement to settlement, giving their valuable services free.

The concert of last evening cleared over eighty dollars for the Welsh emigration fund.

From Malad. - Bishop George Dunford, of Malad City, is in town. We learn from him that throat diseases are prevalent there just now. A number of deaths, principally among children, have recently occurred from that cause.

There is plenty of good land in that part of the country and room enough for a large number of families. Good places could be found for 150 of the right sort. The Utah Northern Railroad will pass through Marsh Valley, about 22 miles north of Malad City.

Lost. - A little orphan girl, living at the residence of Bishop R. V. Morris, 18th Ward, lost a bundle of clothing in traveling from Tooele to this city. Any information that will lead to its recovery would be thankfully received.

Information Wanted. - Mary Prescott, 18th Ward, Salt Lake City, would like to know the whereabouts of her son, James Prescott. When last heard from he was living with Mr. Arnold Goodfellow, Curlew Valley, Kellon, C. P. R. R., Utah. She has repeatedly written but received no reply.

Missionary Notice. - These missionaries for Europe who intend to leave this city or Ogden on May 21st, should send in their names immediately, so that berths may be secured on the vessel which will sail May 28th. P. O. box 321, Salt Lake City. JOSEPH F. SMITH.

Gone South. - This morning President John Taylor and Elders Wilford Woodruff and Joseph F. Smith, of the Quorum of the Twelve Apostles; Bishops L. W. Hardy and R. T. Burton, President L. J. Nuttall, of the Kanab Stake, and other brethren and a number of ladies, left the city for Sanpete County.

The Proposed Road. - We understand the length of the proposed narrow gauge railroad, between York, the present terminus of the Utah Southern, and Price Mining District, in Beaver County, will be, if constructed, about 150 miles. It is thought that it can be built for a million dollars, which appears somewhat doubtful.

An Old Acquaintance. - Many of our citizens will remember, and that, too, in the most kindly manner, Mr. Sikes, who, in 1867, was postmaster of Salt Lake City. While here he won the respect of the people generally by his universally courteous and gentlemanly deportment. He is now in the city in the capacity of agent for the Stuyvesant-Daily combination.

Married. - On Tuesday, May 14th, in this city, Mr. Winford Sperry of Elmer, Oregon, and Miss Dora Pratt, daughter of Elder Orson Pratt, were united in marriage, the father of the bridegroom performing the ceremony.

Last evening a large number of the relatives and friends of the newly-wedded pair met at the residence of the bride's father, in the 19th Ward, and spent a pleasant time. Congratulations were tendered, and the bride was the recipient of a number of handsome presents. The happy couple have our congratulations and best wishes for their future prosperity and happiness.

An Anticipated Treat. - We take great pleasure in announcing a musical and Dramatic Entertainment by Miss Neally Stevens and Mrs. Laura E. Dainty, on the evenings of the 21st and 22nd instants, at the Salt Lake Theatre.

Miss Stevens, the gifted young musician, daughter of Mr. S. S. Stevens, General Western Agent of the Rock Island Railroad, will, for the first time, appear before a Salt Lake audience, and can scarcely fail to be greeted with the enthusiasm she has every where met with. The New York Sun says:

"Miss Stevens, who is a pianist of unusual talents and culture, gave exquisite rendering to a number of fine classical compositions. Her execution was marked by a degree of brilliancy, spirit and power, rarely attained by so young a student, and she interpreted the best thoughts of the great masters with remarkable delicacy, feeling and accuracy."

Mrs. Dainty is a reader of rare talent and grace, who has received the unqualified favorable criticisms of the press and public, in Boston and the larger eastern cities.

The Chicago Times says: "The bright little lady read 9 selections, covering the whole range, between the broad and the deep, the pathetic and had her large audience in tears or roaring with laughter all the time. The union of this combination has already stamped it with the approval of the public, and it will make a new and unique departure in the professional world."
